

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown

The latest news, first of all.

The Royal Bank is to open a branch in New York.

E. W. and Mrs. Cochrane, Dorchester, N. B., were visitors in this city last week.

Mrs. Harold L. Alcorn will be at home, 21 Kent Street, each Wednesday afternoon during the present month.

Elsewhere in today's Guardian A. Horne & Co. are advertising a full line of flour and feed in all the best brands. Excellence in grade, and prices within reach of all, makes this firm's different flours and feeds greatly sought after as many years of experience is a sure guarantee of satisfaction.

At the Police Court in this City yesterday the case of Ross vs. Israel was adjourned until Thursday morning at ten o'clock. The cases against several young men for destroying the property of the peanut vendors in the market square were dismissed. A case against the owner of a dog, alleged to be vicious, was dismissed.

Ernest Crockett, Boston, Mass., son of J. T. Crockett, City, leaves this morning on return after spending a few days at his former home here. He holds a responsible position with the well known wholesale fruit firm of Blake, Lee & Co, and is visiting his old home here after an absence of seven years.

Frank McDougall, for several years traveller for Standfield's Limited in Newfoundland, leaves for the West in the course of a few days to push the firm's goods in that part of Canada, probably along the line of the Grand Trunk Pacific, making Winnipeg his headquarters. Mr. McDougall will return East at Christmas time, and if by that time the venture has proved a success he will return taking his family with him. Truro Citizen.

The quarterly meeting of the "Order of Recruits for the ministry," in Zion Church, Charlottetown, P. E. Island, held this week four additional young men enlisted and are attending Prince of Wales college, in that city. This makes a total of thirty young men in connection with Zion Church and within the bounds of P. E. Island Freshy studying for the ministry. Every one of them is making good and more are expected to enlist during this college term.—Presbyterian Witness.

Yesterday afternoon and night H. M. S. Brilliant was in wireless communication with H. M. S. Cornwall. The latter was outside the Narrows, but was unable to enter port owing to the dense fog. She is due here from Plymouth, England, and has a new contingent of cadets on board. She will likely make port this morning, and after a short stay here leaves for Prince Edward Island, West Indies and the Mediterranean. In a last report she was eight miles off Cape Spear, and no doubt will get in as soon as the fog lifts.—St. John's Nfld. Exc. 29th

A very pretty home wedding took place Wednesday noon at the residence of Benj. and Mrs. Houston, Rustico-ville, when their daughter Miss Florence W., became the bride of William L. Murray, son of J. J. Murray, St. Eleazar's. The ceremony was performed by Rev. H. R. Bell, in the presence of only the immediate relatives and friends. Mrs. C. G. Houston, sister-in-law of the bride played the wedding march. The bride was attired in a pretty gown of blue silk and carried a shower bouquet of white asters. Her travelling suit was of blue broad-cloth with hat to match. After the ceremony at which the bride and groom were unattended, a dainty wedding dinner was served. This concluded the happy couple left on the western train for their future home in maine amid showers of rice and accompanied by the good wishes of their friends who assembled at the station. The bride was the recipient of many valuable and useful presents.

At Mt Thom Pictou County, on Saturday there was a reunion of seven brothers of the Davies family, including the genial proprietor of the Plaza and Cliff hotels. The septette was made up of J. J. Davies, Charlottetown, Edward Davies, farmer of Mt Thom, William A. Davies, of Moncton, Superintendent of Water Service, of the I. R. C., A. C. Davies, of Boston, wholesale clothier, D. C. Davies, farmer of Mt Thom, on the homestead, Peter C. Davies, also of Mt Thom, D. F. Davies, of Centralia, Washington, Vice-President of the Eastern Railway and Lumber Company. The other two members of the family, not present at the reunion were Mrs. Alexander Campbell, of Rosthern, Sask., the only sister, and D. R. Davies, of St. Barbara, Cal., who was Superintendent of construction of the Western Union Telegraph Company, of Chicago, for twenty-eight and a half years, but who was obliged to retire from active work owing to paralysis. It has been 30 years since the brothers were all together. A. C. Davies spent this summer at the Cliff with his family, but it has been nine years since D. F. was on the Island. Before coming to Charlottetown, A. C. visited his sister in Rosthern. At Boston he was joined by D. F. and the two came to Moncton, where they met William A. all three coming to Charlottetown. The eight brothers are all splendid specimens of physical manhood, averaging 200 lbs in weight, and the majority standing six feet or over. Those who went abroad left home at an early age, and all have proved themselves worthy and successful members of the community in which they have cast their lot. Sunday they all attended the old church at Mt Thom, and they will remain at the old home for several days before separating again. Death has yet not broken their ranks and judging from their robust appearance is not likely to do for years to come.

IDEAL BEDDING CO. LIMITED
MONTREAL—TORONTO—WINNIPEG

You are only eye-wise when you buy a metal bed. You see but the externals; and you cannot know if the real quality is there. We make it needless that you should see more than this "Ideal" trademark on the footrail. That makes it sure you are buying wisely. For this is the trademark forty inspections made certain the bed might fitly bear.

Forty inspections—to make certain an Ideal-trademarked bed will not rattle; will not wobble; will not fail to stand hard; long service. "Ideal" Metal Beds are made—not merely marketed. Study that idea.

Yes, they may cost a little more—a very little more. But you would not weigh that little against the satisfying knowledge that your "Ideal" Metal Bed is the best bed value you could have bought.

That is true whether you pay three dollars or more than that. For you buy the same quality in every "Ideal" Metal Bed, whatever its price. Read "The Philosophy of Sleep"—an interesting little book we'd like to send you—free. Ask for Booklet No. 136

Beaver Flour

makes more bread to the barrel than any other flour on the market—bread that takes up water readily, "stands up" well in the oven, looks well, tastes well and is light and nutritious.

Being a carefully prepared blend of Manitoba Spring wheat and Ontario Fall wheat, Beaver Flour is also an ideal pastry flour, making the most delicious cakes, pies and biscuits.

Keeping two flours—one for bread and one for pastry—involves unnecessary expense and bother. Beaver Flour is best for both.

Ask your grocer for it.
