WEAK LUNGS NEED CONSTANT CARE.

The Slightest Cough or Cold should be Promptly Treated by Dr. Wood's Norway Pine Syrup.

There are many people who have weak lungs and need to be constantly on their guard. The arch enemy of the race—consumption—is ever ready to pounce upon those who neglect coughs and colds, and claim them as its victims. Those who catch cold easily should never put off treating a cough in its first stages by the use of Dr. Wood's Norway Pine Syrup. It will not only cure the cough quickly, but the healing balsamic properties of the pine it contains will strengthen the lungs and help them to resist cold.

Miss Grace Lynch, Blackville, N. B., writes: "I have been troubled with coughs, colds and weakness of the lungs for a long time, and could get no relief until I took Dr. Wood's Norway Pine Syrup which soon made a complete cure in my case."

We are pleased to see John R. Colwill, son of Charles Colwill, Esq., Lot 31, who is here on a visit to his parents, after an absence of 20 years. His father is now in his 82nd year, while his mother is 77, but both are hale and hearty. His father has lived in Lot 31 for nearly 58 years and there are only two of the residents now living that were there when he settled in Lot 31. John Colwill has lived some years in the Eastern and Western States, and during the last 12 years he has lived on the Pacific Coast. For the last eight years he has been ranching in Edison. Here he has a comfortable home. The John Colwill referred to is a brother of Mr. W. P. Colwill, our large Crockery Merchant, Sunnyside.

MANY friends of Field Commissioner, Miss Booth of the Salvation Army will be glad to know she has recovered from her recent illness, and it is now definitely arranged for her to visit St. John. On Monday at 4 p. m. Miss Booth will formally open the large premises recently secured for the Women's Social and Rescue Work on St. James street. Tuesday and Wednesday are to be devoted to concerts for the officers and soldiers, at which D. O. officers from all parts of the maritime provinces are expected to attend. Thursday night, Nov. 22nd, Miss Booth will conduct the final demonstration in the Mechanics' Institute, assisted by all her officers. Miss Booth's two adopted children, Willie and Pearl, will sing at each meeting.—St. John Sun.

The ninth anniversary of the opening of Wesley Memorial church was marked by special services in that church Sunday. The preachers of the day were Rev. Geo. Steel, President of the N. B. and P. E. I. Conference, in the morning, and Rev. Dr. Brecken, of Mount Allison University, in the evening. At the morning service Rev. R. S. Crisp, who has been pastor of the church for four years, referred briefly to the work of the church and its growth. It started with a membership of 64 which had increased to 500 during the nine years. The church had three pastors, viz: Rev. T. J. Deinstadt, Rev. John Bead and the present pastor. Mr. Steel took for his morning subject "The individual nature of God's love." Special music was furnished at both services by the choir. Rev. Dr. Brecken and Rev. Geo. Steel preached the annual missionary sermons in the Central Methodist church yesterday. Special music was furnished by the choir at both services. Rev. Geo. Steel and Dr. Brecken addressed the Y. M. C. A. mass meeting in Wesley Memorial church Sunday afternoon.—Moncton Times.

Dear Sirs.—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to any one suffering from throat or lung trouble.

SCROFULA THE CAUSE

Scrofula, catarrh, hip disease, white swelling and even consumption have their origin in scrofulous conditions. With the slightest taint of scrofula in the blood there is no safety. The remedy for this disease in all its forms is Hood's Sarsaparilla which goes to the root of the trouble and expels all impurities and disease germs from the blood. The best family cathartic is Hood's Pills.

Shaving Yourself

Often brings discomfort and sometimes facial diseases. We take care to give each customer a clean comfortable shave, better than he can get elsewhere and better than he can do it himself.

AN UNPOPULAR OPINION.

LONDON, Nov. 11.—Lord Roberts' recommendation that the returning soldiers be welcomed with gifts of tobacco instead of liquor, calls out a singular endorsement from the Lancet, which declares that tobacco used in due moderation, is second only in value to food itself. In the case of men enduring long labors on short rations.

NEVER TOO LATE.

To Try A Good Thing.

I am fifty-two years old and for forty years of that time I have been a chronic catarrh sufferer says Mr. James Gieshing of Allegheny City; with every change of weather my head and throat would be stuffed up with catarrhal mucus.

I could not breathe naturally through the nostrils for months together and much of the time I suffered from catarrh of the stomach. Finally my hearing began to fail and I realized something must be done.

I tried inhalers and sprays and salves which gave me temporary relief and my physician advised me to spray or douche with Peroxide of Hydrogen. But the catarrh would speedily return in a few days and I became thoroughly discouraged.

I had always been prejudiced against patent medicines, but as every thing else had failed I felt justified in at least making a trial.

Our good old family physician Dr. Ramsdell laughed at me a little but said if I was determined to try patent medicine he would advise me to begin with Stuart's Catarrh Tablets because he knew what they contained and he had heard of several remarkable cures resulting from their use and furthermore that they were perfectly safe containing no opium or opiates.

The next day I bought a fifty cent box at a drug store carried it in my pocket and four or five times a day I would take a tablet; in less than a week I felt a remarkable improvement which continued until at this time I am entirely free from any trace of catarrh.

My head is clear, my throat free from irritation, my hearing is as good as it ever was and I feel that I cannot say enough in praise of Stuart's Catarrh Tablets.

These tablets contain extract of Eucalyptus bark, Guaiacol, blood root and other valuable anti-septics combined in pleasant tablet form, and it is safe to say that Stuart's Catarrh Tablets are far superior in convenience, safety and effectiveness to the antiquated treatment by inhalers, sprays and douchers.

They are sold by druggists everywhere in the United States and Canada.
