Minister Acquires Boston Hydro Plant

LONDON, March 10—(By The Canadian Press)—An interesting development in religious enterprise on non-sectarian lines is witnessed in the purchase of Baslow Hydro by the Rev. Howard May, a famous Methodist missionary. Baslow is one of the best-known of villages in the beautiful Derbyshire countryside, and the Hydro, or health resort, was for many years a favorite place of holiday with people of some means from cities like Manchester and Sheffield and places further off. It cost \$210,000 to build, but when it came into the market recently bidders were shy, and it is understood Mr. May has secured it for \$26,000. Mr. May announces the intentions of himself and others associated with him in the purchase are to make Baslow Hydro "a generating station of Christian thought and Christian living, without any sort of sectarian label, which will have an international as well as a national perspective." Several well-known people are furnishing rooms in memory of friends who have passed over, and a considerable amount of money in addition is being spent in general reconditioning.

France Tightening Import Duties

PARIS, Mar. 10—(By The Canadian Press)—Reports that the French Government will place a fresh duty on Canadian wheat on the expiration of the Franco-Canadian trade treaty in June have no substantiation. It was learned today the government has not reached a decision, and such ac-

tion is described as very improbable. It is pointed out France is bound to import wheat, as her own production is short, and duties would merely increase the cost of bread to the consumer without benefiting the domestic wheat producer.

The Ministry of Agriculture today put into force drastic restrictions on the importation of fresh fruits and live plants, which affect Canada among other countries. This, however, is a routine step to guard against the introduction of the parasite known as the "San Jose Louse," which is of Californian origin.

The decree regarding fresh fruits and live plants prohibits imports of these products grown or coming from the United States, or coming from Australia, Canada, China, Japan and New Zealand. This is modified by a provision permitting importation from the prohibited countries on certain categories of fruit if they are guaranteed free from blight and after severe examination in France.

LOOKING FORWARD TO UNION

LONDON, March 10—(By The Canadian Press)—Another conference has been arranged this month in connection with the movement for the union of the Free Church of Scotland, the Reformed Presbyterian Church of Scotland, and the Synod of United Original Seceders. It is hoped to prepare a statement for submission to the respective courts this year, and in all probability union will be achieved next year.

Punches And Thrills In Jones' "Branded"

Twice in the shadow of the gallows. That's the experience of Buck Jones in "Branded," his latest starring vehicle for Columbia Pictures, showing now at the Capitol Theatre.

Once he is framed in a deal, that threatens to implicate him as a cattle rustler, one of the most serious breaches of range-law. The cowboys decide to settle this in their own way—lynching. It is only by some unexpected coincidences that he escapes punishment.

The second time that the hangman's noose dangerously approaches Buck's throat is also the result of an unjust conviction. But it arises from a cause, which is considered serious in the law of all-robbing the mail. Circumstantial evidence indicates him as the "marked man." A surprise climax is said to clear his name of this crime and bring the picture to a happy conclusion after a series of events that involve him in darddevilry of the highest order. But Buck Jones thrives on roles of that type.

Supporting the well-known western star are Ethel Kenyon, who plays the feminine lead, Al Smith, Wallace MacDonald, Bob Kortman and John Oscar.

The Winning Team Fails to Win, in This Talkie

That's keynote of Realism in "Touchdown" at Rialto; Richard Arlen is Hero

Thrills came abounding and abounding to the Prince Edward yesterday with the opening of "Touchdown!" the first football story ever turned out by Hollywood without the use of the conventional Dick Merrivell finish.

"Touchdown!" is grand and glorious—all-American entertainment; as indigenous as the turkey we devour on Thanksgiving—and every bit as exciting as plum pudding with a "stick" in it.

"Touchdown!" is a sumptuous dish for the football-film fan. The story is effective for a good

many reasons—but the first one that occurs to this reviewer is the ending. It reminds us of no other football summary that was ever unfolded upon the silver screen; for the home team, the team coached by Richard Arlen, and the one which we have been rooting for all through the action, does NOT win the final game. In fact, the team loses decisively against a superior gridiron foe.

