

DANGER

Your tongue is the best barometer of your physical condition. Look at it every morning before breakfast. If it is coated with white, yellow or brown coloring, and does not have a clean red appearance you are constipated and not well.

Heed Its Warning
Constipation causes more ailments than all other diseases, and is the result of not having a daily bowel movement. Sick-headache, indigestion, biliousness and sallow complexion follow. Ask your druggist for a 25c red paper package of CARTER'S LITTLE LIVER PILLS 'Safe Laxative'.

PROTECT YOUR HOME AGAINST THE HOUSE FLY

The common house fly is one of man's most dangerous enemies as it carries germs and spreads disease during the warm weather which disease germs multiply most rapidly.

Even if this danger to the household is not considered, every fastidious housewife will wage war on this insect to keep her home dainty, comfortable and clean for the occupants.

We can supply you with a fly spray in this line. Let us have your measurements of doors and windows and we shall be pleased to give you our prompt and careful attention.

Screen Doors \$2.25, \$2.50, \$3.15, \$3.50.

New Annan And Vicinity

An ice-cream social was held in Wilnot Valley Hall, Tuesday evening, 12th inst., where quite a large crowd gathered and a very enjoyable time was spent.

Mr. and Mrs. Henry Moase, with Master Sterling, were in the city Saturday, 16th inst.

Mr. and Mrs. Harry Waugh and family, Wilnot Valley, were recent visitors to Bedeque.

Mr. Louis Moase, New Annan, was a recent visitor to Summerside.

Mr. and Mrs. J. Samuel Waugh, and Master Ralph, Traveller's Rest, were in Bedeque Sunday.

Miss Myrtis Picketts, Wilnot Valley, was a recent visitor to Charlottetown.

Mr. Harold Moase spent the week end with friends down East.

A very interesting and pleasant evening was spent at the home of Mr. and Mrs. Alden Moase, Saturday, 16th inst., when their parents, brothers and sisters met to celebrate with this worthy couple, their 25th anniversary. After a pleasant time was spent in music, etc., Mr. and Mrs. Moase were presented on behalf of the assemblage with a beautiful silverware of various kinds for which they sincerely gave their thanks and appreciation for such a delightful display of gifts and good wishes. Lunch was then served and a sing-song indulged in, after which the happy bunch dispersed but not before leaving the best of wishes to the host and hostess for many more long years of happily wedded life.

Mrs. Charles Campbell, Bedeque, spent a number of days visiting in New Annan, a welcome guest of Mr. and Mrs. J. W. Waugh.

Mr. and Mrs. James Condon, New Annan, were in the city Saturday.

Many of the farmers in this vicinity have been very busy working on the roads during the past two weeks.

The New Annan Women's Institute met at the home of Mrs. Harry Mills, Wednesday, with quite a large attendance.

Mrs. Samuel Waugh, Traveller's Rest, was a visitor to Kensington Thursday afternoon, on business.

Mr. and Mrs. Reuben Large, Wilnot Valley, were recent visitors to Bedeque.

Mr. and Mrs. Fred Simmons, Mr. and Mrs. Roy Simmons, and Mr. Theron Simmons, Wilnot Valley, were in Bedeque Sunday.

Mr. and Mrs. J. J. McKinnon, New Annan, were in the city Friday afternoon.

Traveller's Rest is to be congratulated upon the splendid appearance of their school grounds. They have put up a new fence and have the enclosure arranged very artistically. We understand a tennis court is to be the order of the day some time in the near future.

A very pleasant evening was spent in Wilnot Valley Hall Thursday, 21st inst., when Grand Division held their quarterly entertainment. A very nice program was successfully carried out, including several speeches from the large audience, Rev. A. A. McLeod, Charlottetown, being the special speaker.

Good Crop Outlook in West

(Special to the Guardian)

MONCTON, June 25. — Despite heavy and almost continuous rain over the whole of Western Canada during the past week conditions continue to remain highly promising, according to the eighth weekly crop report of the Canadian National Railways issued today. Except for a small area of low lying ground immediately East of Winnipeg where there are some cases of depths of two feet, no point reports any damage whatever from the heavy downpour. On the contrary optimism still remains high and as wheat has now reached sufficient height to shade the ground and prevent excessive evaporation of moisture in the event of a hot spell, it is generally considered that the rainy period had practically assured one of the biggest crops in the history of the west. All that is required now is favorable growing conditions, as there is plenty of moisture in the ground to last from three to five weeks. Wheat has reached the shot-blade stage in most sections of the country. A few points in Central Saskatchewan and Northern Alberta report wheat beginning to head out. As at the moment of writing clear sunny weather with a light cool breeze prevails over the whole of the west, wheat should reach the shot-blade stage everywhere within the next few days. In the vicinity of Prince Albert, Saskatchewan, oats and barley are reported to be twelve inches high, and in good condition. Some trouble from wild oats is reported about Langham, Saskatchewan, and it has been necessary to plow in a few fields of wheat. Pigweed was causing difficulty around Kamack, Saskatchewan, but it is thought the rains will help overcome this trouble. These are the only two points reporting weed trouble.

