

VICTORIA, THE VILLAGE BY THE SEA

Friends of Mrs. Joseph Ince, Hampton are pleased to learn that she is recovering from her recent severe illness.

Friends of Mr. P. J. Rogerson of Victoria are sorry to learn of his illness at his home here but look forward to his recovery before long.

Mr. Ralph Wotton, Charlottetown, has been spending a happy vacation in Victoria, guest of his grandparents, Mr. and Mrs. Harry Clark.

Miss Freda Howatt and Miss Christine MacLeod, teachers of Victoria School attended the teachers' convention in Charlottetown last week.

Miss Adele MacEachern, Victoria, spent the past week in Charlottetown, guest of her aunt, Mrs. Horace Willis, Mr. Willis and family, Queen Street.

Mr. and Mrs. Donald MacLeod and Mr. and Mrs. Howard Wood, Victoria, attended the Easter Monday night dance at the Charlottetown Hotel.

Miss Kathleen MacDonald, employee of Eaton's Ltd., in Moncton, spent the Easter holidays in Victoria, guest of her parents, Mr. and Mrs. Emmerson MacDonald.

Mrs. S. J. Dunsford, wife of the manager of the Bank of Nova Scotia, Victoria, is spending a pleasant visit with relatives and friends in Ottawa and Montreal.

The Evening Auxiliary of the W. M. S. Victoria held a very successful bean supper in the Hall. The tables were well patronized and a goodly sum was realized.

Mr. and Mrs. Wallace Stewart, Victoria, are spending a delightful holiday in New York, guests of their daughter and son-in-law Dr. and Mrs. Arthur Nightingale.

Mr. Heath MacQuarrie, B.A., of the University of New Brunswick, Fredericton, N.B., spent the Easter holidays in Victoria, guest of his mother, Mrs. Wilfred MacQuarrie.

Friends of Mr. Roy Moore, Hampton, are sorry to learn that he is again a patient in the Prince Edward Island Hospital, Charlottetown, where he spent the greater part of the past year due to a distressing and tedious illness.—V.

Students who spent Easter holidays at their respective homes in the Village by the Sea were Misses Verna and Donalds MacLeod and Mr. Lyman Wood, Prince of Wales, Mr. David Boswell, Mount Allison, Miss Ruthie Boswell, Summerside High School.

Mr. David Boswell student at Mount Allison University, Sackville, N. B., accompanied by his chum, Mr. King MacLeod of Cape Breton spent the Easter holidays in Victoria, guests of Mr. Boswell's parents, Mr. and Mrs. Keith Boswell, The Lealands.

Mr. and Mrs. Sheldon Cameron, Charlottetown, were visitors during the Easter holidays at the home of her parents, Mr. and Mrs. Fred Inman, Victoria. Mr. Cameron is attending Prince of Wales College and Mrs. Cameron has been teaching in West Kent School during the past five weeks, taking over the duties of Miss Mary MacLennan who has been laid aside through illness.

The Easter Sunday service in Victoria United Church was fittingly observed, the pastor Rev. T. G. Head being in charge. The story of the Crucifixion was read from St. Luke's gospel and special numbers during the service were rendered by Miss Donalds MacLeod in the beautiful solo Alone and a trio by Misses Maylea and Ruthie Boswell and Mr. David Boswell choosing that ever popular number The Old Rugged Cross.

The sympathy of the entire community is extended to the relatives of Master Ashley Bartlett whose tragic death by drowning in the icy waters of the millpond, at Crapaud took place on Thursday evening, March 25th. His funeral on Monday, March 29th at St. John's Anglican Church; Crapaud was largely attended by sorrowing relatives and friends. The boy's father was killed in World War II and his mother married again to Mr. Ellsworth Wilson, Crapaud. His grandfather, Mr. Arthur Bartlett resides in River Hebert, N.S.

An affair which took the form of a surprise party was held in Crapaud Hall recently to do honor to Mr. Fred Wotton and Mr. John Parker, veteran mail drivers, who have braved the elements and other trying ordeals that go with the hauling of His Majesty's mails for well nigh forty years and who at all times and seasons have given of their best in an obliging and courteous manner. Mr. Wotton hauled the Bradalbane, Victoria route and Mr. Parker over the Crapaud, Hampton route during this long stretch of years and needless to say their names will go down in Island history as brave men who have made the trips rain or shine in order that others might enjoy the luxury of a daily mail at all seasons of the year. Generous gifts were presented to each one of these respected gentlemen and an enjoyable evening of jolly entertainment had by all who gathered for this worthwhile occasion. We wish for Mr. Wotton and Mr. Parker many years of health and happiness.

