

Kootenay Steel Range

If you purchase a Kootenay without the reservoir and decide later that the reservoir is a real necessity, why, just order it and attach it yourself. It's easily done. Merely remove the screws and take off the plate marked "REMOVE FOR RESERVOIR" (see top illustration), which provides an opening for the hot air to come through and circulate under the reservoir. Then attach, by means of screws, the reservoir and the flue box shown in lower illustration. A screwdriver is the only tool required.

ANNUAL REPORT

Continued from page 3.
worshipful spirit of our Lord's Day. Has attracted every year an increasing number of visitors from Central and Western Canada, as well as from the New England and other States. Our resident population has sought to welcome in every way the coming of these tourists, to surround them with the delights of our Province, so they would tarry with us as long as possible, and encourage their return as soon as practicable.

But our reports indicate, to our great regret, that with the coming of these tourists, there is being introduced into the Province some forms of Sunday pleasure which are at variance with our long established customs in our observance of the Lord's Day. There seems to be some tendency to transform the holy day to a holiday—the day of rest to a day of restlessness. Pleasure parties in boats, buckboards and buggies, picnic parties to groves, shores, and parks, special dinners in homes, hotels, and restaurants, and many other plans for Sunday pleasure have been introduced. These demand the service on that day of drivers, cooks, waiters, maids, engineers, and others, robbing them both of their needed rest and appreciated privilege to attend divine service, as well introducing practices which must result in degrading the character of our citizenship, as well as destroying our Lord's Day with its advantages and privileges.

We would earnestly appeal to our citizens to kindly but firmly maintain our well known customs by insisting upon a quiet and well ordered Lord's Day.

It is not only pleasure seeking, but also the mighty forces of materialism that are apparently moving upon our people. Too many have forgotten that character is more valuable than cash, and morals are mightier than money. The question too often asked is, "Will it pay?" rather than, "Is it right?"

Under all these tendencies of the times, should not some strong definition be taken to restrain such influences, and retain to all our citizens their heritage of a quiet, restful, and enabling Lord's Day?

We venture to recommend that definite, clear, instruction as to the value of the Lord's Day be constantly given by parents to their children, by ministers to their congregation, by editors to their readers, and by the teachers in our public schools and colleges to their pupils, so that a revival of interest shall be awakened throughout the Province upon this most important question.

ACHE

Is the bane of so many lives that here is where we make our great boast. Our pills cure it while others do not.

Small Pill. Small Dose. Small Price.

We would recommend that in every community an appeal be made in the wisest manner and urged in the kindest way to be made to the leaders of every form of Sunday business and pleasure to the effect that such practices be discontinued.

We would recommend that in every instance when the authorities take any action for the enforcement of the law, they should be given every possible assistance, and most heartily encouraged, by commendation from all who desire to preserve the Lord's Day.

We would most heartily recommend that the Lord's Day Alliance should receive the very hearty support of Christian congregations, labor unions, and all citizens who seek to defend our Lord's Day against the forces which encroach upon it, and both by kindly words, and financial help render every possible aid to this good work.

Trusting in Him whose we are, and whom we serve, we go forward to another year of endeavor for the preservation of the day that God has made for man.

A St. John Stone Mason Cured of Rheumatism

By "Father Morrissey's No. 7" After Seven Doctors Had Failed.

647 Main St., St. John, N.B.
FATHER MORRISSEY MEDICINE CO., LTD.
I am writing to tell you I have been a victim to Rheumatism for several years, and have been treated by seven doctors without finding any permanent relief until I got Father Morrissey's medicine. It has cured me so I am able to do my work and find I am as well as ever in my life.

Yours truly,
JOHN CRAWFORD.

Rheumatism is caused by sluggish kidneys failing to take the Uric Acid out of the blood. The whole system becomes loaded with poison, which gathers in joints and muscles, causing agony at every movement.

"Father Morrissey's No. 7" Tablets act directly on the kidneys, stimulating them to vigorous work. They dissolve the Uric Acid in the blood and free the whole system of the poison. They cure the Rheumatism leaves. Price 50 cents at your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.
