ANNUAL REPORTS OF SUMMER- SIDE TOWN COUNCIL

The following reports were sub-
mitted at the meeting of the Sum-
merside Town Council on Monday
night:

Report of the Mayor and Town Council

To the Citizens of the Town of
Summerside.

Ladies and Gentlemen:

We beg here to submit our
annual report for the year 1925.

Our statement of revenue and
expenditure as shown on the fol-
lowing pages records a small defi-
cit of \$521.08 as per cash statement.

For this we offer no apology, as the
expenditure of \$2272.54 for instal-
ling a sewer on Spring Street com-
bined with rebuilding the Eastern
approach to Harvard Street, which
work was essential to further per-
manent improvements, amply ac-
counts for our extraordinary expen-
diture. We had, however, at the
close of the year a cash balance of
\$6223.74.

The Street Committee although
seriously handicapped by a very
wet season combined with heavy
auto traffic have kept our streets
in as good condition as possible
under the circumstances.

Our Police report shows that our
Town is practically free from ser-
ious crime. We, however, realize
that this Department needs to ex-
ercise eternal vigilance.

The property of the Town is in

good condition except the outer
end of the Town Wharf, which will
require to be attended to by the in-
coming Council.

The Electric Light Plant and
equipment including Street lines
are now in excellent order and ren-
dering efficient service, and the re-
port shows a sound financial condi-
tion. We feel that the Citizens are
to be congratulated on this branch
of the Public Service.

During the year we were honor-
ed by a visit from the Delegates of
the Union of Canadian Municipalities
and also a call from H. M. S. S.
Patriot, for which we are largely
indebted to the courtesy of Lieut.
Governor Heartz.

In conclusion we thank the citi-
zens in general for suggestions
from time to time pertaining to the
welfare of Our Town and consider
that Summerside is to be congrat-
ulated on possessing Public spirited
Citizens, efficient Public Organiza-
tions such as the Board of Trade
and Children's Welfare Society and
others.

Respectfully submitted,
(Sgd.)

again!
Across 2,000 miles of dan-

produced the Great

LETTER OF CONDOLENCE

To Bro. Angus Campbell.
Dear Sir:—As it has pleased
God in His all wise Providence to
call home your dearly beloved
daughter in the prime of life, the
members of Tanton L. O. Lodge,
No. 1126 do hereby extend to you
and your family their sincere sym-
pathy in your sad and painful be-
reavement. Death is ever an un-
welcome visitor but it seems hard-
er to bear when it calls the young
in its cold embrace. Mere words
of sympathy in a trying time as
this is of little or no avail.
Therefore, we can do nothing bet-
ter than commend you to Him who
came to heal the broken-hearted,
and comfort them that mourn, and
who promised never to leave nor
forsake you. May you be enabled
by His Grace to cast your care
upon Him knowing and believing
that He careth for you, and we
trust that in the sweet bye and
bye we may all meet in that home
on high, where death-divided
friends at last shall meet to part
no more.

Again extending our sincere sym-
pathy to you and yours in behalf
of the named lodge we are,
Fraternally yours,
Andrew E. Dollar

After 10 years of Asthma, Dr.
J. D. Kellogg's Asthma Remedy
proved the only relief for one
grateful user, and this is but one
case among many. Little wonder
that it has now become the one
recognized remedy on the market.
It has earned its fame by its never
failing effectiveness. It is earning
it today, as it has done for years.
It is the greatest asthma
remedy within the reach of suffer-
ing humanity.
