## ENDURED AGONY FROM BRUISES AND STRAIN

Hurt in bad fall, young woman makes quick recovery

A young woman at Bushnell's Basin, Monroe County, New York, fell and was badly bruised and strained.

"I suffered agony," she writes, "but I used Sloan's Liniment and it relieved the pain right away. Now I don't feel it at all."

What is the secret of the almost magical powers of this remarkable remedy?

Simply the fact that Sloan's doesn't merely deaden the nerves so that you don't feel the pain. It really drives out the pain by helping the conditions that are causing it.

Right to the affected spot it brings a healing stream of fresh, revitalizing blood, driving out congestion, relaxing contracted muscles. The pain stops as a natural consequence.

So clean and easy to use, too. Just pat it on lightly without rubbing, and the liniment will do its work. Get a bottle today and have it on hand. All druggists have it—35 cents.

Worms feed upon the vitality of children and endanger their lives. A simple and effective remedy is Mother Graves' Worm Terminator.

CAR FERRY IN HALIFAX.—The car ferry steamer Prince Edward Island, Capt. Read, has gone to Halifax to undergo her annual overhauling on the drydock. The S. S. Scotia is supplying the service in the meanwhile.

TO TAKE YEAR OFF.—Rev. Fred J. Bertram, of Fairville, St. John, has resigned his pastoral charge and will spend a year in travel and study. NATION-WIDE FAME.—There is scarcely a corner of this great Dominion where the merits of Dr. Thomas' Electric Oil have not been tried and proved. It is one of the world's most efficient remedies for sore throat, larynx and many other ailments arising from inflammation. Rubbed on the skin its healing power is readily absorbed and it can also be taken internally.

MOTHER'S DAY was fittingly observed in Princetown United Church on Sunday morning. The music was in keeping with the occasion. Mrs. Charter Simpson presided at the organ and the choir rendered the anthem "My Mother's Prayer" while Mrs. Wallace MacNutt Darnley sang very sympathetically the solo "Mother I'll be there." The pastor Rev. D. M. Grant paid a high tribute to true Mothers whether present with us or absent from us. In speaking from the words "Have mercy on me, O Lord, thou Son of David; my daughter is grievously vexed with a devil," Mr. Grant pointed out that the love of a true mother for her child, and that love led her to surmount the most impassable obstacles—she left her home—her people—overcoming her racial prejudices, travelled many long and weary miles in search of Jesus—and all this not for her own sake but for the sake of one dearer to her than her own life. The love of a true mother is emblematic of God's love for his children. It is unchanging—it is stronger than death itself. It is the necessity of a true Mother's faith in Christ.

HEART TROUBLE Or Indigestion? Heartburn, Pressure Around Heart, Palpitation, A Feeling of Fullness, Shortness of Breath

THIS SIMPLE 3-MINUTE TEST TELLS WHAT'S WRONG

While there are many people who really have Heart Trouble, there are many thousands more who are literally "scared to death" because they think they have it.

To live in constant fear of Heart Failure is a terrible handicap, especially when probably 90 per cent of the self-diagnosed Bad Heart symptoms—Palpitation, shortness of breath, difficult breathing, a feeling of fullness or pressure around the heart—are mainly caused by a sour, gassy, upset stomach.

To prove that this is true and that your past worries have been a sad mistake—simply make this three-minute test and watch results!

From any good druggist obtain a couple ounces of pure Bisulphate of Magnesia, (either powder or tablets) and beginning with tomorrow take a teaspoonful of the powder or four tablets immediately after each meal—and all the usual distressing symptoms fall to appear. You may safely rest assured that you have found your trouble.

This is a pleasant, inexpensive test that seldom fails to relieve stomach distress, Gas, Sourness and Bloating—almost instantly and a single trial proves its value! Be sure and ask Bisulphate of Magnesia, not a laxative.

Gleanings From Tryon And Vicinity

The four-act Comedy Drama "The Country Doctor" presented by the Seaside Dramatic club on Thursday evening, May 12th proved a "boonching" success and was greeted with loud applause by an enthusiastic audience. The plot of this play was laid in Elmville, New York, and throughout was full of mystery and romance, keeping the audience in breathless suspense. The specialties between acts were also worthy of mention, deserving special mention were the selections given by the skilled elocutionist, Miss Grace Holland of Seaside, who kept the audience in peals of laughter. The cast were as follows:—Thomas Brittan M. D. (the village doctor)—Louis Wright, Howard Wayne (in love with Dolly)—George Runcie, Squ're Ferguson (the sheriff)—Jay B. Hayes, Sam Birch (proprietor of Hotel) Zebadiah Burn (who hangs around)—G. C. When Jesus remained silent she persisted in her plea and Jesus at last said "O woman great is thy faith—Faith is what wins the victory"—The true Mother must have faith in God if she is truly to fulfil her duties as a Mother. They may labor and toil early and late—she may even give her body to be burned, but if, in her toil of love she fails to inculcate into the growing life and character of her child, faith and devotion to God, she has neglected her God given task—she has fallen short of the life of the child who is dependent on her during the fleeting years of childhood.

In the hands of parents—more than in any other power lies the opportunity to shape the future of the world, by the influence they exert over the lives of their children.

In the evening Mr. Grant gave a powerful address on the subject "What shall you do with Jesus?" The choir gave the beautiful selection "Along the river of time" while Miss Constance Hunter sang very beautifully the solo "You Must Do Something Tonight."

# Government Control Has Worked Reformation Says Woman Magistrate

Mrs. Emily F. Murphy, a former president of the Federated Women's Institutes of Canada, Judge of the Juvenile Court of Alberta and known as Janey Canuck for her famous writings says:

"Before Government Control became the law of Alberta I opposed it vigorously, both on the platform and by my pen. I was fearful that our last state would be worse than our first. It seemed only logical that if the restrictions were removed there would be more drunkenness and crime. No living person could persuade me to the contrary, I had a fine line of arguments on the subject, too."

"After a period of several years in which I have been called upon to enforce the present Liquor Control Act, both as a city and Provincial Magistrate, I am bound to say that my fears were largely unfounded."

"There was not a rush of inebriety as I had predicted. The condition has steadily improved because the law was well conceived and is being well enforced."

"I know that bootlegging has been largely—very largely suppressed; that poisoned liquor or substitutes for liquor, such as methylated spirits or 'canned heat' have disappeared; that there is comparatively little drinking among juveniles, less drunkenness, more general respect for the law."

"Those of us who previously fought for Prohibition of all intoxicants, are bound to acknowledge, that so far as this Province is concerned, Government Control has worked a reformation in the traffic."
