Sudden Death of Alexander Champion At Travellers Rest

The community of Travellers Rest was shocked to learn of the sudden death last evening of Mr. Alexander Champion, a highly respected farmer and fox rancher of that district.

Although well advanced in years he had been enjoying good health up to the time of his sudden death. He retired from active life about ten years ago, but had always maintained an eager interest in the life of the community and he will be sincerely missed by all with whom he had been associated with during a life well spent in the welfare of his community.

The sympathy of a host of friends is extended to his bereaved widow, the former Eliza Harris, and to his sons, Russell in New York, Robert in Summerside, Preston and James at home; and to his daughters, Mrs. George Cass of Moncton, and Mrs. Keith Canfield of Tarrytown, New York.

The funeral arrangements will be announced later.

Canada The Department of National Defence is again appealing to owners of Colt Smith and Wadley pistols or revolvers, of .38, .40 and .45 calibres, also Colt Automatic of .45 calibre, to turn them over for use of the Canadian Army.
