—The Tryon Women's Missionary Aid Society of the Baptist church held its annual thankoffering service recently which proved very successful financially and spiritually. The new pastor Rev. W. M. Field preached a short and impressive sermon on Monday, after which a short program was enjoyed interspersed with singing by the choir. The collection amounted to \$53.22 cts. At the regular monthly meeting on April 6th the members had the happy privilege of presenting Life Membership Certificates to two of their sisters, Mrs. Philip Foy and Mrs. Wellington Oakes, it being the first time in the annals of this society that so great a pleasure was afforded the members.

—A sad accident occurred in Burlington on April 3rd, which resulted in the death of Mrs. Bryanton of that place. He with others, while repairing Davison's mill-dam got struck on the stomach with a sledge, and despite all that medical skill do, he passed peacefully away on the 7th inst. Mr. Bryanton was highly respected by all who knew him. Thoroughly honest and conscientious, his demise at a comparatively early age will be deeply regretted. Much sympathy is expressed for the bereaved widow and five little children who are left to mourn a loving husband and a kind father. John Dugan, chairman of Committee, has forwarded to Mrs. Wm. Bryanton, the following:—Inasmuch as it has pleased Almighty God to take from you your beloved husband, we the members of Evening Star Division, Spring Valley, wish to extend to you our sincere sympathy, in this the hour of your heart felt sorrow. We feel words are weak to express our sorrow, but we wish to assure you our sympathy is sincere. We will miss him in our Division-room, where he was ever ready with his kindly word of encouragement, and always on the side of right. He will be missed as a neighbor always kind and obliging, with a pleasant smile, and cheerful words for all. He will be missed much more in his home, by you and his dear children of whom he was passionately fond. We feel his place in your affection can never be supplied, yet he earnestly commend you to Him who was promised to be a husband to the widow and a father to the fatherless, and to take care of you, Him, who will never leave nor forsake. Trusting in God for Grace and strength to do his will, we again commend you to His care.

Get Rid of the Dust Nuisance in Your House

Floor-dust carries most of the germs that make doctor's bills count up. Floor-glaize makes floor-dust not worth reckoning with.

Because Floor-glaize, the can't-wear-off enamel in ten shades, practically does glaze a floor. And dust won't lodge on a Floor-glaized floor. Saves a lot of housework,—and banishes a plenty of disease.

Floor-glaize and rug, with the smallest rug, insure the health of the household and make a better-looking house. Anybody can apply Floor-glaize,—a gallon does 500 square feet.

Just as good outdoors as indoors,—and nothing else does so well for either.

Why don't you get your floors disease proof?

Your dealer should have Floor-glaize. Let us know if he hasn't. You would find our Free Book interesting reading. May we send you a copy? Ask on a postcard. Imperial Varnish & Color Co., Limited, of Toronto.

—One of the oldest citizens of Charlottetown, Alta passed away suddenly on April 2nd in the person of James Barclay. The late Mr. Barclay was a native of O'Leary, P. E. I., and has resided and conducted business in the Island up till two years ago when he moved west. He has since that time resided with the members of his family here. He was a man of quiet and gentle manners and of a sturdy spirit which made him largely independent of the help of others even when his own strength was weak and impaired. He was connected with the Presbyterian church and was a loyal and attached member of the Masonic order. The deceased was sixty-nine years of age and a widower. He leaves two sons and a daughter, all in residence there. The oldest son, Wm. Barclay is the manager of the Claresholm Lumber & Grain Co.

Most Successful Millinery Opening in Our History

Never in our experience have we had anything approaching the success which attended our Grand Spring Millinery Opening on this auspicious occasion.

Judging by the way the hats were appropriated, the Easter worshippers this year, will be often distracted by the display of beautiful chapeaus spread out before them, for everyone really seemed bent on securing a new bonnet for Easter.

Unstinted praise and admiration were lavished on the handwork of our new Milliner, who seemed to find her way to the hearts of all, by her charming personality, as well as by the artistic originality of her work. Orders poured into our workroom in a steady stream which is, perhaps, the most sincere compliment which could be paid her.

A sufficient number of hats were shown to fully and amply demonstrate the season's styles—which is after all the prime object of an opening—as everyone at all conversant with millinery conditions, knows that too many stock hats at the beginning of a season, means well thumbed, stale, and unsatisfactory stock before the season is far advanced.

It is our intention to add each week to our stock a sufficient number of new and pretty styles, and in this way always have it fresh, fashionable and up to the minute.

There will be busy fingers during the next few weeks, but that is the condition of things which ambitious milliners enjoy. So place your orders early as we have a large and competent staff to execute them.
