## Itching Piles

A Fearfully Bad Case—Much Pain and Acute Misery From the Terrible Itching—Cured by Dr. Chase's Ointment.

It is doubtful if any remedy ever received so much grateful, unsolicited testimony as Dr. Chase's Ointment. The reason is not far to seek, for it is the only preparation known to man which never fails to cure piles. Mr. F. G. Harding, a retired farmer, living at Nilestown, Middlesex county, Ont., writes as follows:—"I have been troubled with bleeding and itching piles for four or five years, and suffered intense agony at times, I had tried almost everything, but could get nothing that would give relief. On hearing of Dr. Chase's Ointment I procured a box, and it only required part of it to completely cure me. I am recommending it to all afflicted as I was."

Such incontrovertible evidence from responsible persons cannot, for a moment, be doubted. A few applications of Dr. Chase's Ointment will convince the most skeptical of its wonderful healing and soothing influence. A box or two will positively cure the most severe case of piles; 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.
