Bruins Shut Out League Leading Canadiens 3-0

BOSTON, Feb. 8.—(AP)—Boston Bruins in a surprising exhibition of offensive and defensive play shut out the league leading Canadiens 3-0 tonight before 12,000 at Boston Garden. It was goalie Bert Gardiner's first shut-out of the year and only the second time this season that Montreal had been blanked. The veteran Buzz Boll with two third period goals assured the Bruins the triumph which they had richly earned after overcoming their first period hesitancy which ruined their efforts three times on a Montreal manpower shortage in which two Canadiens were sent to the jug for misbehav-

Saints Defeat Army 5-4 For First Place In League

Saint Dunstan's University hockey team jumped into first place in the City Hockey League last night as they skated to their third win in a game that produced some of the fastest skating and finest hockey of the season. It was a goal from the stick of Morris at the eleven minute mark of the first session that gave the red and white their hard earned victory as they took advantage of a penalty to an army defenceman to punch home the winning corner. Army snapped into a 2-1 lead in the opening session and the University team tie it up during the middle canto. Saints took the lead for the first time early in the third only to have Army tie it less than three minutes later and set the stage for Morris' all important counter two minutes and twenty seconds after the Army had made it 4-2. The Lamontagne brothers and Morris carried the scoring punch for the winners as they figured out their team's goals with the Army's dynamic duo of Tarky Whitlock and Jackson carrying the ball for the Hawks called boys as they figured in three goals with Whitlock, league's leading scorer punching home two of them. Right from the opening face-off Whitlock forced O'Shea to a great save only to be robbed but the same player wasn't to be denied a minute later as he went in close on Jackson's pass inside the line to give the Saints' net-tender nary a chance on a drive from ten feet out. Morris and Levy both had chances in the next few minutes only to have the goalies come through with sparkling saves and at 8:32 it was Whitlock and Jackson again who sent the Army into a 2-0 lead. On a typical combination play Jackson passed to Whitlock at centre; Tarky skated over the line before returning the rubber to Jackson and the latter scored on a beautiful angle shot from the left lane position. Saints got into the scoring at 10:57 of the period. L. Lamontagne broke up an army play at Saints' blue line. Carrying down he goalies, the Army defence cleanly then passed to his brother R. Lamontagne the latter going right in to make the count 3-1. Army continued to have an edge on the play for the remainder of the period but could not increase their lead as both goalies came through with fine saves as attackers rode in close. Levy came through with a beautiful individual effort to put the Army ahead 3-1 after the team had battled scoreless for 8 minutes and 27 seconds of the middle period. Skating from his defence position he slickly handled through the S. D. U. team to bias a backhand drive into the cords. The seconds after Saints again drew to within striking distance R.

Lamontagne whipped a pass into the corner to L. Lamontagne and the latter relayed the disc to Morris in front of the net who had the Army goalie but interceded Young Teddy Bradley playing his first season of hockey put the Saints on an even footing for the first time since the start of the game as he broke away from an Army gang play to race in close and poke the disc into the net for the equalizer. The third period was the fastest session of the encounter as both teams went wide open in an endeavor to get into the drivers seat. With the Saints minus a man due to a penalty Army pressed hard but O'Shea came through with a couple of fine saves to hold the Army team at bay. It was the Saints who took the lead and again it was Bradley who had shot the equalizer started the play. Forced deep into the corner, Bradley whipped a pass to Steele. The latter was stopped on his first attempt but poked up his own rebound to make it 4-3. Army started to gang desperately and Whitlock appeared to have a goal only to be denied by the goalie. He was denied however Whitlock combined with Jackson and taking a pass inside the Saints' blue line drove home the equalizer. The hands of the clock were in the 1st half of the period when the break of the game came. Simpson was chased to the cooler and while he was "doing time" Saints took full advantage of the advantage in manpower. Sending five men up they forced a faceoff inside the Army blue line; Morris passed from the faceoff to L. Lamontagne and Morris who was parked on the right hand side of the Army cage took the return pass to backhand the disc high into the drapery.

Lineups: Army: Goal, Morris; defence, Simpson, Levy, Lang forwards, Whitlock, Oudmore, Jackson, Stead, Nightingale, Cavalin, Houston. Saints: Goal, O'Shea; defence, McAdam, McIntyre, Hennessy, Adams, R. Lamontagne, L. Lamontagne, Morris, Mahar, Steele, Bradley. Referee: Kane and Lawlor.

Play For Prov. Curling Title, British Consols Trophy Opens Here Today

Highlight of the local curling season, the battle for the Provincial championships and British Consols trophy gets underway at the Charlottetown Club this afternoon at 2 o'clock when two rinks each from Montague, Summerside and Charlottetown meet to decide this year's title holders. Play is expected to finish up sometime Thursday night. Charlottetown has had more or less a monopoly on this trophy for the past several years but this year each of the six visiting rinks is considered a distinct threat to the local entrants. Especially is the all-service R. C. A. P. team from Summerside, the four members, all Flying Officers and all Western Canada boys are reported to be strong in every position. Interest has been at a high pitch and exceptionally fine curling is expected to take place on both days.

Provincial Games Committee chairman J. Finley McLeod has everything in tip top shape for the competition and he requests all skips to meet in the parlor of the Charlottetown Club at 1:30 p.m. today to draw for positions on schedule and ice. This evening at 6 o'clock the P. E. I. Curling Association will host a curling party at a banquet to be held in the Winchester Banquet Hall while on Thursday evening at the same hour a banquet will be tendered by the Charlottetown Curling Club. All matches are completed at the finish of 12 ends and once a rink has lost two games, they will automatically be eliminated. The following officials have been appointed to act during the tournament: Umpire, W. Lord; score keepers, J. C. Montgomery and Louis Turner; chairman of the curling committee, J. F. McLeod. Following, with the exception of an Alberton skip to be named today, is the personnel of the rinks competing:

Sport Shorts From Britain

LONDON, Feb. 8.—(CP)—No non-military activity of the Canadian Army Overseas receives more thought and care than sport. Decisions come from the top—by the generals on the army command and are passed through divisional and brigade headquarters to local units and companies. At each level there is a committee which makes recommendations to the general staff.

