—SUMMERSIDE CIVIC ELECTION—Summerside Civic Election will be held this year on Tuesday, Feb. 2. Three Councillors will be elected, one in each ward, also one Water Commissioner. There will be no election for Mayor this year. The Mayor is elected every second year for a term of two years. The retiring Councillors are, R. L. Mollison, Wm. Smallman, and D. F. McNeil. —S.

—SURPRISE PARTY —A group of friends of Mr. and Mrs. Lloyd MacArthur gathered on Wednesday evening, Jan. 6, to tender them a surprise party and to welcome Mrs. MacArthur to their midst. The party was held at the home of Mr. and Mrs. Roland MacArthur, Summerside. Mr. and Mrs. MacArthur were the recipients of many beautiful gifts. The presents were opened by Miss Dorothy Simmons and the verses were very fittingly read by Mr. Everett MacFarlane. After a very enjoyable evening a delicious lunch was served by the hostess. S.

—S'SIDE C.W.L. — The regular monthly meeting of the Summerside Sub-division of the C.W.L. was held in K. of C. Home on Wednesday evening, Jan. 6, with Mrs. D. F. McNeil, 1st Vice, presiding in the absence of the President, Mrs. W. J. Sullivan. The meeting, at which there was a small attendance on account of extreme cold, opened with the League Prayer, followed by the reading of the December minutes. The Treasurer reported a satisfactory balance after all bills were paid. Social Service reported boxes packed for the town at Christmas and a donation sent to the Orphanage, also $5.00 given to Crippled Childrens' Fund during the month. Correspondence included a letter from the Knights of Columbus thanking them for a donation of $25.00 for the Boys' Camp.—S.

—MAGISTRATE'S COURT — Magistrate W. E Darby held court last week at Alberton. There were three cases on the docket. An Excise case, a woman, was convicted of possession of beer, a second offence. She was convicted and fined $150 and costs or two months in jail. A case under the A. R. P. regulations of a man refusing to put his lights out during a black-out, was fined $2.00 and cost. A offender charged with an infraction of the Highway Traffic Act was fined $5.00 and costs. —S.

—SLOWER RESPONSE TO ALARM AT SUMMERSIDE — The practice air raid alarm a few minutes before noon yesterday caught many people off guard. Consequently the observance was not as good as formerly when alarms were sounded in the evening. Telephone operators were swamped with calls and wardens were somewhat slow in reporting for duty. Some trouble developed with one of the sirens and it sounded 15 minutes after the alarm, adding to the confusion since many took it for an all clear signal. People were slow, too, in clearing the streets. It was indicated Summerside A.R.P. officials will issue more instructions to citizens, outlining what they should and should not do during alarms. Additional confusion was caused yesterday as the alarm sounded about the same time as the sirens are tested on Saturdays. One official at Summerside after the alarm said "This might wake people up". It demonstrates what a farce the whole thing can be when people do not properly cooperate.—S.

National Fish Council of Halifax and other fish concerns in New England States.

Coun. MacKee was commended on having secured additional lights for Kent Street between Queen and Prince Streets. Mayor Holman asked Councillor MacKee to take up with the proper authorities the matter of having the lights turned on one-half hour longer in the morning. This could be offset by having them turned on one-half hour later in the evening.

Refers to Salvage

Coun. MacKinnon in commenting on the Salvage Campaign in the city deplored the fact that there was only $27. to be handed the Red Cross from Charlottetown as proceeds from $1100 worth of salvage collected. He said it was a case of "too many cooks spoil the broth."

Coun. Sterns pointed out that the main object of the salvage campaign was not to provide funds for Red Cross but to collect salvage, scrap metal, etc., to be used in war industries and he believed Charlottetown did a good job as it collected one quarter of a million pounds of salvage. He said that the expense per pound collected was not so much higher than in the other centres.

Mayor Holman stated that while Sterns that the Committee did a good job and much voluntary service. He pointed out that they had necessary expenses of rent, handling sorting etc., and this they had accomplished without any expense

The matter of the byelaw dealing with weighing of coal on the city scales is to be dealt with at a special meeting of the Council to be held next Monday night.

A resolution stating that leave of absence be granted Robert Dalziel and that any permanent police officer serving in the Armed forces be credited with time on the Police Force equivalent to the period of service he will have been in the Armed Forces, was moved by Coun. Sterns and seconded by Coun. Chandler and passed unanimously.

Applications for positions on the Police Force were read from Messrs Albert Murphy, Charlie Cheverie, Earle A. MacFadyen, Clifford Downe and A. Melvin Horne. These applications were referred to the Police Committee.

