

Modern Farm Equipment

These engines are powerfully built even to the smallest parts. Made by the same firm who design and develop huge engines of hundreds of horsepower.

The "Z" has high tension magneto ignition, section fuel feed, positive lubrication, reversible die-cast bearings. Has fewer parts subject to wear, and these parts are drop forged and carefully heat treated. An engine for a lifetime.

A New Electric Light and Power Plant
Compact, self-contained, completely enclosed. No separate tanks for fuel, oil or water.

No exhaust moving parts, except belt pulley.

Lights may be operated direct from generator or from storage battery.

Water Plants For All Services
No matter what type of equipment is required—compact little home water plant (electric or gas engine driven), windmill, pump jack or pump, there is a Fairbanks-Morse outfit ideally suited to your needs.

The Fairbanks-Morse line also includes Feed Grinders and Fairbanks Scales. Write for information on the lines in which you are interested.

ARRIVE FROM ENGLAND.—Mrs. Banyard, three children and governess, accompanied by Miss Lawrence, arrived by the Red Star steamer "Arabic" on Saturday at Halifax where they were met by Rev. Mr. Banyard who accompanied them to Tryon yesterday. Rev. Mr. Banyard, formerly of the Westminster Chapel, London, has been located at Tryon for the past six months.

JOIN THE CROWD at the Stars Variety Concert tonight in the Strand.

AN APPRECIATION.—Mr. Arthur Bruce who has been a member of St. James Church for the past fifteen years was on Sunday evening presented with an address by Rev. Mr. Muir and a gift of silver from the session of the church in appreciation of his services. Mr. Bruce has resigned as an active member of the choir but will still remain a member of the congregation.

BEDEQUE MOTHER'S DAY SERVICE.—Sunday morning last the United Church at Bedeque had a capacity audience. The Church was prettily decorated and the large choir excelled in splendid Mother's Day selections. Several expressed themselves as charmed with the appropriate music. Rev. P. Fitzpatrick preached on "Mothers Sacrificial Service." A very large number of communicants partook of the Sacrament of the Lord's Supper.

AT ROTARY.—At the weekly luncheon of the Rotary Club yesterday, the speaker was Mr. Reuben MacDonald, who gave a talk on "Lights and Shadows of Newspaper Life," dealing with some of his experiences during the past quarter of a century. The expedition to the relief of the Stanley and Minto in 1903, the wreck of the Sovinto, the visit to Charlottetown of Carrie Nation and other events were touched on. In the absence of the President, Vice President J. P. Crockett presided. There was one guest, Rotarian J. Stanley Wedlock of Arlington, Mass. A new member, James J. Hornby, was introduced by Past Vice President Pope, Rotarian R. H. Jenkins, M.P., was heartily welcomed as he entered the room, his fellow Rotarians singing "For He's a Jolly Good Fellow." Rotarian Roy Holman, who has been absent owing to bereavement in the family was also welcomed. The musical programme included a solo by Charlie Gallagher.

WEDDING BELLS.—The Convant at Summerside was the scene of a very pretty wedding on Wednesday morning at five o'clock when Miss Aletha M. Campbell, of Summerside, became the bride of Mr. Morton W. Larkin, of Charlottetown. Rev. J. J. McDonald performed the ceremony and also celebrated the Nuptial Mass, at which a number of the bride's girl friends sang a number of appropriate hymns. The bride, who was becomingly attired in a travelling suit of navy blue with hat to match was attended by her cousin, Miss Jessie Fisher, whilst the groom was ably supported by Mr. Ernie Campbell, brother of the bride. The groom's gift to the bride, was a pearl necklace, and to the bridesmaid a silk scarf, and to the groomsmen a set of white gold cuff links. After a wedding breakfast at the home of her uncle, Mr. Jos. A. Macray, with whom the bride had made her home for a number of years, the happy young couple left on a short honeymoon trip to the mainland. The bride, who was the recipient of a number of handsome and useful presents testifying to the popularity in which she is held, was previously to her marriage a popular teacher of Clermont School. She was, a few evenings ago, the recipient of a large miscellaneous silver held at the home of Mr. Joseph C. McCullough Summerside. On their return from the honeymoon Mr. and Mrs. Larkins will reside at Clermont, where Mr. Larkins is a prosperous young farmer.

MAGDALEN ISLANDS SERVICE—By a telegram received yesterday by Carvell Bros., it is learned that the S. S. LOVAT leaves Picton today and will call at Pownal Wharf this afternoon or evening for the purpose of taking on mails and passengers for the Magdalen Islands. The steamer will then proceed up the Straits going around the west point of the island in order to make a landing at the Magdalens, for the advices are that the eastern route is impossible owing to the presence of large quantities of ice.

HEAR MISS LUCY BLANCHARD, Contralto, at the Strand Concert this evening.

VISITING PASTOR.—The pulpit of Dunollie U. F. Church was on Sunday last filled acceptably by Rev. Robert Lindsay of Hazelburg Baptist Church, Prince Edward Island, Canada. Mr. Lindsay spent his boyhood and youth in Oban, where his father, Mr. Lindsay, now of Glasgow, held a responsible position with the firm of Messrs. Kennedy and also acted as choir conductor in Dunollie Road Church. Mr. Lindsay had a strenuous weekend. He addressed the Y. W. C. A. meeting on Monday, and meetings of the Faith Mission Prayer Union of which he is a life member, on Sunday and Tuesday evenings. Many old friends greeted him. Oban (Scotland) Times, April 23rd, 1927. The above were the Easter services.

