Many men fool with sickness just as a bear fools around a trap. A man doesn't like to own up that he is ill. He says "O, it amounts to nothing. I shall be all right to-morrow." But he isn't all right to-morrow; nor the next day. Pretty soon the trap snaps to; and he has some serious disease fastened on him. The only sensible course is to keep away from the trap, and not allow sickness to get any hold on you. It is a frightful mistake to trifle with indigestion and bilious troubles in the belief that they will cure themselves. On the contrary they drag the whole system down with them. When the appetite and digestion are irregular it shows that the machinery of the body is out of order and is not doing its proper work; the blood-circulation is poorly supplied and is being gradually debased by bilious poisons. The proper alternative for this condition is Dr. Pierce's Golden Medical Discovery. It acts directly upon the digestive functions and the liver; and enables the blood-making glands to supply an abundance of pure blood, rich with the nutritious vital elements, which build up healthy flesh and endure its strength. In all impoverished and run-down conditions the "Discovery" is far better than malt "extracts" or nauseating "emulsions." It creates genuine permanent strength. It does not make flabby fat but solid muscle. It is a perfect tonic for corpulent people. A full account of its properties and marvelous effects in many so-called "hopeless" cases, verified by the patients' own signatures, is given in Dr. Pierce's thousand-page illustrated book, "The People's Common Sense Medical Adviser." This splendid volume will be sent free on receipt of 31 one-cent stamps to pay cost of customs and mailing only. Address, Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y. For a cloth-bound copy send 50 stamps.

"Having suffered for several years with indigestion," writes Samuel Walker, Esq., of Parkersburg, Chester County, Pa. "I concluded to try your valuable 'Golden Medical Discovery.' After taking five bottles I was entirely cured. I also suffered from bladder trouble, which was also cured by the 'Discovery.' I feel like a new man."

MR. MONTAGUE, DUNNVILLE, ONT.

Has an Interesting Chat About Dr. Chase's Ointment.

SIS SUFFERING FROM ULCERATING PILES (CURE).

He says:—"I was troubled with itching piles for five years, and was badly ulcerated. They were very painful, so much so that I could not sleep. I tried almost every remedy heard of, and was recommended to use Dr. Chase's Ointment. I purchased a box, and from the first application got such relief that I was satisfied a cure would be made. I used in all two boxes, and am now completely cured."

Every remedy given by Dr. Chase cost years of study and research, and with an eye single to its adaptation for the ailments for which it was intended. Dr. Chase detested cure-alls, and it has been proven ten thousand times that not one of his formulas leave a bad after-effect. Dr. Chase's Ointment is based on lanoline, and the best physicians prescribe it.

Mr. M. T. Wigle, of Kingsville, Essex Co.

Cured of Itching Piles of 23 Years' Standing.

Physicians Fail to Make a Cure When Dr. Chase's Ointment Gives Immediate Relief.

M. T. Wigle, better known to every one in the vicinity as "Uncle Mike," was troubled for over 23 years with itching piles. At times he was so bad he would have to quit work. The irritation became so intense with constant rubbing that they became ulcerated and would bleed. He had been treated by many physicians, but found nothing that gave him relief. Reading in the paper the cure of a friend who had suffered in a like manner, and being cured by Dr. Chase's Ointment, he procured a box. After the third application he got such relief that he had the first comfortable night's sleep he enjoyed in years. The one box made a complete cure, and he says he would not be without it for \$50 a box if it could not be replaced. Mr. Wigle is a wealthy farmer, well known in the community in which he resides. It is over two years since he was afflicted, and he has never been troubled since.
