GAS ON THE STOMACH

Relieved at Once by Father Morriscy's No. 11 Tablets.

Many people find that no matter how carefully they watch their diet and deny themselves this, that or the other favorite dish, still after every meal gas forms in the stomach and everything seems to turn sour.

Besides causing great discomfort, this condition makes it impossible to get the full benefit from the food eaten, and the body is continually starving with a full stomach.

Father Morriscy's No. 11 Tablets promptly relieves this and other stomach disorders. Each Tablet has the power of digesting a pound and three-quarters of food, so that even though the stomach may be in a very bad or weakened condition one tablet taken after each meal will insure proper digestion and prevent sourness, gas in the stomach, pain or discomfort.

The case of Miss Maggie Leahy, of West Franklin, Ont., is a sample of what Father Morriscy's No. 11 Tablets can do. Writing on Jan. 5th, 1910, she says:

"Your No. 11 Stomach Tablets suit my case exactly, as I am ever so much better since using them than I had been for the last seven years. I could hardly eat anything that would not turn sour on my stomach, or cause gas. My Doctor said it was Catarrh of the Stomach. I had no pain, but gas after eating. The first tablet I took gave me relief, and I am still continuing their use."

If you happen to eat a little too much for dinner, or something that does not agree with your Stomach, just take a No. 11 Tablet and you will feel all right in a few minutes.

If you have been troubled with Indigestion or Dyspepsia a course of Father Morriscy's No. 11 Tablets will soon put your stomach into a healthy condition again.

ROOSEVELT HINTS HE MAY AGAIN BE IN PUBLIC LIFE.

FREEPORT, Ill., Sept. 12—Colonel Roosevelt admitted recently that there is a possibility of his returning to public life. In this connection he issued a warning to corrupt corporations that any aid they might extend him in obtaining any official place, would be at their own peril, and not with the idea of getting official favors or pardons later. The statement was in his address in connection with the fair of the various national organizations of railroad employees for the benefit of the Home for the aged railroad men of America at Highland Park, Ill. P.J. Morrissey, former grand master of the Brotherhood of Railroad Trainmen, introduced him.

"I don't suppose I ever shall be in public life again," Colonel Roosevelt said, "but if I am there is always the chance that sometime it may come up when I shall make my words good. No corporation, no politician must ever support me for anything under the idea that I will pardon that corporation or that politician if he or it is corrupt.

"If either corporation or politician, if either one or the other helps at any time to put me in a position of influence let them remember that if they are corrupt, if they encourage corruption in others or if they benefit by it themselves, they help me at their peril, for I will hurt them if I get the chance."

Colonel Roosevelt also read an open letter by Wm. R. Hearst, in which Mr. Hearst advised the colonel to return to New York and take up the fight on the Republican organization there, saying that if he did so, Mr. Hearst would be in sympathy with him.

The colonel said: "I am going back to my state, as mentioned by Mr. Hearst, to fight with the bosses. I welcome the support of any man who wishes to aid in that fight.'j

Colonel Roosevelt's experiences on the way from Milwaukee here were which the train stopped large crowds were out to greet him, and he made a number of speeches reiterating his decision of honesty and good citizenship.

THE DELINEATOR FOR OCTOBER.

In the Delineator for October Erman J. Ridgway uses the words, "Mein Freund," spoken by the Kaiser to Mr Roosevelt, as a text for editorials that reveal the strong personality which is shaping the magazine on broader lines each month.

The leading article for the month is a description of "Woman's Fight Against Graft in San Francisco," by Elizabeth Gerberding, who was one of the leaders of the Women's League of Justice. Mrs Gerberding's startling story of what happened to the California reformers is really a tale of a modern inquisition in which many an advocate of civil righteousness suffered social and commercial martyrdom. Such a daring and circumstantial arraignment of corrupt government never has been published in any magazine that makes a direct appeal to women.

"The State Fair," by W. E. Randall and William Kirkwood is a study of the development of the educational possibilities of the annual events that once meant a combination of vegetable exhibits and horse races. The second instalment of Anne Forsythe's experiences while "Seven Times a Servant," sets forth what happened to the college girl when she tried to be a waitress in a New York apartment. Emily Post answers the question, "What Makes A Young Girl Popular?" and Gwendolen Overton writes of "The Exclusive Society of Mexico."

