CUBS TROUNCED BY CRIPPLED GIANTS 13-0

NEW YORK, May 24-New York Giants finally found a left hander they could beat today and with Hal Schumacher pitching a four-hit shutout they celebrated the occasion by bowling over Chicago Cubs 13-0 at Chicago.
Little Roy Henshaw was the victim and the crippled league leaders, who apparently are out to prove they can limp faster than the rest of the teams can run, knocked him out with a five run blast in the first inning. They continued their belting against a pair of young right handers, Clay Bryant and Hugh Casey, for a total of 20 hits. Their success against Henshaw brought their first victory over a southpaw this season.
A long Homer by Ruper Trompser of Boston Braves with the bases loaded in the ninth sent four runs across the plate but Pittsburgh Pirates, with an early lead, weathered the storm and came through victors 7-5 at Pittsburgh. Paul Waner's one hand catch of Babe Ruth's drive was another highlight of the otherwise listless game.
Ed Brandt started for the Braves. He was nicked for three hits and two runs in the first inning and was driven from the box by a three run Pirate rally in the third. Bob Smith, who worked the rest of the way, allowed only two hits.
Leslie Munns, left right hander of the Brooklyn staff, who previously had pitched only four innings this season, stepped in after St. Louis Cardinals had slammed Watson Clark around at St. Louis and pitched the Dodgers right into a 5-3 lead. Munns gave the Cards only three hits in the last seven innings and let only one runner get past first after Clark had been nicked for four blows and three runs in the second.

Shoots Spectacular Golf In Entering Final Round With Dr. William Tweddell

(C. P. By Guardian's Special Wire)
ST. ANNES-ON-SEA, England, May 24-Lawson Little Jr., of the United States tonight stood just one step away from being the first foreign invader to capture the British Amateur Golf championship for two years in succession.
Little, who won the title at Frimley a year ago, confronts Dr. William Tweddell of Stourbridge in the final round of the other United States challengers having followed 10 Canadians and a host of domestic threats into the galleries.
Dr. Tweddell, stocky and pleasant-mannered 38-year-old, Englishman, remains the last home defence against the husky Californian, who showed today that he was at least as good as when he took both the British and United States amateur crowns last year.
ODDS AGAINST BRITISHER
Dr. Tweddell, who captained the Walker Cup team which made an unsuccessful invasion of the United States in 1928, won the championship eight years ago at Hoylake. Speculators are offering 3 to 1 against his chances in tomorrow's 36 hole championship round.
Perhaps the most impressive tribute to Little's ability was voiced by a pair of shotmakers who felt his thunderbolts today, George L. Q. Henriques, the 42 year old London stock broker, and Robert Sweeney, Jr., the former New Yorker who has lived in England many years. Neither felt particularly bad about losing to the champion.
Henriques, who had eliminated men like Leonard Crawley, Leslie Garnett and Dan R. Topping in previous rounds, collapsed after seeing Little belt a couple of drives and long irons on the gale-swept outward nine which parallels the railroad track nearby the sea.
"His terrific, I tell you, simply terrific," said Henriques as Little closed out against him on the 14th green, 6 and 4, after playing the last five holes in two under fours. Against the Briton Little made only two mistakes in going out in 39 to stand four up. He three-putted from 25 feet at the third and in-ched back into second on the seventh green where he moved his ball while addressing it. He picked up two holes more along the inward route. Little's tee shot at the 228 yard 12th missed the green but he approached to within a few inches of the cup for a winning 3 and closed out his rival on the 14th, covering the 447-yards between the two men with a long drive and a No. 3 iron and almost holed out from 20 feet for a birdie three. Sweeney was similarly unperturbed after holding Little even on the front nine only to be overwhelmed by the champion's spectacular one under par performance on the difficult last seven holes. "Well, I couldn't expect to beat a man like that," said Sweeney, who has lived in England since he was 14 years old.
FLAYS STEADY GAME
Dr. Tweddell, shooting steadily rather than spectacularly, eliminated two of England's best golfers in Eric Fiddian, a former runner-up for the championship, and Thomas A. ("Tony") Torrance, 44 year old veteran member of the last four Walker Cup teams.
In disposing of Fiddian, one up in the quarter-finals Dr. Tweddell carded a 78-nine over par-and he was 12 over regulation figures in taking the measure of Torrance, 2 and 1, in the afternoon.
Fiddian, Little's challenger earlier in the day, was working well enough to enable him to run up a lead on Little on the outgoing nine. Regarded as one of "England's most dangerous men to let get a couple of holes ahead," Fiddian's partner, he will not crack before the ponderous shots of the champion as other have done during the week.

