CY YOUNG'S GREAT PITCHING RECORD

CLYVELAND, Aug. 10.—When Cy Young, the veteran pitcher of the Cleveland Club, won the second game of a double-header from the Washington club at Washington recently after a hard battle of eleven innings, he accomplished a feat unprecedented in the history of the national game. It was his 500th victory during his twenty-one years' connection with the National and American leagues.

No other pitcher in the big organizations has won 500 games, and of all Young's rivals Mathewson, of the Giants, has the best record and he has only 251 games.

In his twenty-one years of pitching Young has failed only three times to win more than half of the games. In 1905 he came within one game of breaking even, but he was handicapped by having the disorganized Boston club behind him.

At that time Boston was about equal to that of the Boston club. The next two years the Boston team went all to pieces and finished with marks of 318 and 336 which were much lower than Young's percentage of victories.

This year he has won only one-third of his battles, but he has pitched great ball and would have won more than half of his games had he not been unfortunate enough to be on the mound on days when the Naps were not hitting. Three times the Clevelanders have been blanked when he was pitching, while on two other occasions they have scored only one run behind him.

Wednesday August 17th ought to be the biggest day of sporting events ever held in the Maritime Provinces and for that reason we felt interested to the degree that we did all within our power to get one of the best "Holiday" Train schedules ever run on the P. E. I. R. All persons coming from Souris, Summerside, Murray Harbor and Georgetown and intermediate points will have ample time to do their shopping before the events start, and as we will offer special bargain inducements for the occasion, we hope for a fair share of your patronage.

White Lawn Waists

The second week in August is rather early to begin cleaning home and we are not doing it in general, but we got a little overstocked in shirt waists and are so anxious to get rid of them again that we marked all our \$1.00 white lawn waists at 49c.

Worsted & Vicuna Men's Suits at \$15.00

Wash Vests

We have about 4 doz. fancy wash vests left and instead of holding them and eventually sell them at their regular price we have decided to let them go at cost plus 10 p. c profit, a good investment for next summer even.

Special Excursions

On Wednesday of next week, the day of the Maritime Championships, there will be run a special schedule of trains, as arranged specially by Mr. B. C. Prowse and Mr. S. A. McLeod, and we hope to see a large gathering from all parts of the Island. Our store will offer special bargains for out-of-town shoppers on that date.

MEN'S FANCY SHIRTS

When we started selling those fancy 70c shirts for 57c other merchants laughed at us, and said we couldn't keep it up for long—the profit was too small—however, the shirts went out in such quantities that we made just about as much as others do by charging up to 75c for the same shirt.
