## DAILY SELECTIONS FOR GUARDIAN READERS

Furnished by W. S. Louson

She stood at the bar of justice. A creature wan and wild. In form too small for a woman. In features too old for a child; For a look so worn and pathetic. Was stamped on her pale young face. It seemed long years of suffering. Must have left that silent trace.

'Your name,' said the judge, as he eyed her. With kindly look yet keen. 'Is Mary McGuire, if you please, sir, 'And your age?'—'I'm turned fifteen. 'Well, Mary,' and then from a paper He slowly and gravely read. 'You are charged here—I'm sorry to say it— With stealing three loaves of bread.

'You look not like an offender. And I hope that you can show The charge to be false. Now tell me. Are you guilty of this, or no?' A passionate burst of weeping Was at first her sole reply. But she dried her eyes in a moment. And looked in the judge's eye.

'I will tell you just how it was, sir. My father and mother are dead. And my little brother and sisters Were hungry and asked me for bread. At first I earned it for them. By working hard all day. But somehow times were bad, sir. And the work all fell away.

I could get no more employment. The weather was bitter cold. The young ones cried and shivered. (Little Johnny's but four years old.) So what was I to do, sir? I am guilty, but, do not condemn. I took—oh, was it "stealing"?— The bread to give to them.'

Every man in the court-room— Gray-beard and thoughtless youth— Knew, as he looked upon her, That the prisoner spoke the truth. Out from their pockets came kerchiefs. Out from their eyes came spring tears. And out from their old faded wallets Treasures hoarded for years.

The judge's face was a study— The strangest you ever saw. As he cleared his throat and murmured Something about the law. 'You so learned in such matters. So wise in dealing with men. He seemed on a simple question, Sorely puzzled just then.

But no one blamed him or wondered. When at last these words they heard. 'The sentence of this young prisoner Is, for the present, deferred.' And no one blamed him or wondered When he went to her and smiled. And tenderly led from the court-room. Himself, the 'guilty' child.

### A FATAL ACCIDENT AT TRYON YESTERDAY.

TRYON, April 26.—Harry Arbing, the eleven year old son of James Arbing, blacksmith of North Tryon, came to his death this morning at 7 o'clock in a most extraordinary manner.

Sometimes he was given the task of making the school fire ready for lighting and happening to be passing the school at 7 o'clock this morning on his way for milk, he took the notion that he would prepare the fire and not having a key for the door, he stood a piece of board against the side of the building and climbed up to the window and it is supposed that just as he had done so the board slipped, the window at the same time coming down on his neck leaving the boy suspended there.

It was about half an hour after he had left home when a neighbor, Jas. Leard, happening to be passing, noticed the boy hanging from the window and hastening to his rescue, found that life was extinct.

Dr. Boyer, the coroner, was notified and deemed that an inquest was unnecessary.

The sad affair has caused much regret in the community. The little chap, who was a bright child, was the only son of his parents. Two lit-

### THE ALL CANADIAN ROUTE TO MONTREAL

THE ALL CANADIAN ROUTE TO MONTREAL. Via the Intercolonial Railway Maritime Express is the only All Canadian Route to Quebec, and Montreal from the Maritime Provinces. The Maritime Express is generally admitted by experienced travellers to be the most comfortable train in America. This is especially true in regard to the dining and sleeping car service. The diners of the I. C. R. are rommy and well ventilated and furnished in the best of taste. The excellent meals are served Table d'hote at a price away below the a la carte rates prevailing on the company owned lines. The sleeping coaches are up-to-date in every particular, and the smoothness of the road bed makes the long journey easy and pleasant. Being popular with a class of travellers who are generally found to be the acme of good company, the through journey is never found dull, and even during the winter months there is much of scenic interest in the day's ride through the Provinces of Quebec, Montreal is reached at the convenient hour of 6.30 p. m., and connections are made at Bonaventure Station with the through trains of the Grand Trunk Railway for Toronto, Buffalo, Detroit, Chicago, and other point in western Canada and the United States. Connecting train from Picton leaves at 4.20 daily except Sunday. 4-25dtfll.

**\$100 REWARD.** \$100 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder. This is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for a list of testimonials.

## Doctor Advised Her To Take Them

### Dodd's Kidney Pills cured Mrs. Bellevue's Bright's Disease

Now she can do any kind of work—why Dodd's Kidney Pills are so popular.

FRE-DEB Hunt, Westmoreland Co., N. B., April 26. (Special).—It is becoming a proverb in New Brunswick that no place is too small to furnish at least one person who owes his or her good health to Dodd's Kidney Pills. And this place is no exception to the rule. Mrs. Dominique J. Bellevue, a well known and highly respected resident says in an interview:

'I took Dodd's Kidney Pills on the advice of my doctor for Bright's Disease, and I am glad to say three boxes cured me completely. I can do all kinds of work now. I always keep Dodd's Kidney Pills in the house in case we might need them.'

Sometimes you wonder why people cured by Dodd's Kidney Pills are so enthusiastic in their praise of them. The reason is that they strike right at the root of ill-health. Dodd's Kidney Pills cure the Kidneys. That means that all impurities are strained out of the blood. It means pure blood, and pure blood means good health all over, the body. Good health means good spirits; hence the enthusiasm.

**CARTER'S CHOICE Evergreen Lawn Grass Seed**

To quickly secure a permanent, rich, green grassy carpet, sow our Evergreen Mixture. It is the purest, cleanest and heaviest Lawn Grass Seed offered.

No weed seeds. A beautiful lawn can be had in six or eight weeks by sowing this mixture. Quantity required per acre (4,840 square yards) 80 lbs.; or for a plot 20x20, 1 lb., 25c; post paid 30c; 10 lbs., \$2.20; postpaid \$2.70.

Our Lawn Grass Seed is AMERICAN grown. The different grasses comprising the Mixture are imported separately and blended in the proportions and after the formula of a celebrated AMERICAN LAWN MAKER.

On nearly all lawns there are unsightly bare spots under the shade of trees, which have baffled all efforts to get into grass, but with this mixture there need be no further difficulty. It is a combination of fine, dwarf growing, evergreen varieties, hardy and will stand a long season of dry weather. The ground for a new lawn should be a rich, mellow soil, perfectly free from weeds. Sow the Seeds as early in the Spring as possible, roll the ground perfectly level; the grass should be cut often, and never allowed to attain a length of over three inches.