MARINATED VEGETABLES

The flavor of meats or cooked vegetables for salads is greatly improved by soaking them in French dressing, or marinating them.

Gleanings From Millview and Vicinity

Mr. Jas. Montgomery, city, passed through Millview on Wednesday.

The stork is travelling around Alberry Plains and Vernon River very lively these days, having brought Mr. and Mrs. Shaw McMillan a daughter, and Mr. and Mrs. Irving Tweedy, a son. Congratulations.

Messrs. M. E. Jenkins and George VanDerstine motored to Charlottetown on Thursday.

Mr. and Mrs. Benj. Weatherbie, Montague, spent Wednesday in Pownal.

Mr. Alexander Weatherbie, Mount Albion, sold his beautiful farm to Danic Myers, of the same place. Mr. Weatherbie then purchased the lovely home of Mr. James Pratt, of Pownal. We hope Mr. and Mrs. Weatherbie will enjoy several happy years in their new home.

The funeral of the Rev. W. H. McEwen, D.D., former pastor of the Battle Creek church, Iowa, was held in St. Andrew's church, Orwell, on Wednesday afternoon, June 20. Mr. McEwen passed away very suddenly at the home of his son, Iowa, on June 13. Mrs. McEwen and his two sons accompanied the remains home. It was one of the largest funerals ever held in this part of the Island, which goes to show the love and high esteem in which the deceased was held. The floral tributes were beautiful. Mr. McEwen had accepted the call given him by the people of the Orwell and Vernon Circuit. They will feel the loss very keenly. Much sympathy is extended to his wife and family. "Well done, thou good and faithful servant."

The many friends of Mr. William Jenkins, Seal River, are pleased to see him able to be about again.

Mr. Colwell, city, is spending some time in Vernon.

The Vernon Hotel is being all remodelled, and will no doubt receive more business than ever.

We are very grateful to the Messrs. Fraser Bros., Vernon, for the delivery of fresh fish every week, and occasionally twice a week.

Prayer meeting was held in the Millview church, Tuesday evening. There was a goodly attendance and those present enjoyed an impressive address given by the pastor, Mr. J. H. Littlejohns.

A special service was held in St. Andrew's church, Orwell, on Sunday evening, June 17. One of the special features of the evening was a solo by Mrs. W. J. Mutch, Cherry Valley, accompanied by Miss Hazel McEachern.

The many friends of Mr. Patrick Murphy, Vernon, are sorry to learn of his recent severe illness.

Mrs. McPherson, Uigg, who has been spending a few days' the guest of her daughter, Mrs. Lea Hynes, Millview, returned home last evening.

Mr. Patrick Valley, Alberry Plains, was a recent visitor to Millview.

Annual meeting of the Millview school was held on Tuesday evening. There was a large attendance. \$100 was voted for running expenses.

Messrs. Frank Lea, Warren Enman and Ray Enman motored to the North Shore on Sunday. They report the crops looking good.

The annual meeting of the Vernon River school was held on Tuesday, June 19. It was agreed that the interior and exterior of the school be painted.

The many friends of Mr. James Villet, Millview, are sorry to learn he is not so well as usual.

Millview is certainly a 1 with new cars this summer, six new ones having come to this vicinity recently.

Our Good Neighbor

Dedicated to the Loving Memory of Mrs. Alexena MacLeod, deceased, of Mr. Allan J. MacLeod, of Forest Hill.

Sleep, dear one, sleep, in thy rest and repose. Away from the turmoil and cares of this life. Beloved of all, thou angel of God. We miss thy vigil, our neighbor, good mother and wife.

We shall ever remember thy sweet beaming face. Your kind smile and love for us all. And as children—we played—and you watched with delight. When we were so noisy and small.

And when into youth, we grew sturdy and strong. Your kindness was ever the same. Benevolent neighbor, kind friend, ever true. We love and revere thy good name.

Your husband and children, and neighbors all mourn. Your passing to that silent sleep. For we miss you, dear one, from our midst here below—Where our vigil of love for your memory we keep.

Our love is thy love, and to you we bestow Our reverent thoughts of thy presence and grace. And pray the dear Lord to protect and embrace. Till we all meet again, at the throne, face to face. —By Peter A. Reilly. (Patriot please copy.)

SUMMER SUNLIGHT

Summer sun fades things so efficaciously that it is a good plan to put away all delicate drapes. Inexpensive cretonne can replace them.

Dominion Royal Cord Balloons are made with sprayed rubber. It is the strongest and most uniform rubber known. It is prepared without the use of smoke or acids. They are made with Web Cord, the most modern way of combining rubber and cords. Mileage is built into them and they will deliver it.

