Goldwyn's "Hurricane" At Capitol, Summerside

ROMANCE OF SOUTH SEA ISLE

Samuel Goldwyn's long-awaited film version of "The Hurricane" the famous novel from the typewriters of Charles Nordhoff and James Norman Hall, which was made into a Broadway hit last night and proved well-worth waiting for.

The high point of the picture is, of course, the amazing spectacle which gives the story its climax and its name, but the film does not depend upon this alone for its effectiveness. It has tender romance, a picturesque setting, powerful drama—in fact, every element of great motion picture entertainment.

"The Hurricane" introduces an important new star in Jon Hall, the handsome young man of the magnificent physique, whom Goldwyn selected over leading Hollywood names to play Terangi, the native hero of the story.

Dorothy Lamour, who made her screen debut a year or so ago as the native heroine of "The Jungle Princess," appears opposite him as the South Sea belle, Marama, and also scores a triumph in a difficult role.

tempts to escape, but is apprehended and his sentence extended. In the ensuing five years, he makes several unsuccessful attempts and in his final break accidentally kills a guard.

While the search for him is at its height, the great hurricane begins to blow. Unmindful of his own safety, Terangi goes to Manukura to warn the inhabitants and plays a heroic role in the great catastrophe.

Although most of the inhabitants of the island are lost, Terangi is able to save his wife and child and the sympathetic Madame De Laage, beautifully played by Mary Astor, who intercedes with her husband to close his eyes to Terangi's escape to freedom and to give him the C. Aubrey Smith, as usual, gives a splendid performance as the priest, Father Paul, and Thomas Mitchell is excellent as the thirsty Dr. Kersaint. John Carradine and Jerome Cowan also score as the warden and the steamer captain, respectively.

"The Hurricane" offers you a magnificent entertainment with unforgettable climax. Last night's audience felt it rated cheers—and we're sure you'll add yours when you see this great motion picture.

Pioneers Beaten By Red Sox

Smashing out 15 hits and playing one-error ball the Red Sox scored a decisive 12-1 victory over the league leading Pioneers last evening and thereby assured themselves of a playoff berth. It is now up to the Vitamannas and Kensington to decide who the second member of the semi final will be. The Vitamannas have four wins, while Kensington has five wins and five games to play. Should Kensington lose all her remaining games, the Vitamannas win her single game those two would have to play off for third place, otherwise the Vitamannas would be a half blow to last year's champions who have played fairly consistent all season and lost most of their games by one or two runs, especially has this been true in recent encounters.

Last night's game is well told by the box score. The Red Sox played ball that was nothing short of spectacular. They committed only one error, turned in two double plays, one from the infield and the other by A. Morrison in right field after making what appeared to be an impossible catch and then growing beautifully to first. J. Casey pulled down two lovely catches and with H. Landry and A. Morrison shared batting honors each collecting three hits.

W. Arsenault on the Sox mound, backed up in the manner just described could scarcely help but win. Walter kept right in stride with his mates and had the Pioneers eating out of his hand the whole eight innings. He allowed nine hits but kept them well scattered. Four of these hits came from the bat of J. Hunter, the only Pioneer who seemed able to solve "Unks" at all.

Gay on the Pioneer mound was touched for 15 hits and had little chance of getting in the win column with his mates chalking up 12 errors behind him. The balloon went up in the fifth when five errors allowed the Sox four runs on the strength of two hits. The five which they added in the seventh and two in the eighth were unnecessary.

greater contact with the road—reducing wear. Those are outside features that you can see for yourself. There's an inside story, too! The story of Goodyear's exclusive Super-twist cord construction—the most resilient, springy cords known. They easily absorb severe "road-shocks" that would cause ordinary tires to blow out.

Because Goodyears are built to provide every known safety factor, you get a tougher, longer-lasting tire—a tire built to provide many extra miles of safe, sure service. That's why Goodyear mileages are record mileages. And remember—Goodyears cost no more than standard tires!

GOODYEARS ARE FIRST CHOICE TIRES... CHOOSE THEM FOR YOUR NEW CAR

There are thirty-four different Goodyear tires!

You get extra value in Goodyear's heavy duty tires. They provide 50% greater body thickness at only 25% higher cost than standard tires. Both Goodyear's famous "G-3" (illustrated) and the lower priced "R-1" are made in heavy duty 6-ply, as well as standard 4-ply.

More people ride on Goodyear than on any other kind.
