Primroses Eliminate Abbies From Playdowns

Abbie Intermediates, last year's Island champs, came to the end of their hockey trail for 1934 last night when they were turned back 5 to 2 by a fast skating band of Montague Primroses in the second and final game of their two-game series.

Largely responsible for the locals' defeat was their old teammate, "Tid" McEwen, this year performing in the Primrose net. "Tid" pulled off some spectacular goal-guarding as the desperate Abbie team sent four and five men up as early as halfway through the second period in a desperate effort to even the count.

The game, witnessed by a small crowd, was wide open from start to finish with rugged checking and some smart combination plays dished out. The visitors outplayed the locals in the opening period but were forced back on the defensive as the Abbies raced in in the final two sessions, only to be turned back by the cool McEwen.

Primroses earned a one goal lead in the first session, playing short-handed at the time. Grant broke fast from a gang attack and when forced behind the net sent a short pass out to Ken Beer in front of the Abbie net. Beer made no mistake as he dented the twines behind Johnson.

Three minutes after the start of the second period Lowell Poole made it 2-0 as he picked up his own rebound to beat the local guardian from five feet out. McCabe was serving a penalty at the time. Abbies took the bit in their teeth after this counter to outplay the Primroses by a wide margin. "Darb" McMahon made it 2-1 as he blasted Frank Acorn's pass high into the cage. Six minutes later "Duck" evened it up on a beautiful solo rush through the entire Eastern team.

A final period drive saw the losers send every man up to keep play inside the Montague blueline but overanxiousness and great net-minding foiled their attempts.

Penalties to Grant and Watterworth further heightened the excitement, but the winners hung grimly on till the offenders returned.

Ken Beer's snap shot from the Abbie blueline sent the Primroses into a 3-2 lead at the five minute mark and proved to be the turning point of the game.

Abbies kept up the pressure however but just couldn't click or beat the acrobatic McEwen. Six minutes from the end Watterworth and Currie broke away with the latter lifting the defenceman's short pass past Johnson. Not a minute later Currie broke away again to go right in and register the final goal of the game.

While McEwen stole most of the spotlight from the winners, nevertheless the defence duo of Watterworth and McCarron proved a tough obstacle to hurdle, while the fast-skating line of Beer, Grant and Poole turned in a great exhibition.

Frank Acorn was easily the pick of the city team, playing a spectacular game all through, his fast-breaking darts into enemy territory being a constant threat to the visitors. Murray Carmichael, hard-hitting defenceman of the locals, handed out some hefty wallops to incoming Primrose forwards during the fray and defensively was a tower of strength. Young Keith Johnson is also due for some praise. Although beaten five times during the tilt, nevertheless he pulled off some brilliant saves, not having a chance on four of the five counters.

N.H.L. SCORING LISTS SHOW LITTLE CHANGE

Conacher Trailed By Boucher in W. i. t May be Termed Free Scoring Week.

(C. P. By Guardian's Special Wire)

MONTREAL, Feb. 26—A week of heavy scoring in which Saturday night games were outstanding in number of goals, found points leaders in the National Hockey League ably upholding their end, with the result the top positions were unchanged.

Figures issued tonight by President Frank Calder showed that Charlie Conacher, in accumulating three points against New York Rangers Saturday held his lead of six points over Frank Boucher, Rangers' centre, with Joe Primeau, Toronto, third a point behind Frank.

Step Out

Toronto's "k'd line," by piling up points, opened an even wider lead in their domination of the Canadian section, Conacher has 28 goals, 18 assists for 46 points; Primeau 13-26-39 and Harvey Jackson 19-18-37.

Next comes Aurel Joliat of Canadiens but he is seven points behind with 18-12-30, having secured but two points in the week. Earl Roche picked up three points to reach fifth place while the ever green Frank "King" Clan... of defenceman, held sixth.

Little Change

The United States section showed little change. Boucher's 13-27-40 kept his wide lead intact. Marty Barry of Boston, who scored a couple points at Ottawa Saturday night, was second with 20-12-32 tied with Cecil Dillon, Rangers, 8-24-32.

The penalty honor role is still headed by Boucher with but two minutes in the box.

Red Horner of Toronto is the league bad man with 127 minutes while Lionel Conacher, Chicago, held second with 64, 10 minutes more than Nels Stewart, Boston.

Carnera Favored To Retain Title Against Loughran

(By Edward J. Neil, Associated Press Sports Writer)

MIAMI Fla., Feb. 26—(Associated Press)—All that can be done apparently has been done for the battle of the fallen arches, the 15-round heavyweight title defence of heavy treading Primo Carnera against Tommy Loughran Wednesday night.

