HOLMAN'S Summerside Pack Parcels For Overseas With Great Care

Officials of the Base Army Post Office, Canada, state that reports received from England to the effect that difficulty is being experienced in effecting delivery of parcels mailed from Canada to members of the Canadian Active Service Force overseas, due to the fact that flimsy wrapping paper is being used on the parcels. In many cases the wrapping is so badly torn or entirely destroyed, leaving no indication whatsoever as to whom the parcels belong or who had sent them.

Thousands of parcels of all shapes and sizes are being mailed to troops overseas and senders should bear in mind that considerable handling is necessarily involved in connection with the sorting, bagging and shipping of the parcels.

It is essential, therefore, that if the parcels are to be delivered in good condition, care must be taken to see that they are carefully and securely packed to enable them to withstand handling in the mail. Several layers of heavy paper and wrapping should be used in the parcel.

As an extra safeguard a slip should be enclosed in each parcel bearing the name and address of the sender, as well as the postal number, rank and name of the addressee name of the unit in full, the initials of the A. S. F., and the words "Co. Base Post Office, Canada." Such a slip, furnishing a return address and the address in full of the person to whom the parcel was intended, would be valuable in case the wrapper containing the address was torn away.

These wrapped parcels are reminded that if a proper packing, it merits proper packing.
