She gets relief from
DR. CALDWELL'S LAXATIVE
SYRUP PEPSIN
And so do the children

Some Families Are Never Ill

FORTUNATE are the children whose parents fully realize the seriousness of constipation. Hospital records prove that 75 per cent of all disease originates in bowel obstruction, or constipation. Many children cry because of it; young children are hampered in their studies; grown people are made 25 per cent less efficient; elderly people's blood pressure increases 25 per cent. Clara M. Smith, Big Valley, Alberta, recommends Dr. Caldwell's Laxative Syrup Pepsin for all, and especially for children and old folks; Mrs. Bottle, 8 Napanee St., Toronto, keeps it always in the house for family use.

We guarantee that if you will give Dr. Caldwell's Laxative Syrup Pepsin to a child or for a few nights to an adult it will relieve any case of constipation no matter how chronic, or your money will be refunded.

10 Million Bottles a Year

Use it once and you will never again take coal-tar drugs in candy form, calomel or salts. Dr. Caldwell's Laxative Syrup Pepsin is a vegetable laxative free from opiates and narcotics. It can be safely given to infants, yet it effectively moves the bowels of adults. It acts gently; does not cramp or gripe. Keep it in the house and use it for any indication of bowel obstruction such as constipation, biliousness, torpid liver, dyspepsia, pimples and like skin eruptions. Give it early and it will break up a fever or a cold overnight. A spoonful proves it.

Largest Selling Laxative

Every up-to-date family medicine chest should contain a bottle of Dr. Caldwell's Laxative Syrup Pepsin, a compound of Egyptian senna with pepsin and palatable aromatics, a prescription written 30 years ago by Dr. W. B. Caldwell, who practiced medicine 57 years. You can buy a bottle in any store where medicines are sold, and the cost is less than a cent a dose.

RETURNS FROM JUDGING AT B. C. FAIR.—Among the judges of live stock at the six day exhibition held in Westminster, British Columbia, under the auspices of the Royal Agricultural and Industrial Society, which closed September 15th, was Mr. Jas. F. Roper of Charlottetown Royalty, who returned home Saturday night. Mr. Roper is a well known Guernsey breeder being president of the Guernsey Breeders Association and vice-president of the Maritime Stock Breeders Association. It was quite a tribute to this Province as well as to Mr. Roper, that he should be selected to judge at this big exhibition in the extreme West, which was open to all the world. During a motor trip to the Chilliwack Valley Mr. Roper called on Charles Robertson formerly of Marshfield, and also visited the Colony Farm at Essondale, B. C., in connection with the Home for the Feeble Minded. Mr. Percy Moore, son of Mr. S. J. Moore of Truro, is Superintendent of live stock of that farm, and Miss Letitia J. Bell formerly Matron at Falconwood, has charge of the children's division of the Home. Mr. Roper was made a welcome guest at the home of the Bell family in Vancouver, where Mrs. Bell, her son Ernest and daughter, Mary, formerly of Montague, now reside. Mr Roper also met Mr. Henry Smith, Mr. Bateman, and other Charlottetownians in Vancouver. While visiting Mr. Charles Robertson he learned of the sudden death of Mr. Fred Turner, formerly of Marshfield, P. E. I., and an uncle of Mr. Percy W. Turner of this city. Mr. Turner who passed away at the advanced age of 70, had amassed considerable wealth in dairying and had sold out his extensive business to the Fraser Valley Milk Company.

MRS. JOHN McQUEEN

The death occurred at Mount Vernon on August 16th of Mrs. John MacQueen after a painful illness of over two years. All that medical skill and loving hands could do, was done to relieve her suffering but Divine Providence willed otherwise.
