STAND? T. E. ISLAND

If you are Afflicted With Foul, Offensive Disgusting Catarrh, Your Progress Will be Slow.

Catarrh is a terrible handicap in the business and social world. The extreme offensive nature of the disease, the foul and sickening breath, the everlasting hawking and spitting, the fetid discharge at the nose, the watery eyes and catarrhal conjunctivitis, all combine to make the unfortunate victim one of the most avoided and despised of mankind.

Many first-class, competent men have lost good positions on account of their unbearable presence due to catarrh. The catarrh victim is tabooed socially and his appearance is secretly dreaded. What makes the matter worse is that he does not know himself how offensive he is as his sense of smell, and frequently taste, is destroyed. Leaving out of consideration the suffering, annoyance and danger of the disease, no man can afford, from a business or social standpoint, to have catarrh for one minute if he can possibly avoid it.

Stuart's Catarrh Tablets have done more to stamp out this disease than any known remedy. They strike at the root of the malady and completely expel it from the system. Catarrh is a deep-seated disease and will not yield to local applications, such as sprays, ointments, inhalations, etc. Stuart's Catarrh Tablets cleanse the system and renovate it thoroughly of all impurities. Under their influence all catarrhal poisons are carried off and the blood becomes pure, the eye bright, the breath sweet, discharges cease, the head clears up, the sense of smell and taste are restored and the sufferer becomes sound and well and fit to associate with his fellow-man.

Stuart's Catarrh Tablets are for sale by all druggists at 50 cents a box. The drug list no more thinks of getting along without Stuart's Tablets than he would without his prescription case. The demand for them is so great and their popularity is so universal and their popularity is so great and they have cured so many thousands of people that he would not be considered an up-to-date druggist if he did not keep them in his store and go to some other store to buy their other drugs as well as their Stuart's Catarrh Tablets.

Frightful Dreams.

Dull Headaches.

TERRIBLE PAINS AND A FREQUENT DESIRE TO URINATE. Such were the troubles of Mr. Joseph Leland, Alma N.W.T. He happily found relief in

DOAN'S KIDNEY PILLS.

Here is what he says:—"I was troubled with dull headaches, had frightful dreams, terrible pains in my legs, and a frequent desire to urinate. Noticing Doan's Kidney Pills recommended for kidney trouble, I decided to give them a trial. I procured a box, and was very much surprised at the effectual cure they made. I take a great deal of pleasure in recommending them to all kidney trouble sufferers."

Doan's Kidney Pills help the kidneys to drain off the poisonous impurities which have collected, thus cleansing out the kidneys, bladder, and all the urinary passages. They correct inability to hold the urine, and thus obviate the necessity of getting up many times at night to urinate. Their good results will be immediately felt in all cases of kidney trouble.

Price 50 cents per box, or 9 for \$1.25. At all dealers, or will be mailed direct, on receipt of price, by THE DOAN KIDNEY PILL CO., TORONTO, ONT.

A \$20,000,000 STRIKE.

PARIS, Nov. 27.—In the course of a speech in the Chamber condemning the frequency of strikes at Marseilles, M. Thiers stated that the workmen at that port had lost four million pounds through the last strike. Small traders had been ruined, and in three months the receipts of the P. L. M. Railway Company fell off by \$20,000,000.

Few People Know How Useful it is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose. Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectively clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from their continued use, but on the contrary, great benefit.

A Buffalo physician in speaking of the benefits of charcoal, says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tablets."

Severe Chest Colds And Painful Coughs

Demand Prompt and Active Treatment.

The great danger in troubles of this class is "delay." Don't neglect a Cough or Cold, it can have but one result. It leaves the throat or lungs, or both, affected—Bronchitis, Pneumonia, Asthma, Catarrh and Consumption will surely follow the neglect to cure.

DR. WOOD'S NORWAY PINE SYRUP

will ease the cough, soothe the inflamed throat and loosen the phlegm.

Mrs. Joseph Paradis, Blackwell, Ont., writes:—"I had such a bad cold I could hardly breathe. I noticed Dr. Wood's Norway Pine Syrup advertised, so had my husband get me two bottles—I had only used one before I was cured. I recommended it to a friend, and two bottles cured her after other remedies had failed—we both keep it in the house now and would not be without it. It is the best cough medicine I have ever taken."

Price 25 cents per bottle.
