SCHOOL GIRL TELLS OTHERS

How They Can Find Relief From Periodic Sufferings.

Nashua, N. H.—"I am nineteen years old and every month for two years I had such pains that I would often faint and have to leave school. I had such pain I did not know what to do with myself and tried so many remedies that were of no use. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and decided to try it, and that is how I found relief from pain and feel so much better than I use to. When I hear of any girl suffering as I did I tell them how Lydia E. Pinkham's Vegetable Compound helped me."—DELINA MARTIN, 29 Bowers St., Nashua, N.H.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, therefore is a perfectly safe remedy to give your daughter, who suffers from such painful periods as did Miss Martin.

The reason so many girls write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice, is because from their 40 years experience they have a store of knowledge which is invariably helpful.

WAR WEARINESSS IN RUSSIA

PARIS, Aug. 3.—Despatches received here indicate tthat general war weariness, rather than Bolshevism, is weakening the Kolchak government. The Czecho-Slovak troops, which were the backbone of the army of Admiral Kolchak, have shared the general demoralization and most of them insist on returning to their newly established country, refusing to fight longer in Russia.

Recently a "green" army of considerable dimensions was organized in Siberia as well as in European Russia. This army was recruited from both red and white armies and pledged itself to not fight any more, saying the world war was over.

Budapest Remain Only

VIENNA, Aug. 3.—Budapest was orderly during the night. Picked troops patrolled the town. The troops now at the front were informed that they may retire as it is said that Roumanian forces along the Thiess river had received orders from the Peace Conference at Paris not to advance further towards Budapest. When the new government was proclaimed last night and the coming of peace was announced there was a celebration but the people responded to the appeal for order. Early today thousands of Hungarians who fled from their homes during the reign of the Soviet Government began returning to Budapest seeking to regain possession of any remains of their property that may remain.
