Card of Thanks

To my Customers and Friends. For the five years I have done business at 182 Queen Street, cleaning, repairing, dyeing and altering ladies' and gents' garments, also cutting and making coats, suits, etc. My success has been made by many of the best work which I know has been done in the city. It was the handwork of a first class cutter and tailor of 25 years experience. "Not by an appreciative boy's". My prices are reasonable for work well done. I now beg to collect the public for the satisfaction of their friends. Respectfully **LESLIE WILLIAMS**

BEAVER FLOUR

It contains just the right proportion of each to make the whitest, most nutritious bread—and the lightest, tastiest cake, pie and pastry. Insist on having Beaver Flour.

Every Year

We have to urge our customers to do their Christmas shopping early, and not wait till the last day or two. Stocks are at their best now and there is nothing to gain by waiting. Such goods as **Fancy China** are particularly urgent on account of the difficulty of adding to the stock later. If we know your requirements we can provide for them thoroughly, even to lines that are extra special in design and quality. Purchases made now can be held for delivery later. NEW WONDERLAND

A Fine Picture Program, Supplemented With the Best Music, Both Vocal and Instrumental.

No matter what position New Wonderland's reader has in the Guardian, it is only necessary to say a word or two, and that is that it will continue daily to bulletin the best things available as it has heretofore. It will be no fault of the management if the performances it bills are not superior to even the best yet offered there. Tonight, the picture list comprises the following: A Pair of Kids. Lost and Found. Crased by Jealousy. Miss Von Branders will sing The Hymns of the Old Church Choir, as well as a popular selection with Mr. Dix. The latter will give one of his most fetching Harmonica and Harp Guitar solos, as well as the following vocal selections: A Dream. This is by Bartlett the celebrated composer. It is something just more than good. It is a splendid program, so come and see.

INSANE ASYLUM ANNEX BURNED

MONTREAL, Dec. 7.—About \$20,000 damage was caused by a fire which broke out at noon on Saturday in a new annex which is being built at the Insane Asylum at Verdun. The fire was very threatening and necessitated the removal of 180 lunatics from the chronic wards in the main building, a hundred yards away, to another building. The patients, however, gave no trouble, most of them regarding the fire as a joke. There were fifty workmen in the building at the time, some of whom had to make a run for safety.

NAVY WILL BUY WRIGHT AEROPLANE

WASHINGTON, Dec. 7.—In reviewing its work for the year, the board of ordinance and fortifications of the war department announces in its annual report to the Secretary of War, made public yesterday, a number of interesting experiments with flying machines and wireless communication. The board reviews the successful flights at Fort Myers of the Wright Bros. aeroplane last summer, adding that the board has made provision from its own funds for the purchase of the machine. Another invention improved during the year was a wireless telephone over which satisfactory conversations were had at a distance of five miles. Some of these instruments were also purchased.

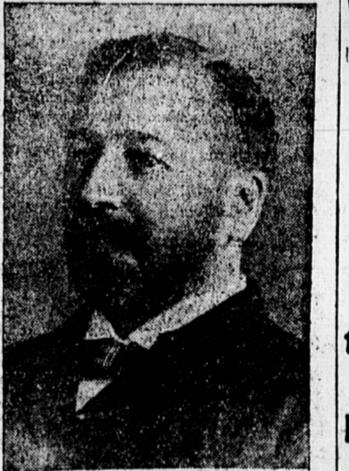

INSURANCE IS THRIFT

Insurance is thrift, nobler than other forms in that it is exercised not for self but for others. It is the most indispensable and the most beneficial institution of our day. It is a very practical and at the same time a most ingenious method of equalizing the hazards of life. To secure its protection men toil and deny themselves the full fruit of their labor; they give up, in all cases almost the necessities, in all cases some of the comforts and luxuries or pleasures of life, that those to come after them may be protected from adversity and want—that children may be educated and brought up to lives of usefulness. Founded on a care for the future of others, a care which can only be exercised by present denial and sacrifice, the determination to insure represents the best and most unselfish qualities of human nature. The Company that is offering the best value in Life Insurance in Canada today is the Great-West Life. Their rates are the lowest consistent with absolute security. Their high interest earning power have enabled them to make most gratifying returns to their policy-holders; Consult Hyndman & Co., Managers P. E. I. 12-3421.

Slow, But Sure Poison

Goes All Through The System When Catarrh Sets In

It's the poisonous secretions of catarrh that undermine strength and vitality. Now is the time to get cured. Catarrh comes on thoroughly. Think of it, a lasting cure, so complete that no trace of catarrh ever returns! Just inhale the soothing vapor of Catarrhosone and freedom from colds (bronchitis and catarrh) is assured. Mr. T. Y. MacVicar of Yarmouth suffered for many years from catarrh and says: "In my long experience with this loathsome disease, I never used any remedy that relieved and cured so promptly as Catarrhosone. When my catarrh was so stuffed up that I couldn't breathe I found a few inhalations of Catarrhosone sufficient to clear away the mucus. I am perfectly cured by Catarrhosone and free from the disease entirely." Use only Catarrhosone. Complete outfit gives two months' treatment, costs \$1.00 and guaranteed to cure, sample also \$2.00. Sold everywhere.
