Annual Meeting West Prince Liberal Ass'n

There was quite a large attendance yesterday afternoon at the annual meeting of the West Prince Liberal Association.

In addition to the regular resolutions expressing confidence in Prime Minister King, Premier Jones and the local members of the Legislature there was a resolution dealing with the establishment of the West Point-Buctouche ferry service.

The question of the extra freight charges from Summerside, West and from Fovall Junction East was in another resolution which strongly urged that these be abolished as they are a relic from the days when the railway gages were not standard and part of the charge was claimed that this extra charge has cost the people of Prince County practically close to a million dollars since it was introduced a good many years ago.

The Federal and Provincial Governments were thanked for their efforts in obtaining the British order for potatoes last spring and asked also to give further consideration to a floor price on potatoes and to do what they could toward having the duty lessened on potatoes going into the U.S.

A resolution of sympathy to the family of the late Mr. G. Metherall was passed. He had been a member of the Association for a long number of years.

Short speeches were made by Hon. G.H. Barbour, Hon. W.F. Alan Stewart, Mr. J. Wat-on Mac-
