Mrs. Capt. J. E. MELVIN.

Paralysis Defeated!
BLEEDING PILES,
Headache and Dyspepsia
CURED BY SKODA.

MRS. MELVIN IS A LADY OF INTELLIGENCE, HONESTY AND TRUTHFULNESS, AND HIGHLY ESTEEMED BY ALL HER NEIGHBORS AND FRIENDS. SHE WILL COROBORATE ALL THE STATEMENTS IN THE FOLLOWING LETTER.

GENTLEMEN:—For years I had a terrible trouble with my stomach—my food souring immediately after eating, together with a severe headache. I would have a prickly, numb sensation in my arms and legs, with stagnant ... For thirteen years I have been troubled with extreme Constipation, combined with that most terrible tormentor, Bleeding Piles. At times they would bleed profusely, and pain me severely, so that I could neither sit, stand, sleep or eat. I became very much reduced in flesh and strength, and felt completely worn out. I have tried nearly all the Physicians in this vicinity, and have taken patent medicines in large quantities, but received no permanent benefit. Through a friend, my attention was called to the merits of SKODA'S REMEDIES. I consented to try them, having but little faith in their efficacy. I at first felt but little effect, but persisted in their use. I have now taken four bottles of SKODA'S DISCOVERY, used two boxes of SKODA'S PILE CURE and four boxes SKODA'S LITTLE TABLETS. My Dyspepsia is all gone, Bowels regular, Appetite good, and have gained much in flesh. In fact, AM PERFECTLY WELL.

BETTER THAN GOLD

All credit is due to your Wonderful Remedies, and I cannot say too much in their praise.

Truly yours,
MRS. CAPT. J. E. MELVIN,
No. 38 Warren St.,

More Orange Blossoms.

This morning the first Methodist church is the scene of another joyful event which has been looked forward to with great eagerness by the large circle of friends and acquantances of the popular participants. The marriage is that of Mr. William Arthur Weeks, clerk of the Crown, and captain of the Ch'town Milita Engineer Co., and Miss Fannie Weeks, daughter of W. A. Weeks Esq., one of Ch'town's leading and most respected citizens. As might be expected a large number of friends are at the church.

Rev. W. W. Brewer performs the ceremony.

The bride is attended by Miss Tillie Hyndman and Miss Alice Weeks: the groom is supported by Mr. Arthur Weeks and Mr. Leith Brecken.

The bride is becomingly attired in Grey French Broadcloth trimmed with chenille and steel Ruching, and wears a hat of grey velvet maize with felt trimming. She carries a beautiful shower bouquet of Bride Roses.

The bridesmaids wear pretty dresses of cream serge with moss trimmings and carry bouquets of Marchaniel roses.

Mrs. W. A. Weeks, mother of the bride, is dressed in brocaded heliotrope and black satin. Mrs. Wm. Weeks, mother of the groom, is dressed in black *peau de soie* with jet trimmings.

The church is beautifully decorated for the occasion with autumn leaves, ferns and foliage plants.

Mr. Earle renders the wedding march.

The bride was the recipient of a great many beautiful presents.

After the ceremony Mr. and Mrs. Weeks will leave by the Express on a tour through the Upper Provinces. The bridal party will return to breakfast at the residence of the bride's father The GUARDIAN tenders the gallant captain and his accomplished bride its heartiest congratulations.

On Saturday evening a deputation of the Officers of the Ch'town Engineers waited on Capt. Weeks and on behalf of the company and as a small token of their affection, presented him with a handsome marble clock and a highly complimentary address, tendering their felicitations and best wishes, expressing their appreciation of his efforts in making his company the Premier Engineer Corps of Canada, and concluding as follows:—

We trust that the march through life, which you are to make with so estimable a Lieutenant may be a happy and pleasant one, and that all foes being vanquished, when the final reveille sounds you may be found at your post, worthy of the reward of a faithful and obedient soldier.

Capt. Weeks in reply said "I am more than pleased to know that my partner through life is recognized by you as only second in command.

You will please convey to the Company the sincerest thanks of their Captain and new Lieutenant.

Bengough Coming.

Bengough will be here, Friday evening. His entertainment has been a prodigious success from his first appearance, and is now more popular than ever. Its specialty is rapid, crayon sketches on topics of the moment, including local Cartoons in which well-known citizens—sometimes chosen *impromptu* from the audience,—are pictured to the life, always, of course, in a respectful and good natured manner. But in addition to his powers of Caricature—which are unrivalled by any artist now before the public—he is equally great as a Vocalist and Delineator of Character *viva voce*. In short there is only one Bengough, and only one Entertainment such as he gives.

Another Foul Murder.

MONCTON Oct. 11—William Grivan, a farmer sixty years of age, was found dead in bed at Galloway, eight miles from Richibucto, Kent Co, yesterday, with his throat cut from ear to ear. He had been living with a young man twenty years of age, an adopted son, as his companion. It is said that this young man had used threatening language towards the old man recently, and boasted that he would soon come into possession of the farm.

