PRINCE EDWARD ISLAND

And Its Attractions To Tourists.

Prince Edward Island's summer climate is delightful, and scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze and the advantages that can only be derived from sea bathing at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company two Electric lights plants, and a street railway is in embryo. It has a first class water works and sewerage system. It is famed for its many pleasant drives the principal of which is the new Park Boulevard, its attractive surroundings, pure water and clear cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief resorts of the citizens here. It has one of the largest and best equipped pork-packing establishments in the Dominion. On the west sideis in the Park; on the east side are the magnicent new Exhibition Building and Driving Park. Chief among its public squares are Queen Square in he centre of the city, beautifully laid out with blooming plants of everydescription, a fountain and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Summerside has above 3000 inhabitants It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores.
