Acid Stomach

"Phillips Milk of Magnesia"
Better Than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated soluton of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." TREE-TOP STORIES

ONE SUMMER EVENING

JOHNNY sat on the front door-step watching the round moon come up over the hill.

The birds were asleep and the grass and leaves were very quiet.

Then Johnny heard a whisper in the rose-bush.

"O! Look!" said the whisper. "What's that round yellow ball hanging up in the dark?"

"That's the moon, little Elfkins," answered an older whisper-voice.

Johnny looked closely into the rose-bush. There sat three little Elfkins and their Daddy! They were staring at the moon with big round eyes.

Johnny sat very still until they all climbed down and ran away.

Fashion Fancies

By Marie Belmont

One of the departures which southern resort fashion showings brought forth was the smart quilted coat.

These appeared in cottons and silks for the south and promise to continue their popularity for early Spring wear.

The model above is of brown silk, quilted, with fine gold stitching tracing a design over its surface. The coat and matching hat are both trimmed with brown.

In Memoriam

MRS. ALFRED ESSERY

Mrs. Alfred Essery died at Kensington on January 27th, after succumbing to the attacks of illness that lasted only seven days. She leaves to lament the sad and sudden death, five children, three boys and two girls.

In maidenhood she was Jean Dashwood McLeod and lived in Halifax. Twelve years she spent in Western Canada. In 1900 she was married to Alfred Essery and assumed the duties of housekeeping, first in the West, and finally, in 1922, settled in Kensington.

Surviving are her mother who lives in Halifax, but who was through ill-health, prevented from attending the funeral. The solemn obsequies were performed by Rev. G. T. Spriggs, the pall bearers being James Pendergast, Jas. B. Profitt, J. E. Inglis, John Burns, Peter McMahon and George McKenzie.

Mrs. Essery was a most practical lady, possessing the original facilities to meet any emergency. She spurned incessive conventionality, and her word and actions actually depicted her sincere and sympathetic nature While she did not aspire to prominence in society, she undoubtedly contributed her share to social well-being.

To mourn she leaves her husband and five children, two sisters one married in Roxbury, Mass., and one in Toronto, Ont., also one brother, Hugh McLeod, Manager Royal Bank, London England. Endure will her memory while grateful hearts live Y.

EMMA MacDONALD

On January 6th, 1926, there passed to her eternal reward, in Heaven, the soul of Emma Macdonald, whose life was a living embodiment of a brave soul in a very frail body.

Her life was a constant sermon to all those with whom she came in contact.

Although suffering mentally and physically in the loss of her dear father and mother and also a beautiful young sister-in-law, who left an infant at her death, to the care of this suffering soul, she faced the ordeal without the slightest hesitation and was a mother to him, and for whom she desired very earnestly to live.

No selfish thought was mixed with her devotion always trying to serve, and please, no murmuring, no fault finding, ever sweet and gentle, and gracious. What a beautiful example for each and every one of us. She died with a smile on her dear face, as if she had already a foretaste of the happiness for which she worked in this life.

"God works in a mysterious way, His wonders to perform," giving strength to the weak when it is needed.

She leaves the following to mourn the loss of a kind and loving sister; Winnifred, wife of Joseph E. Kelly Keppoch; William E., of DeBlois Bros; John B., of Jamaica Plains, Mass.

The funeral which was largely attended was held Saturday morning at nine o'clock from her late residence 207 Water Street to St. Dunstan's Cathedral, where Requiem High Mass was celebrated by her cousin, Rev. W. V. MacDonald. The service at the grave was conducted by Rev. A. L Sinnott. The pall bearers were, Frank Macdonald, W. Grimes, James McLean, C. J. Mitchell, C. McLean, Jas. Lappin.

Serenely to her final rest she passed while the soft memory of her virtues yet lingers like two light hues, when the bright sun is set.

Brutally Slain By Moonshiners

EDWARDSVILLE Ill., Feb. 9.—Believed to have been brutally slain by moonshiners in a liquor raid the bodies of Constable Omar Rockett, 48, and John Balke, 24, his assistant, were found yesterday buried in a grave on a farm three miles east of Granite City. They had been missing a week. Both men had been shot and Rockett's skull was crushed. Their bodies had been buried together in a grave four feet deep about 1 000 yards from an abandoned farm house in which was found a huge whiskey distillery and fifty thousand gallons of mash. Each body bore the mark of one bullet wound in the head.

Throat Trouble

Toronto, Ont.—"For about eight years I was subject to laryngitis, my throat would get very sore and I would lose my voice. I would have a spell of this kind a couple of times a year, especially in the winter when the weather was cold and disagreeable. It would be a couple of months each time before I would fully recover from these spells and get my voice back. I doctored and took medicine with little relief until I began taking Dr. Pierce's Golden Medical Discovery and it has so completely relieved me of this trouble that I scarcely ever have a sore throat or suffer in any way from my former trouble."—Mrs. A. McDonald, 28 McMurrich St.

Golden Medical Discovery is put up in Dr. Pierce's Laboratory in Bridgeburg, Ont., and sold by all druggists in both tablets and liquid. Send Dr. Pierce 10c if you wish a trial pkg.
