Messrs. George Kacin and Fred Houghton, Methun, Mass., arrived in Montague Wednesday by seaplane having left Methun Merrimack Long Valley sky port Tuesday morning, making stops at Booth Bay, Maine; Eastport, Maine; St. John, Charlottetown. The boys arrived in Montague

after ten hours flying time. A short time after leaving the seaport the ceiling closed in to 200 feet, which provided inconvenient while flying over the land, but once having reached the sea, the low flying was relatively easy over the waves. The boys intend to remain in Montague until Saturday to enjoy the local scenery and have a go at the local fishing.
