What might have proved a fatal accident occurred at Rustico a few days ago when Joseph J. Gallant was training on the ice, a colt which promised to show much speed. In some unaccountable way the bridle ring broke. Fortunately for Mr. Gallant he let himself fall out of the sleigh, when the colt made for land and jumped two wire fences and got home with only the shafts attached to him. Neither Mr. Gallant nor the colt were injured.

What might have proved a serious accident occurred to Donald McIntosh of Stanchel, a few days ago. While returning from visiting friends in Rose Valley, accompanied by his two nieces, Mr. McIntosh's horse took fright and ran away.