Claims Damages

A letter from Miss Laura Cox making a claim against the City for $29.63, expense incurred in repairing damage caused by water that backed up into her cellar from the pond. This matter was referred to the City Recorder.

The request of Mr. G. Hume Keefe of the Keefe Hygienic Service that the city pay him $900 yearly for the duration of his contract was referred to the Public Property Committee.

Mayor Holman stated that while he was in Moncton on business recently he conferred with Mr. Appleton of the C N R., who assured him that in future all work that could be done in the local C.N R. shops would be done here, and that the western train would not be kept waiting all night at Emerald Junction for the Borden train if delayed for many hours.

Ask Reimbursement

A statement from DeBlois Bros. asking for reimbursement to the amount of $217.66 for concrete work done was presented at last night's meeting. It was moved by Coun. Chandler and seconded by Coun. Sterns that the statement be placed on file. Coun. MacDonald moved an amendment that this statement be handed to the Street Committee for consideration in the 1943 estimates. This was seconded by Coun. MacKee. The main motion carried 4-3.

In commenting on the Police Report His Worship Mayor Holman stated that there would be no let up on raids on bootleggers' properties till those dens of iniquity are closed.

Reports were presented by the Chief of Police Birtwistle, Deputy Minister of Public Health, Dr. Keeping, and by the Meat and Milk Inspector, Dr. Croken.

Troublesome Night Coughs Are Hard on the System

It's the cough that sticks; the cough that is hard to get rid of; the cough accompanied by a tickling in the throat that causes the nerve and throat wracking trouble that keeps you awake at night.

Dr. Wood's Norway Pine Syrup helps to relieve this coughing condition by soothing the irritated parts, loosening the phlegm and stimulating the bronchial organs, and when this is done the troublesome irritating cough may be relieved.

Dr. Wood's Norway Pine Syrup has been on the market for the past 48 years. The Trade Mark "3 Pine Trees".

"Springtime In The Rockies" Gay, Colorful Musical Hit

—That Spring is the time and the Rockies the place for everything melodious, romantic and gay is the merry message of "Springtime in the Rockies," the lively new 20th Century-Fox musical in enchanting Technicolor which yesterday brought Betty Grable, John Payne, Carmen Miranda and a bountiful musical comedy cast to the screen of the Capitol Theatre.

Bracing as a mountain breeze, it's the type of cinema divertissement that wraps itself around your heart and then won't let go. There is mile-high fun, when Betty Grable, Payne, combustible Carmen and Cesar Romero get their romantic signals mixed. And there is rhythm calculated to rock the Rockies themselves, when Harry James and His Music Makers set to mellow melody the exhilarating splendor of Canada's Lake Louise which serves, for the most part, as the film's locale. The idol of dance-conscious young America, James' trumpet virtuosity will register pleasantly on the more mature ear as well.

Appeal Board

(Continued from page 1)

Defense, and Mr Gordon R. Holmes, who represents the interests of agriculture.

According to Dominion Government regulations, representatives from the War Labor and Selective Service boards are also permitted to attend meetings of the Board. As there is no Labor Board in this Province there is no representative, and there has not yet been an appointee selected to represent the Selective Service Board.

Secretary of the Board is Lt. Col. J. Parker Hooper, Divisional Registrar, who has the responsibility of supplying the monthly quotas of service men from the Province.

The Divisional Registrar calls up the number of men required in the age classes under Dominion regulations. These men are called from the registration cards of August, 1940, irrespective of what occupation they follow. In the letters sent out by the Registrar they are instructed to report for medical examination. If they or their employers consider they are in essential occupations they may appeal for postponement.

Held In Camera

The sittings of the Board are held in camera but the applicant called, or his employer, or both, may attend and present their case.

There is no such thing as "exemption" from military service for those physically fit, Board officials emphasize. There is only postponement, except for a conscientious objector who is allowed an alternative service other than military.

The Board usually sits four or more days a month following the two monthly calls for men. The meetings are usually held in the court room of the Court House, Charlottetown. One meeting has been held at Summerside, and one at Souris.

So great is the percentage of postponements granted, the Guardian is informed, that frequently not more than six or seven out of all cases dealt with at a sitting are refused postponement.

The Board usually sits from 9.30 a.m. till 6 p.m., and on some days 80 to 100 cases are dealt with.

Monthly Meeting S'Side Town Council

The regular monthly meeting of the Summerside Town Council was held last night in the town hall with Mayor W.J. Lidstone presiding and Councillors Morrison, Gorrill, Wedge and Mollison present. The meeting was adjourned till Wednesday Feb. 20, when the financial statement will be brought in.