SPORT BRIEFS

We mentioned tight rope walking in a conversation with a friend last evening and he said the greatest tight rope walker in the world exhibited his prowess in Charlottetown back in the eighties. He was none other than Blondie, the only man that ever walked across Niagara Falls on a tight rope. His exhibition in Charlottetown caused a great deal of talk at the time. The "rope" was laid from the building which the Charlottetown Guardian now occupies to Quirk's Bakery.
Helen Stevens, seventeen year old girl speed marvel, bettered the women's American record of 25.1 seconds in the 220 yard dash last Saturday at Fulton, Missouri, when she covered the distance in 24.7 seconds. The time was made more remarkable by the fact that the track was heavy from recent rains.
Morris W. Wilson, General Manager of the Royal Bank of Canada, was chosen Honorary-President of the Montreal Amateur Athletic Association at the annual meeting last Monday evening. At the dinner which preceded the meeting Tommy Gorman, Coach of the Montreal Maroons, world's champion professional hockey team, was the guest speaker.
Morris Wilson will be remembered by many Charlottetownians because of the several years he spent in this city in 1922-1923. He was very popular and still remains so.
Hooley Smith, who was the spark plug of the Montreal Maroons, received a magnificent horse as a present from the Daws Brewery after the winning series, and since then has been presented with a Rolls Royce car, the gift of Harland MacDonald, another director of

BASEBALL SEASON OPENS AT S'SIDE

In a baseball game played on Summerside High School diamond Thursday afternoon, between the Summerside High School team, coached by Rev. C. Waterworth and the West Kent School team coached by Mr. Lou Campbell, the western team defeated the Charlottetown team by a score of 16 to 14 in what developed into a free-for-all slugfest. Both teams showed up remarkably well for the first game of the season. Eric Sheen pitched the whole game for the Summerside boys, Charlottetown changing Gay for Murray in the eighth inning.
Jack Schurman behind the bat and Rev. J. Wilson on bases, umpired the game to the entire satisfaction of all. A return game will be played in Charlottetown in the near future.
Lineups:
Summerside-Catcher, C. Hogan; pitcher, E. Sheen; 1st base, M. Gaudet; 2nd base, V. LeBlanc; 3rd base, H. Birch; short stop, J. Hogan; 1st field, E. Ben; 2nd field, I. Ross; C. field, J. Downing.
W. K. S.-Catcher, A. Harding; pitchers, Gay and Murray; 1st base, D. Saunders; 2nd base, J. McLennan; 3rd base, H. Stewart; Short stop, I. Harper; R. field, I. Hign; L. field, E. Ben; C. field, J. Hign; Bill Chandler, Trainer.
The baseball season opened at Summerside yesterday with two games between the Summerside Clubs. At 1.30 p. m. there was an exhibition game between the Red Wings and C. Y. M. L., the former winning with a score of 8 to 7. As the score indicates the play was very close.
In the evening the Red Wings and Pioneers battled for honors with the Red Wings again coming out top with a score of 10 to 7. The diamond had been into first class shape and there were quite a number of spectators. On Monday the C. Y. M. L. will meet the St. Dunstons' College boys and on Tuesday the League games will open with a tilt between the Red Wings and Pioneers.

LOWLY BROWNS HAND YANKEES 6-3 DEFEAT

(By Guardian's Special Wire)
NEW YORK, May 24 -- The last place St. Louis Browns stepped out of their usual "doormat" role today and slapped New York Yankees down into third place with a 6-3 victory at Yankee Stadium in their first meeting of the season.
Lefty Gomez was the principal victim, taking his fifth defeat of the season. He was in trouble at first through wildness but the Yanks gave him a lead going into the seventh. Then he passed. Al Belja and Ray Pepper came through with a home run inside the park.
Boston Red Sox evened their current series with Mickey Cochrane's Detroit Tigers at Boston, pounding up an 8-4 win behind the rather shaky pitching of Bob "Lefty" Grove.
Banging out 18 hits, including 5 by left fielders Vessie Cleveland Indians battered Philadelphia Athletics 12-2 to win the series opener at Philadelphia.
Scoring in every inning but two, the Indians forged out in front in the first stanza and were never headed. Hal Trosky hit his sixth home of the season with one on base in the sixth inning.
Buck Newsom celebrated his pitching debut with the Senators at Washington by shutting out the League leading Chicago White Sox 10-0 and winning his first game of the season.

Comprehensive Review Of Activities Of Island Harness Racing Club

(Continued from Page 6)
Now have it. We do not think that either of our good friends when venturing to gamble on the speed of their colts had any idea that the not over-large stakes of their "gentlemen's" bet would lead to the formation of this club. We may be excused for remarking that "They started better than they knew."
At this organization meeting it was decided to establish a three-year-old Futurity Stake as well as the Two-Year-Old Futurity, which races were to be held at some time in the season of 1934.
The former had 12 colts nominated of which 10 made the second payment, and 7 paid the final, or starting fee. The latter had 19 nominations of which 12 made the second payment, and 8 paid the starting fee.
The highest offer for the attraction was received from the Charlottetown Exhibition Association, viz. \$300.00. This with \$355.00 received from entry fees amounted to \$655.00 which was the total of the purses raced.
The date of the race meet was set for Sept. 19th, but on account of unfavorable weather the races were from this date postponed until the following day.
The following is the summary of the Three-Year-Old Futurity, Sept. 20th, 1934:
Purse \$345.00
Six horses started:
Pady Aubrey 2 1 1
Lena Worthy 1 4 5
Bud Cope 4 2 2

Balbo 5 3 3
Willow Bud 6 6 6
Time: 2:24 1-4, 2:23 1-2.