The warriors finished batting practice today, the Miami Boxing Commission picked a pair of judges to officiate with Referee Leo Shea, and Louis K. MacReynolds, chairman of the Commission passed judgment on the sinister reports that Carnera planned to tread with all his 260 pounds upon the challenger's weak arches in a deliberate effort to further his own cause.

Feet and All

"Fighters," said MacReynolds, must protect their feet just as they do their jaws. There is no foul in stepping on another man's foot in a fight. The other man shouldn't leave his feet where they can be stepped on."

Thus did MacReynolds dispose of the protest of Philadelphia sports writer that Carnera, who broke a bone in George Manley's foot during one sparring workout, and yesterday tread heavily on Buck Everett, another boxing mate, incapacitating him also, intended to do likewise with Loughran. Tommy has a bone in his right foot that has twice been dislocated. The writer thus insinuated that Carnera was practicing to turn that weak arch into an Achilles heel with his own footwork if the going got rough late Wednesday night.

Sales Lag

While the challenger eased off, in his work at West Palm Beach the ticket sales lagged as the rain flooded down. Predictions of probable gate receipts were scaled down to $75,000. Carnera still is held a 3-to-1 favorite and there will be no broadcast of the match, scheduled to start at 10 p. m., E. S. T.

Loughran closed his boxing preparations at West Palm Beach as confident as ever that he will win the title. He boxed two rounds each with Jack Pettifer, Ace Clarke and Ed Hogan, and was particularly careful to avoid the possibility of cut features. He weighed 185 pounds.

Timely Tips On Sport

Ches Gregory and his Abbies leave this morning for Halifax, all in apparent good trim and full of confidence. However, they realise that they are up against the real thing and know that the Wolverines will put a very strong team on the ice. Our lineup is—Goal, McCann; defence, Gross, Walker; centres, Currie, Kane; right wings, Hudson, Kelly; left wings, Nicholson, Lawlor, Frank Acorn. Jack Ahearn goes along as trainer.

The Wolverines lineup is expected to be—Goal, Sargent; defence, Graham, Ferguson; right wings, Shields, Porteous; centres, Cowley, Mosher; left wings, Lennon, Gagnon; utility man, Chummie Lawlor.

It will be seen from the above that Halifax will have a very strong team. The sick have about fully recovered and have had several practices and you can bet your last dollar that they are going to fight right from the drop of the hat, as the winning of this series means a tremendous lot to Halifax.

On the other hand the Abbies have been steadily improving, particularly in their work around the nets and even though some of the stalwarts are absent from the line-up those making the trip will be a formidable team and we are sure will carry with them the best wishes of Prince Edward Island for their success.

There has been quite a number of requests for broadcasting the game here on Friday night and Halifax management have also been asked to broadcast Wednesday's game from Halifax. We understand that a large Canadian concern has offered a considerable sum of money to certain broadcasting stations, etc., to carry the Maritime playoff games and would send down a celebrated Upper Canadian announcer. However, the rinks, which have had the toughest kind of a winter due to the unprecedented weather conditions and other causes feel that now is the time when they can hope to have good houses in order to meet liabilities and end up the season feeling like carrying on again in 1934-35.

Some idea of what the rinks are up against may be judged by the fact that travelling expenses, coach's salary, referees fees alone run to over $6,000. It is hoped that the fans will turn out en masse on Friday night and get behind their own team so strongly that the support will enthuse and encourage the boys and management. If we can hurtle past Halifax there is a very good chance of taking Moncton into camp and then going further afield.

The Halifax Herald of yesterday morning states that Jack Conn is out with the announcement that every member of the Wolverines with the exception of Frankie Lavigne will be in harness against the Abbies on Wednesday night and that Jack Dugan of Ottawa will be in Halifax to officiate. There is big interest being taken in these games in Halifax and there is every expectation of a sell out of their 7,000 seats.

The Ottawa Citizen gives Jack Dugan who is to referee the Maritime playoffs, a great send off, stating that he has been an efficient official all season and should prove acceptable to Maritime Clubs. That he will have his work cut out for him to please the Halifax fans is our opinion!

The Junior Abbies will hold a practice at 1.30 today. All are requested to be present.

Saints Lose To Mounties

(C. P. by Guardian's Special Wire)

MONCTON, Feb. 26—Mount Allison University hockey team defeated St. Joseph University here tonight in the concluding game of the New Brunswick intercollegiate hockey league 7-0.

The Allisonians scored one goal in the first period, three in the second and three more in the third. The front line of Robertson-Miller-English, with Jonah moving up from defence to take part in a number of raids, accounted for all seven goals.

With a sounder defence and at least one forward line that gave a high class performance of teamplay, Mount Allison had things pretty much their own way tonight. St. Josephs attacks were mostly broken up at the Mt. A. blue line, while Dickie played well in the nets for the visitors when the occasion demanded.

