PHOTOGRAPHING THE \$90,000 DEAL—The 25 new road machines purchased by Hon. J. P. MacIntyre for the Government have arrived in the City and were placed on exhibition yesterday at the rear of Prince of Wales College. The machines made quite a luxurious display and were much commented upon. They were photographed and the picture will no doubt be available to the public. It was intended that accompanying this photograph would be included that of the purchase of Hon. J. P. MacIntyre and some others, who no doubt would like to have been in the picture but who were however unavoidably absent.

EAST ROYALTY—The regular monthly meeting of the East Royalty Women's Institute was held at the home of Mrs. Edgar Heartz on March the 9th, with fourteen members and two visitors present. The meeting opened with the Ode and Roll Call was answered with "House of Cleaning Hiss". The minutes of last meeting were read and adopted. A report was given from sick and School Committees. It was moved and seconded that Mrs. MacNevin purchase the cotton and batting for the quilt. The next meeting to be held at the home of Mrs. Alex. MacNevin, roll call to be answered with "Jokes or Riddles". The young people gave a very enjoyable play, the gramme. Meeting closed with the National Anthem. Luncheon was served by the hostess, and a social evening was very pleasantly spent.

EASTER DAY IN THE PARISH OF CRAPAUD—Easter Day brought cheer, happiness and inspiration to both Rector and congregation of St. John's Church, Crapaud. There were two services, a celebration of the Holy Communion at 10.00 o'clock for those who could not attend the later service. At 11.00 o'clock there was a choral celebration, preceded by morning prayer, and attended by a very large congregation, considering the bad condition of the roads. At this service it was noted that the largest number received the Holy Communion that has ever been recorded for an Easter Day in St. John's Church, and it was also noted that a very large majority were young people, which promises well for the future. The Festal nature of the service lent itself very graciously to the large choir of twenty-one voices, who in addition to the regular Easter music, sang Caleb Simper's "Behold I am alive forever more," in an exceptionally pleasing way. Miss Florence Proffitt taking the solo part very effectively. The Rector delivered a brief address from the text—Alleluia for the Lord God Omnipotent reigneth.

W. C. T. U. MEETING—At the April meeting of the W. C. T. U. held at the home of Mrs. R. A. Thompson, and unanimously passed: "Whereas we believe the use of intoxicating liquor as a beverage to be one of the greatest evils of the day, produc-

Tony The Convict
The Cardigan Dramatic Society scored another success on Easter Monday night when they presented the five act comedy drama "Tony the Convict," in the Cardigan Hall before a very large and enthusiastic audience. The plot was prettily worked out from the opening scene in the Warden's Room at Sing Sing prison to the final happy ending in the Judge's Home two years later. The scenery was very nicely arranged, the characters in excellent voice and word perfect, and the lovely gowns worn by the cast were the admiration of all. The specialties between the acts were excellently given and included vocal solos by Mrs. (Dr.) Lacouriere, Montague, accompanied by Mrs. Francis Binn, and Mr. Charles Harris. Roy Grant danced the Highland Fling with Miss Stanley at the piano and Bert Sheppard, violinist. The cast are also deeply grateful to Mr. Wm. Flynn of Charlottetown for his expert help. A goodly sum was realized from the door, receipts and sale of baskets so ably auctioned by Mr. J. Scrimgeour. Following was the cast:

CAPTAIN FREDERICK D. P. BEERS
The death occurred at his home Tuesday afternoon after a brief illness of Capt. Frederick D. P. Beers, a well known and highly respected resident of this city.
The late Capt. Beers who had passed the four score mark was a man of fine physique, a cheerful companion and fluent conversationalist. He had numerous friends throughout the city who will regret to learn of his demise.
Although about as usual until several days ago, he was not enjoying the best of health, owing to the condition of his heart and finally was compelled to remain at home being practically confined to his bed for only a few days until the end.
Deceased was for many years an efficient and courteous member of the staff of the Marine and Fisheries Department, where he discharged his duties faithfully and well. He was a prominent member of the Masonic Fraternity, a lifelong Liberal and a faithful and consistent member of St. Paul's Church.

He leaves to mourn the loss of a kind and loving father four daughters, viz: Laura and Eva at home; Alice in the United States and Viola in Montreal; the latter arrived home last night, regrettably some time after her father had passed away.
Lack of Great Personalities
(By British United Press)
LONDON, April 10.—The Archbishop of Canterbury considers the present age lacks great personalities.
In an after-luncheon speech in London the other day when he was the guest of the Institute of Journalism, he said:
"Nothing strikes me so much as the absence now, as compared with fifty years ago, of great personalities outstanding among their fellows."
"We have a high level in public life, but we have not got anyone at all corresponding to those outstanding personalities who dominated Europe or England in that time."
QUEBEC, April 10.—Joseph Ver-ville, former M. P. Maisonneuve, will be appointed a member of the Montreal Harbor Commission to succeed the late Emile Daoust, according to Ottawa advice received here. Mr. Verville has been strongly recommended by a group of prominent Liberal leaders in commerce and finance, and it is said that his appointment will be made within a few weeks.

Disorders In Chicago's Primary Campaign
(Special to the Guardian)
CHICAGO, April 10.—One shooting, several kidnappings, sluggings, ballot box stuffing and minor disorders were reported today less than two hours after the polls had opened at the close of Chicago's hottest and most vituperative primary campaign.

Pending the construction of two destroyers by Canada the British government is loaning two destroyers to the Dominion and this photograph shows the naval ratings on board the Red Star liner Lapland prior to sailing for England where they are due to arrive on February 12 to bring back the ship. The first group left on January 12 on the Red Star liner Pennland. The destroyers loaned by the British government will take the place of the Patriot and the Patricia until the new ships are built. One of the destroyers will go to Esquimaux and the other to Halifax after Atlantic manoeuvres with the British fleet.