But however dramatic this may make the denouement appear, don't misunderstand; the ending is a happy one, morally. For Arlen wins the heart of a pretty girl, and there is a decided savour of orange-blossoms in the air at the final close-up.

O'LEARY NOTES

The return game of the Granite Sisters of Kensington with the O'Leary Sisters, was played in the O'Leary rink on March 1. A fast and evenly contested game ended in a tie, 1 all. Lewis Bernard refereed to the satisfaction of all.

On Friday evening, March 4th, the Alberton Juniors played the O'Leary Juniors in O'Leary Rink, the score being 7-0 in favor of O'Leary. Ira Ellis refereed.

The funeral of the late Mrs. Mary Hierlihy was held from her late residence in Hebron, on March 4th, to the Presbyterian Cemetery, Dunblane, where she was laid to rest beside her husband the late James Hierlihy. Despite the inclemency of the weather there was a large attendance. Rev. John Sterling officiated.

In common with the rest of the Island, we have experienced unusually rough weather now for over a week. March certainly came in like a lion. The men in this part of the country have their year's fire wood hauled and cut up, besides all necessary lumber. A number of our farmers are adding lobster fishing

to their program of mixed farming and just now, instead of the usual hauling of seed potatoes, we see lath wood, boat planks, etc., being hauled back and forth from the saw mills in preparation for the next season's fishing. They say it is hard to down a good man. So also with our Island farmers. If one thing not unusual to have around an Island farm home, in addition to the usual farming operations, fox ranching, and a regular lobster fishing outfit. Farming, fishing and fox ranching, the three great basic industries of our Province, all combined in one large plant.

Congratulations to Mr. and Mrs. Frank Smallman, Locke Road, on the birth of a young son.

Mrs. Gordon Dennis, O'Leary, spent some time recently at the home of her son, Geo. H. Dennis, Charlottetown.

Miss Blanche McDonald, Locke Road, was a visitor last week at the home of Mrs. D. McPherson, Dunblane.

Mr. and Mrs. Hierlihy, Elmsdale, spent a few days last week in Hebron, the guests of Mr. and Mrs. John Hierlihy.

Mrs. Peter Gotell and family, O'Leary, spent some time recently at the home of her parents, Mr. and Mrs. Avard Jelly, Port Hill.

Her many friends were sorry to learn that Mrs. George Ellis, O'Leary, was confined to her home with illness.

Friends of Mr. James Wadge, O'Leary are pleased to see him around again, after being confined to his home with illness, for around a year.

Mr. and Mrs. John McNevin, Milo, were recent visitors at the home of Mrs. Nelson Dennis, O'Leary.

Mrs. Alfred McIsaac and daughter, Matilda, Glenwood, were visitors on March 6th at the home of Mr. and Mrs. David Stewart, West Point.

The friends and relatives of Mr. and Mrs. Benjamin Moreshead, O'Leary, learned with the deepest sorrow, of the death of their infant son William Albert, born Feb. 26, 1932. The parents may not now understand the will of the Lord, in taking their little son, and only child, but the day is not far distant, when it will be their high privilege, according to their faith, to enter into the fuller revelations of God's Will. In the meantime while faith is guiding into a closer walk with the Saviour, may the parents be comforted with the words, "And we know that to them that love God, all things work together for good, even to them that are called, according to His purpose." The bereaved parents have the sincere sympathy of the community in their sad loss.—O.

ST. PATS, 12; TIGERS, 3

A friendly game of hockey was played Thursday night, Mar. 10th between the St. Pats and the Tigers. The St. Pats defeated them by a score of 12 to 3. The lineups are as follows: St. Pats—Goal, A. McNeill; Defence, G. Gallant and A. MacDonald; Forwards, E. Howatt and P. Costello. Tigers—Goal, V. Gay; Defence, B. MacKinnell, J. Shaw; Forwards, M. Hughes and D. MacKinnon.

"Yes," said Martin, "it was a sad case about Hayes. Since he lost all his money half his friends don't know him any more." "What about the other half?" asked his neighbor. Martin smiled. "They don't know yet that he has lost it," he replied.