Court of Chancery.

Special sitting before the Master of the Rolls.

In the matter of the application of the executors of the last will of Neil Gillis, for direction of the court on construction of will. Mr. H. C. McDonald for petitioner. The court will consider.

John Angus McDonald vs Ronald McKay and others. Bill to set aside a conveyance alleged to have been given for the purpose of delaying or defrauding creditors. Heard before Master of Rolls on 27th June last, who now delivers a lengthy written exhaustive judgment on the law of voluntary fraudulent conveyances, in which he decrees the said deed to be null and void, and proper entries to be made in Registry Office. W. S Stewart for complainant; H. C. McDonald for defendant.

Augustine M. Ferguson vs John Newson and others, trustees—alleged improvident deed. Mr. Davies, Q. C., for complainant; Mr. Morson for trustees.

Sunday School Convention.

The semi-annualsession of the Sunday School Convention of the middle section of the Methodist church in P. E. Island began at Cornwall at 11 o'clock on Monday, Rev. W. W. Brewer in the chair. The Convention is composed of the members, superintendents and 2 delegates from each school.

A prayer meeting lasting about 15 minutes was held, after which a reception committee composed of Rev. Mr. Turner, Mr. G. Howard and Miss L. Howard was appointed.

The roll being called a goodly number of delegates answered to their names.

A credential committee composed of Rev. Mr. Fisher and Miss White was appointed.

Rev. Silas James, Mr. Stitson and John Smith were given charge of the question box.

On motion of Bro. Fisher it was decided to allow all Sunday school workers who attend as visitors to become voting members of the Convention.

Brief verbal reports of schools were given from which considerable information and helpful hints were elicited.

The afternoon session was opened by Rev. Silas James.

A short and interesting conversation of Sunday School work followed.

A very interesting and instructive paper was read on the benefits of the organization of a Sunday School Convention by Rev. Geo. W. Fisher. A helpful discussion followed in which Brother James Turner and others took part.

An admirable paper was read by Rev. W. C. Matthews of Ch'town. Mr. James highly complimented the writer.

Rev. Mr. Fisher spoke highly recommending more Epworth League work. Rev. Mr. Turner advised the formation of a league at Cornwall.

A social recess of ten minutes was held.

Bro. Jonathan Smith by request of convention repeated his Bible Class lesson to the great profit and pleasure of all.

In the evening devotional exercises were conducted by Rev. Mr. Fisher.

It was decided to hold the next convention at Pownal.

An admirable paper on the best methods of Bible Study was read by Rev. Thos. Stebbings.

An able and vigorous paper was then read by Rev. S. James on the temperance pledge in the Sunday School.

Rev. G. C. P. Palmer delivered a short practical address on the work of christian training of children.

The thanks of the convention were tendered to the good friends of Cornwall for their kind entertainment, after which the meeting adjourned.

Kensington Notes.

Mr. C. A. McNutt trader, shipped two hundred lambs from here on Tuesday.

Mr. Levi Silliphant, proprietor of the Kensington meat market, killed and dressed two lambs in 5½ minutes. This speaks well of Mr. Silliphant's ability as a butcher.

The I. O. F. is progressing favorably, four new members were initated the last night of meeting, with several more to follow. It has made a favorable impression on the minds of the people in Kensington. Many persons from the surrounding country have made application for membership.

One of our leading men is erecting a large and commodious building on Commercial street, which will be used as a tailor shop when completed. It is understood that his intention is to have it finished with plate-glass windows.

Our popular young friend Wm. E. Bentley, was entertained at the Watson House on the Carigan Hill on the eve of his departure for Ch'town, where he enters the law office of Messers. M & D. C. McLeod.

It is the intention of several young people of Kensington to start a night school in the Division Room during the winter months, under the tuition of Mr. W. McIntyre. This is a step in the right direction and we hope to see it prosper. We are proud to see that the youths of Kensington do not take any interest in loafing on street corners, as we see in other towns.

Mr. Jas. Johnson, who recently disposed of his property in mill Valley, has rented the beautiful dwelling of Mr. A. Ramsay, and will remain here for the winter. He expects to start for Moose Jaw in early spring, where he will make his future home.

Notes from West St. Peter's.

Potato digging is progressing. The crop, notwithstanding the bug, promises a fair remuneration.

The mercantile profession is increasing very rapidly in this vicinity.

Our genial friend, Mr. John Scott, left on Tuesday last for Florida, where he intends to settle permanently. Mr. Scott has resided in this locality for nearly a quarter of a century, and during that time won the regard of all by his gentle, manly and amiable qualities. He was engaged in husbandry, and, needless to say, he made marked advancement in his vocation. His success here augurs well for his future in the land of his adoption.
