**Sudden Demand Sends N. Y. Stocks Up; Western Oils Dip At Toronto**

NEW YORK, Dec. 1—(AP)—A sudden flare-up in demand sent the stock market forward today for one of the sharpest gains in some seven months.

Individual issues advanced fractions to more than 4 points, some moving up from their low prices for the year.

Trading activity expanded as prices climbed. The day's turnover of 1,320,000 shares, tops in around three weeks, compared with 1,200,000 Tuesday.

The Associated Press average of 60 stocks jumped one full point to 63.6, the largest since a similar move on Oct. 22. It was previously exceeded on June 8 and again on May 14.

Wall Street had a string of reasons to explain the upturn.

Many spoke of "technical" factors. Prices have been dropping for some time, many to lows for the year. As the market declined supporting bids were uncovered, it was said, and even slight show of strength in a declining market is often enough to attract investment or speculative support.

In addition, the yields of many stocks, based on today's prices and dividend rates, are the most favorable in a long time.

**At Toronto**

TORONTO, Dec. 1—(CP)—Western oils dipped downwards following announcement of a cut in the western price of crude oil by Imperial Oil. Base metals showed a steady advance. Golds were firmer in dull action.

The western oil list dropped sharply at the opening and then began a slow recovery that was almost complete at the close. Early losses were wiped out in many cases and gains began to appear. Pacific Petroleum and Central Leduc showed 10-cent advances while Calgary and Edmonton, Foothills, Leduc-West and Home Oil were easier.

Base metals brightened considerably in moderate activity. Consolidated Smelters added \$2 at \$125 following news of an increase in the price of zinc. Falconbridge, Waite Amulet, and East Sullivan were penny gainers and Golden Manitou touched a new high at \$2.90, closing at \$2.85 up 10 cents. Hudson Bay, International Nickel and Noranda were strong on gains ranging to a point.

**At Montreal**

MONTREAL, Dec. 1—(CP)—A rally by selected industrials near the final hour of trading enabled them to close on slightly higher ground on the Montreal Stock Exchange and Curb Market today.

Trading was moderately active and 13 issues had turnovers exceeding 1,000 shares each. Mines were ahead in a narrow list as trading was active.

Alcoa Steel emerged as the day's biggest surprise. Opening at 51 this morning, it started on a sharp upswing and at the close of trading was selling for 57, an increase of 7 points from the previous day's close.

Today's industrial sales were approximately 47,700 shares, a decrease of 12,300 shares from yesterday. Mines totalled 290,000 shares, an increase of 51,000 shares from Tuesday.

Closing averages showed banks off 15 at 27.70; utilities up .1 at 74.6; industrials up .5 at 130.6; papers up 1.88 at 338.38 and golds up .68 at 60.55.

**LIVESTOCK**

MONTREAL, Dec. 1—(CP)—Today's receipts on the two Montreal Livestock Markets were 90 cattle, 130 calves, 100 sheep and lambs and 118 hogs.

There was little to offer on the local markets this morning. Medium quality cows were selling from 13.50-16 with common butchers 12-13.25. Canners and cutters were 9-12. Common bulls ranged from 11-16.

Sales were slow on calves and prices were steady. Grassers made the bulk of offerings and ranged from 17-17.50.

Lambs were 23-24. Sheep ranged from 5-10.

Hogs were generally selling from 31.50 for grade A.

Sows were 27 dressed.

Maritime livestock report: Moncton hogs grade A 31.00. Sows number one 25, number two 24 hot dressed weight delivered. Charlottetown grade A fob 29.80, sows number one 23.80, number 2 22.80 fob.

**GRAIN**

WINNIPEG, Dec. 1—(CP)—Coarse grains came in for some good demand in the late stages and closed at or near their highs of the day.

Oats prices closed 1-8 to 1-2 cent higher and barley 7-8 to 3-8 cent higher. Commission houses and locals were on the selling side in early trade but shippers turned buyers in the closing stages and prices moved up from their low points.

Rye scored good gains, reflecting strength on the Chicago market. Commission houses were good buyers and prices closed 3-8 to 3-3-4 cents higher. Flax trade was dull and inactive, with prices closing unchanged to 1-4 cent lower.

Reports were that some export of Canadian rye had taken place either to or through the United States. Class two wheat prices remained unchanged from Tuesday.
