THE Ladies' Aid Society, in concert with the Church at Cross Roads, Lot 48, held its sale at the house of Robert Stewart on Tuesday, the 13th inst. The number of nice articles for sale showed the industry and skill of the regular members, ably assisted by Miss Edith Lane and Mrs. M. Lane, and liberal contributions were received from Mrs. Daniel Stewart, Glenfinnan, Miss Ellen Stewart, Mrs. D. Macrae, and others. The chair was efficiently occupied by the new and esteemed neighbor Nathaniel Molyneux. The following program was carried out:—

Chorus—Old Kentucky Home.
Quartet—Misses Stewart, Lorne Robertson, Alfred Stewart.
Recitation—Robert Macrae.
Violin Solo—Alfred Stewart.
Solo—Lorne Robertson.
Chorus—

The program though short was excellent in quality, notably a solo by Mr. Robertson, and recitation by Mr. Macrae. The numerous articles were sold by N. Molyneux, showing him to be an expert as an auctioneer. The willing services of the young men were an encouraging feature, and special thanks is due Alfred Stewart who stabled about twenty horses in addition to his own stock. Refreshments were served, and the amount realized was about thirty dollars.

CHIEF SARK of the Island MicMacos who was in the City yesterday, returning to Lennox Island from the Moyal reservation, paid The Guardian a pleasant visit during the afternoon. He has received, from the Indian Department at Ottawa, a communication stating that the Department always desires that the best man for the position may be elected as chief and it considers that a candidate for that office ought to have some education, be a resident of the reserve and by preference a worker of the soil. The election for chief for next year will be held the last of January and Chief Sark intends again contesting for that position. He will be heartily supported by the Indians of Moyal reservation. Chief Sark is much liked by the Indians, as he is a good instructor for them and very popular with all.

REMARKABLE SUCCESS
Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common catarrh but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages. In fact, wherever there is mucous membrane there is a feeling ground for catarrh. The usual remedies, inhalers, spray, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases. It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system. A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh. It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, Blood root, Red gum and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh cure, says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkable satisfactory results. They clear the head and throat more effectually and astingly than any douche or inhaler that I have ever seen, and although they are what is called a patient medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety." Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver, or bladder will find Stuart's Catarrh Tablets remarkably effective pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.
