AN ENQUIRY.—Mr. J. E. B. McCready, Publicity Agent, has received an enquiry from Maritzburg, regarding the suitability of this province for the settlement of a number of farmers. XMAS MAIL.—It will be interesting to the many people in this province who intend sending Xmas mail to the Old Country, to know that mail sent after today (Thursday) will not reach its destination until after Xmas. During her stay in the Old Country Mrs. Wilson purposes resuming her studies in vocal culture, her proficiency in which is well known in musical circles, especially in the Eastern part of the province, where she had often charmed many audiences. Olivet Baptist church has been recognized as one of the foremost in Western Canada, and it has been specially progressive in missionary endeavor. The church supports two missionary families, one in India, besides contributing liberally to the foreign and home mission funds. Mr. MacLean will be missed in the city, especially by those who were members of his congregation. He is a native of Prince Edward Island, a graduate of Acadia university, and a post graduate of Chicago university. Before coming to Calgary Mr. MacLean was pastor of a church in Portage-La-Prairie, Manitoba. The congregation of Olivet Baptist church has not as yet had the opportunity to choose a successor to Mr. Mac-

LEAN, but steps will be taken immediately to secure a new pastor. Mr. MacLean is a brother of Mr. D. J. MacLean, of Montague, and uncle of Miss Kathleen Dockendorf of Charlottetown.