Local units fix their schedules in such sports as hockey, boxing, track and field, and football to meet the late requirements of play-offs so that on a given day finalists are brought together with no inconvenience to operating needs. The arrangements for the first game in a London exhibition series with various American army groups. Stalwarts in the Canadian triumph included Cpl. Stan Rintard, team captain who in civilian life played with Toronto Earl Grey's, Canadian intermediate champion. Pte. Jack Martin, formerly with Toronto Simpson Grads and Toronto Broadview, former centre with Simpson Grads, and Pte. Bud Dingwall, guard from Hamilton, Ont. The team is managed by Lieut. Larry O'Connor of Toronto and Hunnisville, Ont., one-time hurdling member of the Canadian Olympic team.

Canadian troops will again compete in the 1944 British Army boxing championships to be held some time in March. Last year they won two British titles. The Canadians will conduct their own preliminaries with winners qualifying for the British Army semi-finals Feb. 23-24 along with British teams from London district, Southern, South-eastern, and Eastern Commandments. Last year L. Cpl. Tommy Falls, gain-sized Negro from Liverpool, N.S., smothered his way to the British Army heavyweight crown while Sgt. Roddy MacDonald of Edmonton, Alta., won the middleweight title.

Tpr. Danny Webb, flashy Montreal Negro, reached the British featherweight final and was ruled out for an accidental punch while his opponent, L. Bdr. Billy Marlow, now a professional, was on the floor. Falls, MacDonald and Webb hold the Canadian Army titles in their respective classes.

Cruikshank Rink Wins G. D. Wright Trophy

Coming in to lay for shot with the very last stone of the match a rink skipped by W. R. Cruikshank last night copied the G. D. Wright curling trophy from a rink led by Dr. Heath McIntyre by a score of 11-10. It was one of the best matches witnessed since the club moved to its new quarters. Cruikshank chalked up a big five on the third end only to have his opponent get a four on the ninth to haul within one point of a tie score. On the tenth, what is usually the final end, McIntyre came through again to knot the count at 10-all and send the match to an extra end before losing out in the above-mentioned matter.

Midget Hockey Opener Tonight

Tonight at the Holy Redeemer Rink at 7 o'clock the opening game of the midget hockey league is scheduled to take place. Sea Cadets and Canadians will be opposing each other and with the kids practicing steadily for the past month or so a real fast game is expected. On Thursday night the Juvenile League swings into action again with the Sea Cadets being pitted against Canadians. In the opening encounter Canadians were returning victors 6-1 over the Cadets but the latter team is rumored to have a big surprise in store for their recent conquerors.

Nine Column Proposal Gets Cool Reception

TORONTO, Feb. 8.—(CP)—A proposal to change the present eight column standard newspaper page to one of nine narrower columns as a newspaper conservation measure was discussed here today at a meeting of the Ontario provincial mailers association. The association accepted an invitation from Senator W. Rupert Davies, President of the Kingston Whig Standard, to hold its June meeting in Kingston. Roy Thomson, president of the association and publisher of the Timmins Daily Press, presided at today's meeting.

U. S. Senate Passes Amended Ballot Bill

WASHINGTON, Feb. 8.—(AP)—The United States Senate finally passed a watered down version of the Green-Lucas federal ballot bill today and tossed it over to the House of Representatives which already is on record in favor of leaving to the States the machinery for voting by members of the armed services. House rejection is in prospect, to be followed by appointment of a joint senate-house conference committee to try to work out some sort of measure acceptable to both. The amended bill now provides that federal ballots go to military voters within the United States only if their home states fail to provide an adequate absentee voting system by Aug. 1. Overseas voters can use the federal ballot if a state ballot is not available or if a state ballot is not delivered in time to be voted.

"Did he pay back the \$900?" the court asked. "No, he did not," she said. "If I get loose this time it's for quits." She got loose all right.

New Agreements

LONDON, Feb. 8.—(CP)—Britain and the French committee of national liberation today signed two new agreements on finance and mutual aid. One fixed the rate of exchange at 200 francs to the pound sterling (\$84) while the other provided that each party should furnish the other free with all the military assistance which it is best able to supply for the joint prosecution of the war. Sir John Anderson, British minister in Paris, announced in the House of Commons. Under mutual aid agreement, the committee assumed responsibility for advances made by Britain to the former French national committee of De Gaulle in an accord of July 8, 1943. Sir John stressed the agreement does not cover post-war financial agreements with the French.

BRITISH CONSOLS TROPHY Presented to Prince Edward Island Curling Association by Macdonald Tobacco Company for Annual Competition.

A Salute to CURLING!

Once again we greet all those who are taking part in Prince Edward Island's Annual Curling Competition. No other sport in the Dominion has been so conducive to the promotion of good fellowship as curling. Through it the various provinces have been brought closer together—engendering a more complete understanding and a true spirit of national unity.

The manufacturers of British Consols Cigarettes are proud of the fact that they have been so long identified with curling, and that they have contributed, in some measure, to its widespread popularity.

The BRITISH CONSOLS trophy for Prince Edward Island represents the curling championship of the province. The Highland Lassie stands for the greatest achievement in tobaccos and cigarettes. To thousands and thousands of smokers it means the utmost in smoking satisfaction.
