***CHURCH CONCERT.**—The Baptist Church, Montague will hold a concert on Monday night, March 25th. The children will have the principal part of the programme.—T.

***MAIL INTERRUPTED.**—Owing to the snow storms, Montague has had no regular mail for over a week. It reminds people of olden times before the Car Ferry was a reality and before the mail service was complete, but although snowstorms have their disadvantages, they also have their advantage, for the people of Montague have surely had a good time snowshoeing for the past week. Some took as long as a ten mile hike.—T.

***SELLS FARM.**—Mr. Augustus Brothers, Greenfield, has disposed of his valuable farm, and intends leaving shortly for the Canadian West. Mr. Brothers thinks the Western climate will suit his health better than P. E. I. and although he will be greatly missed in this community and in church circles, everyone feels man's health comes first and natural things served. Mrs. Brothers and children will remain at home, until Mr. Brothers sends for them, or at least finds out how he will like the change.—T.

***INSTITUTE MEETING.**—On Friday evening March 8th the Elmira Women's Institute met in the school house. Nine members were present. After the reading and adoption of minutes nine pounds of rolls were disposed of among the members for spinning and knitting. The concert was then discussed. It was decided to hold it at North Lake Hall on Monday Night April 1st and if Monday night is not fine on the following night. A very interesting paper "Co-operation between home and school" was read by Marjorie Fraser. The meeting was brought to a close by the National Anthem. Next meeting was invited to the home of Mrs. J. F. Morrow.

***TWO CENTS PER WORD** each insertion for advertising in this column. Cash must accompany order. Minimum charge twenty-five cents.

***GONE WEST.**—Mr. Milton Kennedy, New Perth, recently sold his farm, and has gone to Canadian West. His wife and little family remained at home until the weather will be pleasanter for travelling. Mr. Kennedy's brother-in-law Mr. Leslie Mellich, who has lived in Boston for a number of years, is coming home, to take up farming in Mr. Kennedy's stead, and thus help as a producer and war winner.—T.

***GEORGETOWN,** for the first time in years, was almost two weeks without mail. On Tuesday night when the snow on the Montague branch made it doubtful how soon the train would reach the County capital, Mr. Frank Salmon harnessed up his horse and drove out to meet the train where she was stuck near Brudenell Station and brought the long desired mails back with him. Mr. Salmon desires great credit for his prompt action.—G.

***RESPECTED LADY DEAD.**—The death from pneumonia, of Mrs. William McKinnon, Kilmuir, took place last Saturday. Mrs. McKinnon, who was a sister of Mr. M. C. McGowan, the well known merchant of that place, was ill, only about one week. Mr. McKinnon, who was absent from the island hastened home in response to a telegram, and drove all the way from Point Breton to Kilmuir, a distance of more than seventy miles arriving just before his wife passed into that Great Beyond. Much sympathy is felt for Mr. McKinnon and his grief stricken family in their sad bereavement.—T.

***WELCOMED HOME.**—On Wednesday March 6, another of Georgetown's heroes returned home from overseas in the person of G. Barrett Miar, eldest son of Mr. and Mrs. James Miar, Burnt Point. Gunner Miar, who left this province as a member of the gallant "98th" Battery, spent some months in active service in France, where he received a severe shell shock, and was removed to hospital in England, where he received good care and attention. A short time ago it was found that he was unfit for further active service, for a time at least, and was accordingly invalided home in order to recuperate more fully from his unpleasant experiences. Owing to the conditions of the weather the number of his friends to welcome him at the station was not very large, but nevertheless he received a warm welcome. All his friends join in wishing the returned hero a speedy recovery of his health.—G.

***B. I. S. CONCERT.**—The Irish Benevolent Society gave their annual entertainment on Monday, in Souris. The play "Fighting for Freedom" was one which accorded with the thought uppermost in the mind of nearly all our people at the present time and the actors found a sympathetic audience. The weather which up to sunset had been very blustery cleared up, and the hall was well filled. Those active in getting up the entertainment were under the great disadvantage of having most of their former associates absent through the many calls for war purposes. While all who took part did their parts well it might not be amiss to mention Lieutenant W. J. Cheverie who acted the part of Horace Fillmore and Miss Anna McDonald that of his daughter as also Art McDonald as son of Mrs. Mason. Stage manager P. A. Scully had not forgotten the part expected of him. Intervals were made interesting by the Orchestra led by Mayor J. E. McDonald. Miss Mary E. McDonald accompanist always fills the place assigned to her to the full satisfaction of an audience. Miss Peters of Rollo Bay certainly as a new figure of the musical community rendered some pieces with exquisite skill. President Mr. Patrick St. John gratefully acknowledged the generous patronage of the audience. Following is the cast: Horace Fillmore, of Nashville, Tenn.—W. J. Cheverie; Winifred, his daughter,—Miss Anna McDonald; Richard Sheldon and Vincent Lathrop, in the government service—Geo. McQuaid, Geo. Pierce; Mrs. Mason of Chattanooga—Miss F. Fisher; Violet Mason, her daughter—Miss Annie McDonald; Arthur Mason, her only son—Art McDonald; Fletcher, and Monah, negroes of the Fillmore household—Wm. Keough and Les Cheverie; Lieutenant Forshay, Sergeant Gload, Orderly Stark, of the Confederate Service—A. Perry, C. McCallum, A. Lavie. Stage manager, P. A. Scully. Accompanist—Miss Mary McDonald. Leader of Orchestra—J. E. McDonald. Property Man—A. Lavie.—C.

MORE QUALITY LESS MONEY

"The Same Good Quality as Last Year at the Same Old Price."

YOU want Made-to-Measure Garments, the kind worn by men of standing in this community. You can have them without denying yourself any of the niceties of good tailoring, and at the old time level of price.

We want to emphasize the fact that our inside position in matters pertaining to the manufacture of woollens early, showed us that there would be a pronounced scarcity, with the result that we immediately placed all Mills supplying us, under blanket contract, insuring us an abundance of the new woollens, embodying all that is new and good for the Spring Season, but at a price which will enable us to present unusual values in Made-to-Measure Garments that are both smart and individual—the equal of which cannot be found elsewhere at anywhere near our price—a visit today will convince you.