Councillor Mollison referred to a letter which appeared in The Guardian intimating that the council intended to take no action on the question of prohibition enforcement. On the contrary, Councillor Mollison said, the press report of that meeting had said that the Council intended to do something about the matter. The Premier had requested a meeting with the council but up to this time it had not been held and he wanted to know why it had not.

The town clerk said he had been trying to get in touch with the Premier to arrange a meeting but had not been successful in contacting him.

The Mayor said the Premier was busy but a meeting would be arranged.

The following bills were passed: town paid bills: $803.88. Town unpaid bills: $1050.59. Electric light: paid bills, $7053.00. Electric light unpaid bills: $7439.74.

The following report of the police chief was read for the month of December: Drunkenness arrests 15, convictions 15. Infractions of the curfew law 3, convictions 3. Fines and costs collected $75.00. Miscellaneous licenses, $179.00. Truck licenses $16.00. Milk licenses $20.00. Dog licenses $84.00. "I wish to state that according to instructions W.B. MacNeill, fire chief and I visited R. Popes Dance hall and found that he has installed two additional exits and also made improvements to the others that had previously existed," the report continued. "The Capitol also was visited and Mr. Gaudet stated that everything had been built in accordance to the fire marshalls suggestions. The sprinkler system has been installed and is overhead and under the floor in the theatre. The room where the motion picture machines are is made of solid concrete. The St. Paul's hall was not held any entertainments for some time and has signified their intentions of putting in an additional exit.

The Mayor said the condition of public buildings must be watched by police in regard to fire hazards. The police should not let up and the handing in of this report should not end the matter.

Councillor Mollison said the doors in all public places should open out.

Considerable discussion was held on this matter and it was the concensus of opinion that there should be more exits in the local theatres and halls. Councillor Wedge said he would have the matter followed up.

A resolution was passed that all power users who consume 1500 kilowatts or over be charged four cents per kilowatt for the first 1500 and three cents for all over that amount. Moved by Councillor Morrison, seconded by Councillor Gorrill. A new schedule of rates is being drawn up.

A considerable discussion was held on the matter of the length of time which meat must be left at the abbatoir after it is killed. The byelaw specifies five days. It was pointed out that no councillor or the mayor has the privilege of allowing meat to leave before the proper time has elapsed.

Letter from Police Chief

The following letter was read at the regular meeting of the Summerside town council last evening: Henry Wedge, Esq., chairman of the Police Committee, Summerside, P.E.I.

Sir,— There has been considerable discussion during the past few weeks, through the press and other sources, in regard to the enforcement of the Prohibition Act within the town of Summerside and more especially in regard to enforcement and cooperation of the town police with the R C M. Police. I, therefore, as head of the police force feel it my duty to inform you as to the attitude of the police force in regard to this matter and to the course they have been following and the relationship that has existed between the R C M. Police and the Town Police. I also feel that considerable reflection has been laid on my shoulders and that it is now time to have this matter clarified.

I wish to state here emphatically that I never have at any time while a member of this force or any other force refused to give information assist or cooperate with any other police force in the enforcement of any criminal or provincial laws. I feel sure that every member of the R C M. Police who has occasion to seek assistance of the town police will bear me out in this matter. I also must state that the most friendly and cooperative spirit has at all times existed between us and more especially the officers in charge of Summerside detachment and I wish to convey to them my appreciation in this respect. Trusting that this may help in some small way to adjust the minds of the public who appear to have been mislead in this matter,

I am, respectfully yours,
PETER WHITE.
Chief of Police, Summerside.

LEGION DANCE at Armouries, Wednesday, Jan. 20. 1-12-2i

S. A. MacDONALD'S STORE will be closed Wednesday afternoon. 1-12-1i.

MET WITH ACCIDENT — Dr. and Mrs. R.F. Seaman recently received word from their son, Lieut. R.F. Seaman, informing them that he had been slightly injured in an accident overseas. However, his condition was not considered serious and he was making rapid recovery.

AIR RAID ALERT— Prince Edward Island had a twenty-three minute practice air raid alert yesterday which started just before noon. This was the first time citizens here experienced a daylight alarm. The signal originated outside the Province and came as a complete surprise. School children in the city were dismissed when the sirens sounded and they were instructed to go right to their homes. Quite a number of people remained on the streets but some went inside to be prepared for any eventuality. Reports indicated that the alarm in the province was successful. The A.R.P. workers responded quickly to the call in most cases. Officials said the biggest trouble which developed yesterday was the rush many people made to use their telephones to ask about the alarm. It it had been a real emergency a serious situation would have resulted. People are urged to use the telephone only in case of emergency during air raid alarms.

