Rheumatism Entirely Gone

After Twenty-seven Years of Suffering—Swelling and Puffiness Has Disappeared—Not a Pain or an Ache Left.

A most astonishing cure of rheumatism and eczema has been reported here, and Mrs. Ray is enthusiastic in telling her many friends how cure was effected. Rheumatism and eczema frequently go together, and in this case caused the most keen distress imaginable. All the swelling and puffiness resulting from many years of rheumatism has disappeared, and there is not a pain or an ache left. Mrs. G. H. Ray, R. R. to 1 Kincardine, Ont., writes: "Mrs. Ray has been using your Kidney-Liver Pills. She was very bad with rheumatism and eczema, and had that fearful itch for twenty-seven years. It was simply terrible what she suffered. I persuaded her to try \$1.00 worth of Dr. Chase's Kidney-Liver Pills. She is now on the last box, and let me tell you she scarcely knows herself, she is so free from both these diseases. All the swelling and puffiness caused by the rheumatism has gone away, and she has gone down in weight 18 1/2 pounds. She never has an ache nor pain, illness nor sick headaches all these months. She often says herself 'How glad I am that I know what to do instead of paying doctors so much to make me worse.'" There is only one way that the poisons in the blood can be cleared away and the cause of pains and aches removed, and that is by the healthy action of the kidneys, liver and bowels. Because Dr. Chase's Kidney-Liver Pills act directly and specifically on these organs and insure their activity they remove the cause of rheumatism and other dreadfully painful and fatal diseases. One pill a dose, 25 cents a box, all dealers or Ecmanson, Bates & Co., Limited Toronto. Look for the portrait and signature of A. W. Chase, M. D., the famous Receipt Book author on the box you buy.
