

### Business Men's Backache.

When a man gets interested in his business he's apt to forget about himself. When backache comes—when he feels depressed and out of sorts, he contents himself with the plea that he's worked too hard—he'll ease up some of these days. But he doesn't let up—backache gets worse and worse—kidneys can't stand the strain put upon them—they need help—must have it if serious kidney trouble is to be averted.

### DOAN'S KIDNEY PILLS

have helped hundreds of business men to do their work and keep their health in fine condition. Read the evidence: "I have had kidney and urinary trouble for some time past, with distressing pain in the small of my back, and indeed felt very miserable. I got one box of Doan's Kidney Pills from Mason's drug store, and they cured me completely. I recommend them heartily as a splendid remedy for kidney or urinary difficulties, and as a cure for pain in the back they are certainly infallible." FREDERICK ASH, Merchant Tailor, Main St., Markham, Ont. Always ask your druggist for Doan's Kidney Pills and refuse worthless substitutes and imitations. THE DOAN KIDNEY PILL CO., Toronto, Ont.

# FAIRPLAY

An item is being printed in the papers headed "Do Not Misquote Figures," referring to the comparative strength of baking powders and claiming to quote from the Dominion government report, is misleading and incorrect. The figures given as the test of Dearborn's "Perfect" are far from correct and not according to the report. The total carbonic acid has in the samples tested, according to the report of the chief analyst, is as follows:  
Dearborn's Perfect.....13.7  
Royal.....13.4  
Imperial.....10.8  
The above figures are correct and are given on page 28, table II, of the Inland Revenue Department report No. 68 and is the only government report which gives a test of Dearborn's "Perfect" baking powder.