The game had no direct bearing on the league as U. N. B. had previously been declared champions of the circuit.

The winner of this series will meet the winner of the Central Senior League at the former's home ice on Thursday night, the return match with Mount Allison University to be at Sackville on Saturday.

BEAVERS OVERWHELM WOLF SQUAD

Tail-enders Pile Up 13-1 Score Against Red Stuart's Crew.

(C. P. By Guardian's Special Wire)

SAINT JOHN, N. B., Feb. 26—Tail-enders of the Maritime Hockey League throughout the season, Saint John Beavers wound up the regular league schedule here tonight by overwhelmingly defeating the second-place Halifax Wolverines 13-1. It was the eighth win for Beavers out of 41 games. Moncton, Halifax and Charlottetown, in first, second and third places respectively, will play off for the "Big Four" title.

Two goals in the first period, seven in the second and four in the third did the trick for Beavers tonight. Donald and Dickson contributed four each. Gagnon saved Halifax from a shutout in the third.

Saint John gained the upper hand at the start of play and kept it throughout. Playing with a different line-up than they used in most of their previous league games, Wolverines were disorganised. Beavers easily broke through the opposing defence, and the Halifax goalie had a bad night. Of the 51 shots he stopped, most were from close in, while the shots deflected by Wilson were mostly at long range.

Beavers opened the scoring early in the first period, after Shields' searing shot had been cleverly blocked by Wilson. McNeill started the play, slipping a pass to Houston. The little right winger banged the rubber to Dickson, who sent it into the hemp.

Houston and Donald combined for the second tally, the latter laying a swift flat pass on the wingman's stick as they crossed the blue line. Houston bided his time as he coasted in to sink his shot.

Donald started the scoring splurge inside the first minute of the second stanza. He and Houston dove in together and made it no. 3. Seventy seconds later Donald registered again. Flanked by Draper he streaked deep into Wolverine terrain faked a pass and beat the goalie with ease.

The whole regular front line of Beavers was in on the next scoring play and Donald hung up his third goal in succession during a mad scrimmage around the Halifax cage. The same line figured in the next marker for the homesters. Dickson tapping Houston's assist into the net after Donald had given the puck to the little Ottawa man.

Shields' penalty occurred immediately following and the Haligonian had no sooner settled down than Gammon sailed down left wing, weaved in front of the defence and sent a drive past Cameron. Draper, with McNeill to his left, skated in close as the opposing defence backed up. He zipped a hard one in to make it 8-0 and Beavers' third tally within 38 seconds.

Donald fired as he went over the final blue line to close out the period's scoring bee. His shot, a trifle from the left, caromed off the goalie's pads and into the strings. Six minutes of the verse remained but Beavers missed numerous chances in their eagerness to pile up the score. Three great stops by Cameron featured the closing minutes.

Halifax finally chalked up a marker early in the third period when Gagnon sauntered down midice, weaved to the left, had his shot saved by Wilson and then managed to poke the disc beneath the prone goalie. Meanwhile Cameron was putting on a fanciful display of net-minding and cheating Beavers of several goals.

The locals soon recovered their poise, began flashing the puck around in smart passing thrusts and renewed their scoring. Goals rattled in from the sticks of Gammon and Young 65 seconds apart. Reist, trying valiantly for his first counter of the season, was outlucked when in close and Gammon rode up to sink Barney's rebound. Gammon passed to Young just inside the blue line and the youngster's high shot burned past Cameron.

Dickson circled back of the Halifax cage to end the scoring after making it 12-1 aided by Gammon and Young in a bewildering dash. He secured the rubber from McNeill before whirling through and out again to slam it into the draperies for the final count.

S'side Hockey Club Take... Round From O'Leary 11-...

Down two goals as result of a 5-7 defeat at O'Leary last week the Summerside Hockey Club wiped out the deficit, last night at the Crystal rink in the first period, and rammed in nine more counters to the visitors two in the remaining sessions to take the round 11 to 7.

The win gives the Club boys the right to play Bedeque for the semi final championship of the western section of P. E. Island intermediate hockey and the MacLean Cup.

The game was fast and exciting from start to finish, played on a perfect sheet of ice. Schurman excelled himself in the nets, and stopped all the rubber that came his way till the dying moments of the game when Vernon McAusland slammed in two smart goals in quick succession to save O'Leary from a whitewashing. Woodside opened the scoring when he bunted a loose puck past Lidstone in the first few minutes of play. D. Steele brought the count up to 7 all when he drove a hard shot into the corner of the net towards the last of the first period.