Kicking a Tire ... is no way to test it!

KICKING a tire may be alright as exercise, but it can never give you a true indication of inflation. Only a pressure gauge can do that.

There is a correct pressure for your tires. It depends on the size of the tire and the wheel load. At that pressure your tires will give you maximum mileage, maximum riding comfort. If your tire inflation goes three pounds above or below that correct pressure you cut mileage from the life of your tires, reduce riding comfort.

Use a gauge. Know the correct pressure for your tires—and maintain it. That's the only way to get full value for your tire dollar.

Better still, drop in at a tire service station once a week and have every tire inspected, and the pressure checked. Let an expert search for cuts, bruises, breaks in the cord fabric. Oftentimes a slight repair will prevent a blow-out.

You'll be surprised at the saving in your yearly tire bill.

Fireman Honored

On last Thursday evening at eight o'clock the members of the Charlottetown Fire Department met in the Fire Hall and presented to Capt. John Martin, of the Hook and Ladder Company a beautiful gold wrist watch, of latest design, accompanied by an address. Capt. Martin who has been a member of the Department for twenty-five years, the past number of years being the efficient Captain of the H. & L. Company, has lately retired from the Department. The presentation was made by Mr. Fred H. Trainor, while the address was read by Mr. Fred Large. Ex-Captain Martin in his usual modest and unassuming manner thanked his comrades for their thoughtful act which was much appreciated. Addresses were also made by Deputy Chief Large, Capt. John Connolly (Roll), Angus McEachern and Fred Large of the Chemical Engine Company. The gathering closed with three cheers for Ex-Captain Martin and the singing of "He's a Jolly Good Fellow," and the National Anthem. Following is the address: Captain John T. Martin, Sir: On your retirement as a member of the Charlottetown Fire Department for upwards of a quarter of a century, we, your fellow firemen feel that some public recognition should be made on this occasion. For twenty-five years, and until the end of the year 1927 you have been connected with the fire brigade of the City of Charlottetown.

This organization has been paid many tributes of the highest character by our citizens and our press, and in your capacity as fireman during that long period you admirably and fearlessly did your duty, both when conflagrations threatened our city, and as a prominent member of the athletic teams at various firemen's tournaments held in the Maritime Provinces. Indeed, you were a member of many hook and ladder teams which proved their mettle and prowess on these memorable occasions. Therefore, on your retirement, we beg you to accept as a symbol of our admiration and respect this gold watch, and as it marks the passing time we trust it will serve to you as a reminder of happy hours we spent together, and the many hazards we have passed through. Your record for long service and faithful discharge of duty should ever be a shining example to those with whom you served. Faithfully yours, Officers and Members of the Charlottetown Fire Department VICTORIA NOTES

The cheerful month of June. When the birds sing sweet and flowers bloom. Although the sun has set, twilight lingers yet. And the beauty of the evening star I can't forget. The re-opening of the United Church of Victoria took place on June 17th. It was a day long to be remembered. The Rev. Mr. Eaton gave his hearers a wonderful message at the morning service. The Rev. Mr. Johnson was the speaker at the evening service and the writer is sure his good gospel message will never be forgotten. The church was filled at both services, and many had only standing room at the evening service. Special mention should be made of the music at the evening service. Mrs. Keith Rogers, of Charlottetown, was the organist, and the singing of the seven gentlemen from Charlottetown at the evening service will always be remembered. The sum of \$95.00 was taken in collections. What might have been a sad accident occurred between two cars on Saturday evening about 9 o'clock. One car was going to Victoria and the other coming from Victoria. The one going had engine trouble and had to stop on a bridge with lights out; the one coming, strange to say, his lights went almost out just before coming to the bridge, and the driver did not see the car stopped on the bridge till within a few feet of it. The only thing the driver could do was to run in the other car or take a chance of his life by steering his car in the rail of the bridge, which he did. The rattling and two-posts gave way and the two front wheels of his car went over, and only for a post that withstood the bump, the car and driver would likely have met a watery grave. However, everything turned out for the best, and no one was hurt, and no serious damage done except to the car which got a few bruises. The Victoria Women's Institute had their monthly meeting on June 18th in the Victoria Hall with a fair attendance. This Institute has done good work, and deserves much credit. At last night's meeting the sum of \$3.00 was voted to the teach-

er of Victoria school to be given in June 17th, the guests of Mr. and Mrs. Webster Boulter. The annual school meeting was held on June 19 in Victoria school with a good number of ratepayers present. The sum of \$200 was voted for the first class teacher and \$175 for second class teacher. The Lower Bedeque Dramatic Club presented their three-act comedy drama last evening in Victoria Hall, June 19th. There was a big crowd and everybody was well pleased with the play. A man is firm when he acts according to your wishes and obstinate when he acts otherwise. Mr. and Mrs. Spurgeon Clark, of