Throat Distress May Mean DANGER

When the chest is sore and your cough hangs on, you naturally become worried. One sufferer who was troubled over her condition, writes:

"My throat pained, I coughed a lot. I was worried and wondered what was wrong with me. One of my friends advised me to use Nerviline. I am on my second bottle, and so is my mother. Nerviline is doing mother as much good as it is doing me. I have recommended Nerviline to five friends; they are receiving entire satisfaction also." Nerviline possesses real penetrating power and is a wonderful liniment—its analgesic powers are very great.

and Albany St. Pats played their final game of hockey for the season in Victoria Rink on Tuesday night, March 30th. It was a very fast and exciting game attended by a large and interested crowd of hockey fans. A tie until the end of the last period ended in a victory for the Albany St. Pats. A cup donated by Mr. B. C. Wood, Crapaud, was presented to the winning team by Mr. Kenneth MacLean, Victoria. So another year of hockey has ended at this ever popular rink and ice conditions never were better. Jack Frost contributing largely to the success of the undertaking by his almost constant presence during the past months. This rink has been bought recently by Mr. Howard Wood and Mr. Donald MacLeod, Victoria, and will soon be understood to be re-modelled and made into an up-to-date recreational centre by these two enterprising young men who never for a minute believe in being outmoded but are always on the look out for something modern and something new.

"Leo, this lady swears that when she came to the Zoo yesterday she had fifteen little girls."

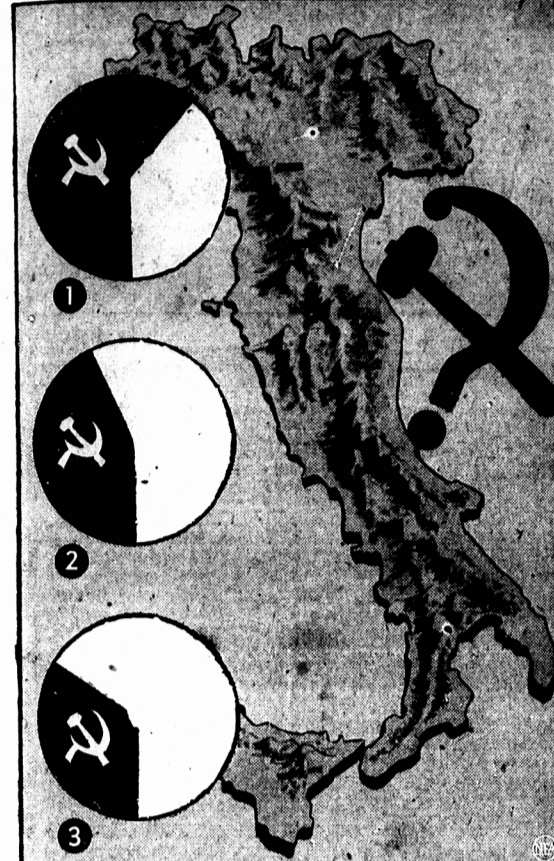

NORTH RIVER Y. P. U.

The regular meeting of the North River Y.P.U. was held at the home of Mr. and Mrs. Lester Younker. The meeting opened by the hymn "When I Survey the Wondrous Cross," followed by

the devotional period which consisted of Matthew 28, read by Arthur Wheatley. The hymn "Near The Cross" was followed by prayer led by Jack MacEachern. Joan MacKinley led the study period. The minutes were heard and approved. Roll call was responded to by 14 members and five visitors. It was decided to drop the play

until next year. The following committees were appointed for the next meeting. Devotional: Aubrey Butler. Prayer: Grace Campbell. Study: Johnnie Sanderson, Aubrey Butler. Program: Elaine MacPhail, Isabel Mutch. Lunch: Blanche MacEachern.

Aubrey Butler, Johnnie Sanderson. The next meeting will be held at the home of Johnnie Sanderson. The business period was closed by the hymn "Rock Of Ages". The rest of the meeting was spent in games. A lunch was served by the hostess. The meeting closed by repeating the Mizpah Benediction.

- 1 If Communists get a real majority, they will immediately attempt to take over complete control of Italy.
2 If they get less than a majority but more than 40 per cent, they will demand representation in the cabinet. This will put them in position to work for a coup such as they executed in Czechoslovakia.
3 If Reds get less than 40 per cent of the vote, their strength in the unions will still enable them to continue trouble-making by calling strikes, demanding wage increases and more food.

CANADA PROVINCE OF PRINCE EDWARD ISLAND IN THE PROBATE COURT

The 8th day of March, A. D. 1948. In Re Estate of RALPH F. WORTHY late of Charlottetown, in Queen's County in the said Province, Accountant, deceased, intestate. How jet propulsion creates employment for Canadians

The principle of the gas turbine has long been known but its most recent application to the jet engine is one of the sensational developments of our time. One of the main problems in these engines is to get metals to stand up under the intense heat and stresses involved. Development work on the gas turbine is now world-wide. Much progress in design and development has already been carried out in Canada. To stand up under the terrific stresses at high temperatures, the important parts of turbines, blowers and combustion chambers in the gas turbine are being made of Inconel, Stainless Steel and other Nickel alloys. Without such heat-resisting metals, these new type engines would not be possible. The International Nickel Company is co-operating to the fullest extent with the technicians who are developing these

new engines, and placing all their technical knowledge regarding Nickel alloys at their disposal. When these new engines are brought into volume production thousands of Canadians will be employed in making this entirely new source of motive power available to industry and transportation. This and numerous other present-day developments will provide new markets for Canadian Nickel, and so provide jobs for the thousands of men employed in the Canadian Nickel industry. Thus does research develop better products, create more employment.
