Blender Flour
is the cream of the wheat—the choicest Manitoba Spring Wheat and Ontario Fall Wheat. It contains the good qualities of both, makes wholesome, nourishing Bread and Biscuits like Manitoba flour—and light, tasty Cake and Pastry. Like Ontario wheat flour, it also yields MORE of both to the barrel, than any other. Good cooks say that their greatest help on baking day, is BLANDER FLOUR. Try it.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only cure known to the market. It is taken internally in doses from 10 drops to 100. It reaches directly on the blood and mucous surfaces of the system.
