The S. S. Harland will be on East River service on Wednesday, Sept. 21st, Exhibition week, leaving Charlottetown at 5.30 a. m. and 5 p. m. This arrangement will give the people of East River an opportunity to attend the Exhibition on the best race day. There will not be any trip to the River on the following Saturday.

By a telegram received at this office on Saturday evening, it was learned that Percy Pearson and Geo. Prowse of the Victoria A. A. of this city, had won all the bicycle races in Halifax on that day at the Wanderers' sports. Pearson captured the three mile event and Prowse won the one and five mile distances. No time was given. The boys are to be congratulated on their success.

The Guardian regrets to announce the painful accident which occurred Saturday p. m. at the wholesale house Goff & Co., when George Van-Iderstein had the misfortune of having an artery severed in his ankle. Dr Conroy attended the wound and the patient is now doing as well as might be expected. The employees of both departments look forward to his early recovery.

The first match of the Charlottetown Rifle Association for the Brown Challenge Cup will be held this afternoon, commencing at two o'clock. The Y. M. C. A. of this city is now about to assume greater activity at the beginning of the season's work. The bowling alley, which has now been running for several weeks, is being well patronized by the young men and boys and is a source of great enjoyment to all who take part in the game. The season is now for organizing gymnasium classes, Bible classes, etc., and any young men or boys who do not hold tickets would do themselves a favor by securing them at once from the general secretary and so be ready for the full season's work.

A young man, respectfully dressed and having a good appearance, yesterday afternoon entered the bookstore of Gray & Ritchie, King St., and after having made several purchases, tendered the young lady who was waiting on him a \$2 bill, bearing the mark of a Prince Edward Island bank. With the knowledge that there was no such bank in existence at present, the bill was not accepted. It was old and well worn, and this was what attracted attention to it, as well as the scroll work stamped upon it. It is thought that there are other bills of this description being circulated, and if so, people should be careful. The young man who proffered the note, said he had received it at the exhibition.—St. John, Telegraph.