FIRE ALARMS — Shortly before 8 o'clock yesterday morning the firemen were called out for a slight blaze at Hall & Stavert's machine shop. While responding to this alarm a second was received from 80 Brighton Road for a flue fire. There was no damage. At 5.55 yesterday evening the firemen were again called to extinguish a flue fire at 121 North River Road. The firemen were away about half an hour on that call as the floor of the dwelling had caught.

POLICE COURT — Josiah Smith charged with hoarding sugar and tea on information laid by the Wartime Prices and Trade Board, was convicted on both counts in the City Police Court yesterday. The case was adjourned one week for sentence. Argument of counsel was heard by Stipendiary Magistrate K.M. Martin. Mr. Gordon R. Holmes appeared for the prosecution and Mr. R. R. Bell for the accused. Only one other case was on the docket. This was the case of a man charged under the Prohibition Act and it was adjourned until Jan. 14

HEALTH REPORT — No cases of communicable diseases were reported in Charlottetown in December, Dr. B.C. Keeping, Deputy Minister of Health told the City Council last night. In the Vital Statistics section of his report he listed 39 births; 26 deaths and 12 marriages for the month. During December there had been a total of 25 cases of venereal disease treated. One new case was reported. A total of 180 treatments were given. The report of Mr. M.W. Reardon, Sanitary inspector was submitted in connection with Dr. Keeping's report. It indicated 14 restaurants were inspected and found satisfactory in addition to a multitude of other duties. During the month the inspector said he collected dog tax amounting to $82.

POLICE REPORT — A total of $300 in Prohibition Act fines was collected in Charlottetown in December, Police Chief A. Birtwistle told the monthly meeting of the City Council last night. Other fines and costs amounted to $117.80. The Police Chief said 16 arrests were made in December, 13 drunks, and one vagrant, one drunk in charge of a motor vehicle and one for breaking and entering. Only one man escaped conviction, the vagrant. He was dismissed. There were two convictions under the excise act and one under the Prohibition Act. Twenty motor vehicles were tagged for breaches of traffic regulations and in each case the owner paid a one dollar penalty. The police collected 36 milk samples and during the month four vendors were fined under a by-law for having sediment in the milk. The Chief said it was "pleasing to report that throughout the recent Christmas holiday period a high standard of law and order prevailed with a total absence of crime or disorder".

THREE HOURS LATE — The evening train was more than 3 hours late last night. It reached the city at 9.45. Heavy passenger traffic on the mainland caused the delay.

DIPHTHERIA PATIENTS IMPROVING — Mrs. John Cummiskey, Sydney Street and her 5-year-old daughter who have been patients in the Charlottetown Hospital for the past week suffering from diphtheria are making a satisfactory recovery.

FUNERAL SERVICES—The funeral of Mr. Thomas O'Shea was held yesterday morning from the residence of William Grimes to St. Dunstan's Basilica where Requiem High Mass was celebrated by Rev. L. Dougan who also officiated at the grave. The pallbearers were: Messrs. Michael Walsh, James M. Hennessey, Fred Taylor, Cornelius Blanchard, Bruce Butler and Frank McRory.

FISHERIES INSPECTORS MEET —This morning a convention of the Prince Edward Island Fisheries Inspectors will open in Charlottetown. Sessions will be held in the office of the Supervisor, Mr. J. J. Larrabee. Mr. MacKay, Chief Accountant in the Chief Supervisor's office at Halifax will be present. Others who will attend are Inspectors P. A. MacLellan of Souris; L. C. Johnston, Murray River; L. J. Murphy, Conway; P. O. Martin, Summerside, and G. C. Shaw, Charlottetown. The grading of products and other matters of general interest to fishermen will be discussed. The sessions will be held for two days.

Card of Thanks

I desire, through the columns of this paper, to thank my kind neighbours and friends, and the men, N.C.O.'s and officers of 17th Armoured Regiment (R.) for assistance rendered during my loss by fire.

Signed—John F. McKinnon, Goose River, P.E.I.

IN MEMORIAM

In loving memory of our little son (Roger Archibald Champion) who passed away at Darnley, P. E.I., on Jan. 7, 1941. Sadly missed by his parents and brother Donnie.

In Memoriam

In Loving memory of our darling grandchild, Mary Phyllis Bernard. Died Jan. 12, 1942.

Brightest roses in the garden
Often are the first to fade,
Like our winsome loving grandchild,
Whom beneath the earth we laid.

Inserted by her grandparents, Mr. and Mrs. Geo. H. Peterson.