The fiction includes "Each In His Own Tongue" by Louise M. Montgomery, a tale of rare quality; "The Harnessing of Pegasus," by Grace MacGowan Cooke, one of the author's best short stories, and "Mrs Bankhurst to Dinner," a charming bit of comedy. "The Unforseen," a serial by Mary Stewart Cutting, reaches a climax of compelling interest.

"The Man's Magazine page is, as usual, amusing and original, a clever bit of burlesque that persons of every class will enjoy.

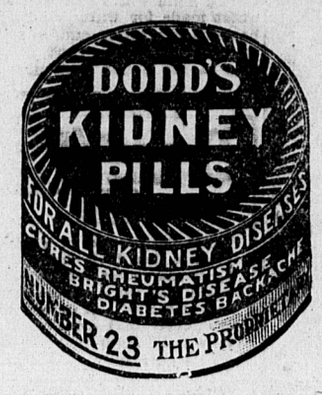
MEAT FAMINE IN GERMANY.

BERLIN, Sept. 11—The scarcity of meat and the high prices because of the tariff are increasing the general complaint against the present conditions. Meetings have been held at many places throughout Germany, at which resolutions were adopted entreating the Government to open up the frontiers for the admission of cattle, whether dead or alive, in order to relieve the meat famine. The demands made at these meetings include the admission of American canned meats.

Yesterday President Kaempf, of the Berlin Merchants' Guild, gave notice of his intention of offering a resolution asking the city council to petition the Government on the subject.



HOGS WANTED

We are now receiving dressed Hogs at our new premises (The Island Cold Storage Company's Plant).

We want all Hogs dressed for inspection—that is with heart, liver and lungs left secure to their natural attachments. The demand is for small, well finished hogs, weighing dressed 120 to 160 pounds. It means more money to the farmers to supply this class of hogs and whilst we are doing everything in our power to cure the products so they will command the highest price, yet we want you to supply the hogs that the consumer wants. It is to your advantage to do so.

If you would only give NULIFE a trial you would be greatly benefitted.

Every NULIFE tablet means that much more and better blood--you can't get a better body builder.

NULIFE will put you on the road to perfect health and strength.

There are dozens of diseases due directly to impure blood--some doctors will say the disease is this, druggists will say it is that, but when the whole matter is sifted down, it is caused directly from impure or impoverished blood.

You may think your stomach is not right or your liver is not as it should be, you are a nervous wreck or your heart is weak, but sift the matter down to one point and what is the cause? It is most probably impoverished blood—weak, thin, colorless blood is bound to drag down your system and the longer you delay the more danger you are incurring against a successful cure.

Complications will set in and finally your case is considered hopeless. Nulife will then have to work at a disadvantage, but even then the results it will accomplish will astonish you.

If you are not feeling right, if you lack ambition and feel an inability to hold your own in work, mental or manual, your blood is bad and your system requires nourishment.

Better a thousand times take this remedy at the beginning—before your system becomes weakened. There is not a particle of injurious properties used in its manufacture. If it will not cure it will not cause injury, but is a hopeless case indeed that it will not help.

When you get that tired listless feeling of dissatisfaction, don't think for a moment that you can wear it off, because you are just taking your life in your own hands, and when your case is advanced you are simply courting disease and preparing the way for sickness to lay hold on your system.

Do you not know that nearly every disease is caused by impure blood? Do you know that pure blood is the greatest enemy of ill-health and disease? NULIFE purifies your blood, strengthens your nerves and returns the bloom of perfect health to your cheeks.

NULIFE (Red Blood Tablets) is not a cure-all-it is simply a remedy that acts directly on the blood, purifying and strengthening it, bringing back health and strength by establishing the real foundation of health—good, pure, red blood.

Do not impair your health and waste money on useless so-called remedies. Your health and that of your family is too precious to experiment with NULIFE (Red Blood Tablets) will absolutely and in the quickest manner restore the body to its full physical vigor by soothing and strengthening the brain and nervous system, purifying and enriching the blood, restoring the appetite and banishing that terrible curse—indigestion.

NULIFE is an invaluable remedy, suitable for men, women and children of all ages, all conditions, and in all climates. For convalescents from any illness NULIFE offers a certain return to health. Your health may or may not be just right, but in any case you can't mistake having a package near at hand. Get a package from your druggist or general store.
