In order to see the good move on the part of Premier Farquharson go on, Mr. Gage thus wishes to be extended the privilege of citizenship for this particular occasion and be one of the ten to make good the Premier's offer.

MR. AND MRS. J. N. LEARD, Tryon, were passengers by the S. S. Princess Saturday morning returning from an extended trip to Boston and New York. The object of their visit, was to have an operation performed on Mr. Leard's right eye, and their many friends will regret to learn that it was not a success. It is feared that it may yet be necessary to remove the eye entirely. While absent Mr. and Mrs. Leard visited their two sons, Dr. J. S. H. Leard, Forest Hills, and Dr. N. W. Leard, Jersey City, N. J., both of whom have good practices and are quite successful.

A YARMOUTH correspondent of the Chronicle says: The celebrated stallion Warren Guy, record 2 1/2, has returned from his campaign in the U. S., and is daily seen on the streets here, shown by his trainer, Lydiard. He is certainly the most beautiful stallion we have ever seen in this part of the country. Guy is looking in the pink of condition and seems to work as he looks. Some of his admirers and patrons had the pleasure of seeing his wonderful speed one day lately, as they went to the Victoria driving park and saw him work a very fast half mile to the excellent time of 1.05 1/2. First quarter in 33 seconds and the second one in 32 1/2 seconds.

As to Lady Minto's probable attitude regarding the work Lady Aberdeen has laid down, people have perhaps been a little too hasty in assuming that she will not follow in the footsteps of her predecessor. It would be unreasonable to expect her to bear the burden Lady Aberdeen did, but it seems safe to assume that the women workers of Canada will have her sympathy and patronage. We have Lady Aberdeen's authority for her successor's interest in the Victorian Nurses, and her intention of doing all in her power to help in the work, and it does not seem probable that this single enterprise, important as it is, will enjoy monopoly of Her Excellency's favor.

The football match between the local teams, St. Dunstan's and Prince of Wales did not draw a big crowd owing to the bad state of the weather. The grounds were slippery and muddy which made it very unpleasant for the contestants yet this did not detract much from the interest of the onlookers nor did it weaken to any great extent the rivalry between the players as a keen struggle was manifest.

The teams lined up as follows:— ST. DUNSTANS PRINCE OF WALES Gallant Full Back M. McLeod White Half Back F. McLeod K. McPherson Half Back Callaghan J. McPherson Backs Tanton Roi Quarter Back Coffin Donahoe Forwards Nicholson Bourque Ross Gauthier Goss Kaveney Sharp Hogan Ryan Green Ryan McEachern McGowan McNeill Bent McLeod Wright McDonald Wright

Ryan kicked off for the Saints', but it was not returned as it should. Play was carried on in the Princes' territory, when the Saints', by dribbling scored two tries and two rouges in the first half. Good high punting was done by White and McPherson. McNeill did good work for his team. Coffin was able to obtain the ball after, but the backs had not protection as the Saints were on them before they could pause. During the second half two rouges more were made Kaveney and McGowan, also two rouges by White. The ball during the greater part of the game was with the Saint's in the Prince's territory. Callaghan made good gains but would have done better had he kicked oftener. The forwards of both teams were well matched.

Time was called; score 20-1 in the Saint's favor. Messrs. J. M. Sullivan and W. McLeod, referee and umpire respectively, officiated satisfactory to all.
