ROVERS TAKE SOCCER GAME FROM SAILORS

Ville D'Ys Goes Down To Defeat By 1-0 Score.

The soccer match at Victoria Park yesterday between the Old Country Rovers and the team from the French warship, "Ville D'Ys" was a keenly contested game, and was won by the former team by a score of 1-0. A large crowd of spectators witnessed the match, and enthusiasm ran high. The Navy boys put a smooth working, fast and heady team on the field, but seemed unable to fathom the Rovers' defensive tactics. In fact so well did the homester's back function that Jemmett in goal did not go into action once in the first half, and only two or three times in the second.

The lone score was the result of a penalty kick called inside the penalty area on the "Ville D'Ys" for "hands". Smith, the Rovers' right back, who took the kick made no mistake and did not give Roux a chance.

Following the tally the sailors pressed hard for a score, but the Rovers' defensive system was sound and held off many determined onslaughts.

Chick Williams refereed the game to the satisfaction of all.

Following were the line-ups:—

Rovers	Goal	Ville D'Ys
Jemmett	Right Back	Roux
Wright	Left Back	Seguin
Smith	Centre Half	Phyriaher
Joe Hunter	Right Half	Phalip
	Left Half	Perrot
Adair	Outside Right	Chevalier
Bevans	Inside Right	Demacon
Cooker	Centre	Le Herve
Calpeck	Inside Left	Node
Kenslow	Outside Left	Garnier
Burnett	Sub	Ouvrer

Old Timers Are Champions

On the Holy Name Club Alleys Tuesday night the deciding match in the play-off series of the 1932-33 tournament was rolled between the Old Timers, Five Aces and Social Club winners of the 1st, 2nd and 3rd sections of the league, and resulted in a win for the Old Timers by a margin of 99 pins over the Five Aces, who were in second place. The Old Timers who were trailing in the first two games last night, came back strong in the third to win out by the above margin.

Some good scores were put on during the match, and some of the best bowling of the season was witnessed by the large number of fans who were present to encourage their favourites to victory.

Timely Tips On Sport

Messrs. Milligan & Morrison's announcement of night Horse Racing at Northam on June 21st has created lively interest among turfites and sport patrons generally. It is a lovely outing at anytime, but more especially in the leafy month of June, and there is sure to be a crowd from all over the Island at this novelty feature. The dance programme in the magnificent new hall is another feature that will appeal to patrons, and everything bids fair for a successful meeting at Northam on the night of the 21st.

SOCCER

Probably the good old English games are coming back—judging by the interest and the large number who witnessed the soccer match at Victoria Park yesterday one would truly believe that cycles in sport as well as in times are a reality.

Should Charlottetown's overnight enthusiasm for soccer prevail no doubt a game or a series of games with Summerside or Margate could be arranged to lend an added interest to the sport. Although several fans were heard to say that the game lacked action in spots, it must be remembered that this is the first time in a number of years that soccer has come into its own and with a little backing and competition a first class team could be organized.

On the whole the game yesterday was hard fought, and had it not been for the penalty shot early in the game a different story might have been the result. Soccer practice tonight at 6 o'clock.

CRICKET

As a result of a meeting held at the Y. M. C. A. earlier in the week the long dormant equipment of the old Charlottetown Cricket Club was resurrected and several past members recruited by a number of the younger fry gathered at the Victoria Park to revive interest in the game.

It appears that this once popular game is on a comeback.

At a meeting held after the practice at the "Y" a cricket committee consisting of the following was elected: Mr. E. V. Bell, Chairman, Mr. John Turner, Mr. H. Smith, Mr. F. Wright, Mr. T. Thompson, Mr. F. H. Stanley. Next practice Friday evening.

ERROR

A regrettable error occurred when the boxing bouts to be staged at the Armouries tonight read for last evening in a previous announcement.

With The Horsemen

Vic Doup, prominent Maine horseman, will return to his native province of Prince Edward Island this week with a string of five fast steppers. He will campaign the Island circuit during the summer. Johnny Conroy, with the Pullon string, also is expected to arrive soon from the States.

CHALLENGE

I the undersigned challenge Harold McCallum to a boxing bout, the particulars to be arranged later if he is willing to box. I will box him either here or in Charlottetown.

JOHN MACDONALD Summerside, P. E. I., June 14, '32

CONVICTION OBTAINED IN SUPREME COURT

Theft Case Disposed of At Yesterday's Session at Summerside.

A verdict of guilty, with a strong recommendation for suspended sentence, was given by a Supreme Court jury at Summerside yesterday in the case of The King vs. Urban Hickey, charged with stealing the sum of \$54.25 from the office of M. F. Schurman, of Kensington.

The case opened at Summerside yesterday morning before Chief Justice Mathieson, and the jurors: Beatty Crozier, (foreman), Everett Ramsay, Robert Barrett, Alex Deigan, Bruce Curtis, Heath Caseley, Chester Howard, Parnes Phillips, Claude Delaney, Arthur Wright, Percy Allen and Harry Cullett. Counsel for the Crown were Mr.

J. A. McDonald, K.C., and Mr. E. H. Strong, K.C. For the defense, Mr. Thane A. Campbell, K.C., and Mr. Watson McNaught.

Two witnesses were heard for the Crown before recess. Mr. J. B. Profit, who has charge of the office, testified that as he was going down the street at noon on April 29th, he saw prisoner going into the office. He asked him what he was doing there and the prisoner replied that he went in to get some money. Prisoner returned the money to him. Sergeant Robert McDonald, of the R. C. M. P. gave evidence that he arrested prisoner and also of a statement made by prisoner to him. Court then took recess.

Joseph Gillis gave evidence for the Crown after recess. The prisoner went on the stand on his own behalf. He stated that he was working at home in the morning and went out to buy some lime. He went into Schurman's office. He needed money to pay for a suit and pried open the drawer and took the money. He was leaving by the back door but realizing that he should not have taken it, turned back. Mr. Profit came in and asked him what he was doing. He held him he had to borrow some money. He returned the money to Mr. Profit.

This closed the case for the defence. Mr. Campbell, K.C., addressed the jury for the defence and Mr. McDonald, K.C., for the Crown. After receiving the charge from the Court, the jury retired and in a short while returned with the verdict above given.