In the opening minutes of the second session Montgomery on a clever rush took the disc up to the goal mouth and flipped it over to Mac Steele who shoved the puck into the corner of the net for one of the prettiest goals of the evening. D. Steele scored on a pass from Dickie and again from a mix up in front of the nets. A few minutes before the bell Schurman and Montgomery combined in neat play for the fourth goal in this period.

The third period was a succession of goals for Summerside Hockey Club, with Schurman stopping some hard shots from the O'Leary boys. Schurman, Woodside and Montgomery and D. Steele each netted a score in the first half of the period. In the last five minutes of play V. McAusland bore in twice on smart plays and nettled O'Leary's two goals, and as a final touch Schurman and Montgomery again combined for the last counter just before the gong.

LINEUPS

Summerside: Goal, H. Schurman; Defence, M. Steele, Lea; Forwards, J. Schurman, F. Woodside, Montgomery, Dickie, D. Steele.

O'Leary Maroons: Goal, Lidston; Defence, Vatcher, Bernard; Forwards, Easter, W. MacAusland, V. MacAusland, Carruthers, Malley, MacDonald.

MacCorkindale On Way To England To Meet Harvey

(C. P. By Guardian's Special Wire)

HALIFAX, Feb. 25—Hopeful of an early shot at young Len Harvey's British Empire heavyweight titles, Don McCorkindale, rugged South African fighter, reached Halifax today on the way to England after a five months' visit to the United States.

McCorkindale, a passenger on the Cunard liner Alaunia with his wife, said his manager had "just about completed" negotiations for a title scrap with Harvey, the English champion who stripped Toronto's Larry Gains of his British Empire crown a few weeks ago.

Confident

And he was confident that this time both titles would change hands. "I think I can take him," McCorkindale said, though he added the tough Harvey would prove no easy opponent in spite of his light poundage for a heavyweight —he gave Gains more than 20 pounds in their London engagement.

The fight, McCorkindale thought, should take place within the next three months. At the end of that time he's going back to the United States to look for another scrap with King Levinsky, who recently took a decision from him. "I think I can beat him this time," asserted the South African fighter, who claimed he was handicapped in their last fight by a spine injury.

Crack at Heavy Title

McCorkindale said he regarded the Levinsky scrap as a stepping stone to a crack at Primo Carnera's world heavyweight title. But he didn't care to venture an opinion as to his chances against the Italian man mountain.

Don, though, didn't mind telling the press how he looked on the chances of the other heavyweight contenders. He thought Carnera would polish off Tommy Loughran his next opponent, with ease. Max Baer, perhaps, would put up a better fight, but the huge Carnera would dispose of him too.

"I think Baer has been out of training too long—too much Hollywood," he explained. As for Loughran, he didn't have the punch to put away the garguantuan titleholder.

McCorkindale will be sailing for England Tuesday. The liner docked here this morning from New York.

Former Hub Stars Are Brilliant

(C. P. by Guardian's Special Wire)

MONTREAL, Feb 26—With a chance at the Memorial Cup dangling as bait, Royals and Canadiens tonight played a 2-2 draw in the first of their two-game total-goal series for the championship of the Quebec Junior Amateur Hockey Association.

Royals, defending the provincial championship, scored once in each of the first and second periods but were held scoreless in the third when Canadiens ran in two goals and evened the count.

McKay and Kendrick were the champions' marksmen while Ritchot and Malenfant tallied for Canadiens. The French club finished first in the season's final standing while Royals advanced to the final by eliminating Victorias in a two-game series.

Moncton's contribution to Canadiens, Bourque, the goalie, and Malenfant, left winger, played brilliantly. The third period was spotted with fights as the going got rough. Malenfant and Lorimer almost came to blows back of the Canadien goal and were benched for three minutes. A fight broke out between Croghan, Royals and Bergeron, Canadiens which resulted in players swarming on to the ice but officials quelled it, giving the two combatants five minute penalties.

Mt. A. Would Withdraw From Hockey Circuit

SACKVILLE, N. B., Feb 26—(By The Canadian Press)—Mount Allison University Athletic Association has called a meeting for Tuesday night, when the following motion will be voted on:

"Whereas we feel we have been unfairly treated by the Maritime Intercollegiate Union in the matter of a recent New Brunswick Intercollegiate hockey dispute, we resolve to withdraw from further Intercollegiate competition unless said dispute be settled by a sudden death game between Mt. A. and University of New Brunswick, on neutral ice, to decide the Provincial Intercollegiate champion, both teams to pay their own expenses."

U. N. B. was awarded the championship at a meeting of the M. I. U. officials at Amherst on Saturday. The award was based on a ruling that overtime should be limited to 10 minutes. In the first game of the series the teams were still tied at the end of the regular overtime period but Mt. A. scored a goal in a third 10-minute overtime session. The M. I. U., however, called the match a tie, which gave U. N. B. the series by virtue of their later victory.
