### The Public Forum

(Continued from page 5.)

Senator Bill Martin this afternoon introduced a concurrent resolution urging that a proposal to close the North Dakota University, the Agricultural College and the Teachers' College at Valley City for a period of two years be submitted to the people for a vote. Under the proposal these State institutions would remain closed for two years and not be reopened unless the faculties pledged themselves not to ask for further increases in appropriations.

#### PROHIBIT LATE REVIVALS

Plain speaking by Editor W. B. Townsend in his Dalhousie (Georgian) Nugget: "We have often said that there is more harm accomplished by late night revival services than good. We are told that several boys and girls met on Crown Mountain last Sunday night when their parents likely thought they were at Pelee Island Church. Some were there drinking, while one or two were in the lock-up. This is why we say that but little if any good is accomplished. The Lord needs rest same as the people who meet for a big to-do so often. If a person has religion, what is the use of being eternally calling the Lord's attention to it? He knows all about it. And if you have no religion and want it wait till morning. The Lord will save it for you. This would cut out a lot of mischief and avoid countless illegitimate children."

#### BILLY SUNDAY'S TESTIMONY

Sabbath recreations in Atlanta. (Ga.) as described by Rev. Billy Sunday, reported in the eminent Atlanta Constitution: "I have been in Atlanta five years and, so far as I can remember, there has never been a Sunday afternoon during which I have not been invited on one or more parties where the principal amusement was poker or dice and drinking. Many of these affairs are stag, more or mixed. If mixed, the gambling is replaced by the victrola and dancing, but the drinking is always present."

#### Keep Moulding in Place

On many makes of cars, the running board moulding is a thin metal strip which is susceptible to looseness. In winter, particularly, it suffers from the practice of many car owners of scraping their shoes on it before entering the car. If the moulding shows signs of breaking loose, the motorist probably will find reattachment but a moment's task. Allowing it to go unrepaired will result in breakage with decidedly bad effect upon the appearance of the car.

#### To Rename Ships

LONDON, Feb. 4.—The Admiralty announced today that approval had been given for the re-naming of the destroyers Torbay and Toredor to the "Vancouver" and "Champlain" respectively. The vessels are to shortly replace the Canadian Government destroyers Patriot and Patrician, pending construction of new destroyers to permanently take the place of these two vessels which are to be taken from the service.

### East Prince Hockey Notes

(By "Wandering Scribe")  
Greyhounds vs. Beavers (Bedford) on Cape Traverse rink, Jan. 26th. Score 2-1 Greyhounds leading.

The game as usual with East Prince games was late starting, and owing to a heavy gale blowing right into the open air rink was slow.

Period 1—End to end play with a score of 1-1.  
Period 2—Just about the same with play slightly in favor of Greyhounds, score at end of period 2-1.

Period 3—Both doing all possible under such circumstances but no change made. Final score Greyhounds 2—Beavers 1.

By Periods  
Bedford 1st—MacDonald on a wing shot 1.  
Cape Traverse 1st—Clint Howatt on an end-to-end run, 1.  
Cape Traverse 2nd—Clint Howatt, pass from B. Clark, 1.

At Borden Monday night, Jan. 30th, Nationals vs. St. Pats, score Nationals 10, St. Pats 5. Noonan, not with St. Pats who lined up, Curtis, Tierney, and Lyman, McLeod, Dawson, Thomas and Walsh. Opposing them the Nationals lined up: Gaudet, MacPherson and MacAleer, Lorne MacAleer, Paquet, Ralph MacAleer, Rogers, Gaudet.

The pace was warm from the face-off and soon the St. Pats found without "Handy Ardy the Oil King," they faced the Nationals. When the gong sounded the end of period one, Borden had 3, while Albany was holding close to them with 2 Paquet and MacPherson scored for Borden and MacLeod for Albany.

Period 2. In this stirring and exciting period, Borden got three more while Albany got only one. Again Paquet and MacPherson scored, while Tierney netted for Albany.

Poole's restaurant where a sumptuous breakfast was served in Mrs. Poole's best style where much credit is due her for her kind interest in making the event happy for the young couple while there. After the course of a few hours the wedding couple drove to the home of the bride's Mr. Leonard Mooney where a dinner was served to a few intimate friends of the bridal couple and after a few pleasant hours of entertainment and musical programme the couple drove to the home of the groom, Mr. Burns Holland where they were happily greeted and a supper awaited them in Mrs. Holland's best style.
