AUCTION SALE

OF PROPERTY
ON ST. PETER'S PAVED HIGHWAY - 1 MILE FROM CITY
Opposite S. R. JOHNSTON LTD. (Ford Dealers)
THURSDAY, AUGUST 18th - AT 10:30 A.M.

I am instructed by G. Stewart Mackay to sell his property, consisting of 12-room dwelling with bath, electric lights, automatic pump with pumphouse and two other small buildings. This property is in first class condition, having just received a complete redecorating inside and out, with a large lot of approximately 130 ft. frontage on St. Peters Rd. and 200 ft. deep, with beautiful trees and hedges; also some small fruit trees. An ideal situation for a tourist home as it is capable of sleeping 20 people, or it can be converted into two apartments; also very suitable for a family with children attending college or as a convalescent home. Having a wonderful view of the harbor and city, this property is part of Mr. Mackay's new Sub-Division, known as Mt. Edward Heights Sub-Division, which consists of approximately 90 large building lots that are well situated and are all in a restricted area with only nice modern homes being built. This alone protects the property now offered for sale. House is heated with a new hot air furnace and has a stock of coal on hand; it also has a good kitchen range with hot water boiler attached ready to work. Make it a date to be present at this sale. Everything is spic and span to step into, no cleaning, papering or painting to do. Immediate possession.
House will be open for inspection morning of sale.
W. H. BEATON, Auctioneer.
