DIED FOLLOWING OPERATION—The sympathy of a large circle of friends goes out to Mr. and Mrs. Fidele S. Gaudet, of St. Nicholas, in the sudden death on Friday of their youngest daughter, Miss Lydia Gertrude Gaudet, at the early age of 21 years. The deceased had been operated on for appendicitis early in July, but had not fully recovered and entered the Prince County Hospital on Friday last for another operation from which she did not rally, and passed away about 10 o'clock. Miss Gaudet was of a bright and sunny disposition and the life of her home, where she will be very sorely missed. She was well known in Summerside, having a large number of friends there who will miss her cheery visits. There are left to mourn their deep loss besides her sorrowing parents, four brothers and five sisters, namely:—Miss Alphonso Gallant, Mrs. Fred Auxier, Mrs. Thomas B. Buote and Austin, all of Rumford, Maine; Mrs. Rennie

Gallant and Wesley of Summerside; Mrs. Henry Gallant, of St. Nicholas; Leo and Edmund at home, to all of whom the deep sympathy of the community goes out. The funeral was held from the home to St. John the Baptist Church and Cemetery at Miscouche, on Sunday afternoon. Rev. Dr. Monaghan officiating, and was very largely attended. There were an exceptionally large number of spiritual bouquets and floral tributes. The pall-bearers, who were all of St. Nicholas, were Messrs. Stanley Gaudet, John Joseph Perry, Alban Arsenault, Maxie Perry, Raymond Perry and Frederick Perry. S.

SUMMER VISITORS.—Our summer visitors are loathe to leave us, while still enjoying this beautiful tourist weather still extending into the month of September. Most of the visitors planned to leave us September first, expecting the weather would then be turning cool and fallish, but to their agreeable surprise September weather continues as beautiful, warm and bright as July weather. Bathing and outdoor sports and recreation. Hence their apathy to leave our beautiful climatic conditions.

PROPERTY SALES.—Two properties belonging to the estate of the late Joseph McDonald, Hog River, were placed under the hammer through the Court of Chancery last week. Both farms were purchased by Islanders abroad by proxy. The property at Hog River was purchased by Stephen McDonald, Boston, for \$900.00, and the property at St. Margaret's by Allie McPhee, for \$450.00. Both of those Island purchasers now residing in the U. S. A., plan to come down here and occupy them at once. These signs of repatriation are considered a good thing.

A serious accident occurred at Georgetown on Saturday Sept. 7th, when Mr. William Batchelder and Mr. Frank Gotell were shingling the roof of Mr. Frank Solomon. THE OLE RAIL FENCE.—When everything is said and done, there is no fence equal to the old-time spruce rail fence, a rare and costly fence in those modern times, and as rarely seen. But anybody travelling the delightful summer highway along the North Shore, cannot help viewing a half-mile string of new spruce rail fence at Clear Springs, recently erected by a new-comer from the States, Allan J. McDonald, now working with his father, Mr. Donald A. McDonald, on the old farm, or rather farms. With much labor and time young Mr. Allan J. cut several thousand spruce rails in the woods, hauled them to the spot, and recently erected a solid fence of six good-sized rails, with

perpendicular pickets beginning at the public road and running, straight as a line, strong and solid as the Rock of Gibraltar. This enterprise involved considerable work, and is the source of much comment and admiration of all who pass along the road.
