TWO WOMEN SAVED FROM OPERATIONS

By Lydia E. Pinkham's Vegetable Compound—Their Own Stories Here Told.

Edmonton, Alberta, Can.—"I think it is no more than right for me to thank you for what your kind advice and Lydia E. Pinkham's Vegetable Compound have done for me.

Beatrice, Neb.—"Just after my marriage my left side began to pain me and the pain got so severe at times that I suffered terribly with it. I visited three doctors and each one wanted to operate on me but I would not consent to an operation. I heard of the good Lydia E. Pinkham's Vegetable Compound was doing for others and I used several bottles of it with the result that I haven't been bothered with my side since then. I am in good health and I have two little girls."

her friends had remembered her, and wished them all a very Happy New Year. A bountiful supper was served and enjoyed by all present, the remainder of the evening was spent in music, singing, recitations and social intercourse, after which all returned to their respective homes feeling that a very pleasant and social evening had been spent.

Child Almost Strangled

You never know what minute a child can develop a bad cold or be seized by croup. For this reason it takes great burden off every mother's mind to have at hand Dr. Chase's Syrup of Linseed and Turpentine.

Mrs. E. W. Silver, South Milford, Annapolis county, N. S., writes:—"I have used Dr. Chase's Syrup of Linseed and Turpentine for my little boy with most satisfactory results. His throat would fill up with phlegm so bad that he could scarcely make a sound, and I thought he would surely strangle. He grew worse, and had frequently had attacks, so I began using Dr. Chase's Syrup of Linseed and Turpentine. Scarcely half a bottle was used when the strangling ceased. This medicine had a wonderfully soothing effect, and when he had taken two bottles I could not tell that he had any throat trouble. We have also used Dr. Chase's Ointment with equally good results. It is a grand medicine for salt rheum."

There are imitations, but the genuine Dr. Chase's Syrup of Linseed and Turpentine bears the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.
