The railway lines both east and west were closed yesterday. The train laid up at St. Peters on Tuesday night reached the city yesterday at half past two o'clock and returned at four, reaching Souris before midnight. The Capes line is clear and the train leaving Tynish yesterday morning reached the city at nine o'clock last night. Everything is expected to be in good running order today.

The home of Henry Jones, Hazelbrook, was the scene of a very pleasant event Monday night, the occasion being a surprise party to Mr. Jones who on that day celebrated his forty-eighth birthday. There was present a large number of relatives and friends from the surrounding country, who after presenting the genial host with a small token of esteem, spent the evening very enjoyably in music and games.

VICTORIA ITEMS.—The leap year skate in the rink to have been held on Wednesday the 24th and postponed on account of the storm took place on Friday. Quite a large number of skaters and promoters were present. Our fair ones fully rose to the occasion and the boys did not have much promending to do. Much credit is due to our able rink manager J. W. Knox, for the perfect condition of the ice but owing to unforeseen circumstances the musicians engaged for the evening were unable to be present. Some masquerade costumes on the ice afforded quite a little amusement.

The death took place at French River on Sunday, of Albert Simpson, a well known merchant of that place. Mr. Simpson formerly conducted business in Charlottetown in conjunction with Robert Brown as Simpson & Brown, where the Newson block now stands, and later in his own account on the north side of the square. He afterwards removed to French River and there built up a large business and established himself as one of the most honorable and upright business men on the North Side. Mr. Simpson was a native of Cavendish and brother to Rev. Allan Simpson. Besides a bereaved widow, two sons and one daughter are left to mourn their loss. The funeral takes place at Cavendish at one to-day.

THE CAUSE OF DYSPEPTIC PAINS.
Improperly digested food usually forms gases that cause a painful distention of the stomach and pressure against the heart. This results in much pain and distress, but Nerviline will relieve the distention, dispel the gas, and cure the dyspeptic pains very quickly. Poison's Nerviline is really an excellent remedy for Dyspepsia, Indigestion, Cramps, Summer Complaint and all Stomach and Bowel Troubles. No household is complete without Nerviline. Try a 25c. bottle.
