## The Home of good values

### Where Cash Counts

In the heart of the City our Store is recognized as the best business stand in the City. Our constant aim is to increase the popularity of this popular stand, and make S. A. McDonald's the leading merchandizing centre not only in the City but in the Province. Since opening business on a cash basis it not only enabled us to sell cheaper than any store in the City but has placed us in a position to sell goods cheaper than any Mail Order House in Upper Canada. We ask you to bring to our store any Catalogue from any Mail Order House anywhere and we will duplicate prices on any goods. We have proved it this Season to many who have put us to the test. We ask you as a favor to bring your Catalogue with you to our Store, as it is but fair to yourself and to us to do so. We guarantee to duplicate any prices. We will make an extra saving to you on every purchase.

### Men's Hose

"Men's Hose" extra values, good black Summer Hose full sizes and finished strong and durable.

### Men's Underwear

"Men's Balbriggan Underwear" well finished lined with linen in the front and bands, fine English make, the kind quoted in Mail Order Catalogues for 85c and our low cash prices only 75c.

### Silk Snap

A snap in Summer Silks. This lot at about one half the regular value 65c values for 37c 85c values for 52c and \$1.00 values for 69c.

### Boys' Wash Suits

Boys' Wash Suits: A lady customer of ours sent to a Mail Order House for a Boy's Wash Suit. She came to our Store and saw the identical one which she had paid \$2.15 for and our low

cash price was \$1.95. It is another evidence that we are in a position to quote as low a price and in many cases lower than any Mail Order House. Another lady who had sent away for a dress length brought same to our Store to get "Trimmings" to match. The price paid by her was 85c and our low cash price was 80c making a save of 35c on the suit length at our Store.

We received by express to-day a shipment of Embroidery the values are really excellent. Any of the lines offered are worth considerable more than the prices marked.

## NEW WONDERLAND TONIGHT

### The Great Comedy Reel, Cohen at Coney Island

New Wonderland presents to its patrons tonight Cohen's Trip to Coney Island the funniest and latest reel, just released from the manufacturers. It shows Cohen in "all stages of the game" at Coney Island. See him on the revolving table, see him taking a sea bath in water not deep enough to drown a mosquito, see him shooting the chutes. This reel is too funny for anything and if you want to enjoy a good long loud laugh, don't miss seeing it. There is a sequel to this trip—Cohen's "Dream of Coney Island"—and it is just as funny. The other picture for tonight is "Sheigh", a film of rare merit and one that will interest everyone. A description has already appeared of this excellent film and as other houses on the circuit are clamoring for it, to-night will be the last opportunity to see it as it must positively be re-taken on Saturday morning. The illustrated songs by Min Morehouse "Wont You Come and Play Croquet" is very pretty and appeals strongly to the younger element. The management of this popular theatre are doing everything in their favor to please their patrons—the film is the best procurable, the illustrated songs the very latest, the hall clean, by the best makers, the hall clean, and sanitary and a notable feature, remarked by regular patrons is the system of ventilation, a most necessary adjunct in connection with moving picture theatres. The admission is within reach of all—only 5 cents to any seat.

## Why you should use DUSTBANE

It saves labor in sweeping. It saves one-half your dusting. It saves your carpets and rugs. It saves taking up carpets (it saves your health). It saves your money.

is a green colored powder, packed in tin cans ready for use. In sweeping a carpet, take one or two handfuls, according to the dust. Sprinkle where you are to begin (not all over the carpet) then sweep as you always do. The powder is swept ahead of the broom and falling on the carpet absorbs the dust, leaving the carpet clean and bright. The dust is not thrown into the air to settle back on the carpet and furniture. Dustbane should be used in sweeping carpets, rugs, straw matings and bare floors.

Sickness and Disease are often contracted by breathing into the lungs germ-laden dust. Dustbane contains an anti-septic fluid which kills germs. The evaporation of the fluid while sweeping thoroughly disinfects the room. "An ounce of prevention is worth a pound of cure."