"Red" Expected To Show Class

The Montreal Herald says: "Red" MacDonald, Nova Scotia, which has produced some really great fighters like the inimitable "Little Chocolate" George Dixon and Sam Langford, and other useful performers of more recent date like Roddy MacDonald and Roy Mitchell, has made a colorful entry into the lightweight tourney which starts next Wednesday night at the Forum. And we mean "colorful"—and how!

MacDonald has a thatch of red hair, and will be a prominent figure in the color scheme of the scales while he lasts. It seems likely he will be up among the finalists, for he's a sound puncher, and must be a good boxer for he whipped such a good performer as Bert Brown, though MacDonald had only one hand in commission at that time.

Sale of Liquor Not Yet Legal

(Canadian Press)
OTTAWA, May 9.—The sale of liquor under the new Ontario liquor control board will not begin in Ottawa or any other part of Ontario for at least a week or ten days after May 16, Stewart McClellan, one of the members of the control board stated last night.
"Our liquor will be cheaper in price than that sold in Quebec," said Mr. McClellan. The commissioner said that at least 75 different brands of wines and liquors will be sold along with beer, ale and porter. This means that the liquor stores would have to be commensurate. Where there is no store there will be men appointed to issue permits.

Many Residents Marooned By Flood Waters

WINNIPEG, May 9.—Many homes are completely surrounded by flood waters from the Assiniboine River in the district of Marquette, about 45 miles from Winnipeg according to word received here late last night. The river has overflowed its banks at several places, flooding adjoining farm lands.
Late last night, the water had backed up two miles north of the river. Many residents were marooned in their homes, according to a telephone message from the flooded area. In other districts east of the city the river was reported rising and dykes were being erected to protect valuable farm lands.
In the Brandon district, where hundreds of acres of land have been inundated and residents of the "flats" forced from their homes the flood situation was easier and a gradual recession was reported.

The Markets

MONTREAL, May 9.—There was no improvement in the domestic market for grain here over the weekend. Importers were not disposed to respond to the steady advance in prices that has prevailed and in consequence business was small locally. The demand for cash grain in the domestic market was of a very limited character but the undertone was firm and prices were fully maintained. A stronger feeling developed in spring wheat flour and prices were marked up ten cents a barrel. A moderate amount of business was done. Winter wheat flour was unchanged. Trading in all lines of millfeed was fairly brisk and stocks revealed a firm undertone. The standard grades of oats showed no change. A firm feeling prevailed in the egg market business was brisk with prices unchanged. The receipts were 2374. NOTE—A special dance will be held at the Casino after the show. Old time and modern dances. Gents 35 cents, Ladies 25 cents.

IN MEMORIAM
MR. ARCHIBALD FERGUSON
Mr. Archibald Ferguson, one of the oldest and highly respected farmers of Summerside passed away at 6 o'clock yesterday morning at his home there. He had reached a venerable age, having passed his 79th birthday.
He was a native of that place, born on the farm there, where he lived all his life. He was a man of excellent judgment and took a lively interest in public affairs.
He was a lifetime a staunch supporter of the Liberal party. By his industry and thrift he made a success of the agricultural calling, and was regarded as a neighborly man, whose aim was for the betterment of the community and the advancement of the province.
The late Mr. Ferguson was never married. There are left to mourn their loss, his two sisters, Mrs. Jane Nicholson, who lived with him Mrs. Nathan MacFarlane, of Summerside; also two brothers, Peter of Graham's Road, and Hugh A. Ferguson of Tacoma Washington. The latter was associated with Klondyke MacDonald in the gold rush of 1896.

Jury Render Verdict In Snyder Case

(Canadian Press)
QUEEN'S COUNTY COURT—HOUSE, NEW YORK, May 9.—Mrs. Ruth Snyder and her coroner salesman, Paramour Henry Judd Gray, were found guilty of murder in the first degree. The defendant showed no emotion as the fatal words were pronounced by Jury Foreman at 7.02. They walked from the court room with firm steps and their eyes were dry.
The defendants will be sentenced Monday morning at 10 o'clock and the death penalty is mandatory.

Fifteen Killed In Texas Town

(Canadian Press)
TEXAS, May 9.—Fifteen persons, thirteen of whom were white, and two negroes were killed and twenty three were known to have been injured by a tornado which struck this town of 800 people early today. Some of the injured were expected to die. Practically the entire business district of the town including fifteen brick structures, was destroyed. The damage was estimated at \$250,000.

Aid Canadians

WELLINGTON, N. Z., May 9.—The New Zealand Rugby Union yesterday did their best to make the coming tour of the Canadian soccer team a success. In drawing up the schedule for inter-provincial matches, care was taken that in no case would there be a clash of fixtures between the matches of the first class New Zealand rugby teams and the games in which the Canadians might be engaged.

Local Favorite Says He'll K. O. Boston Fighter

New York Ring Sharps Lay 7 to 5 On Mike's Chances—Both Boxers in Fine Condition
NEW YORK, May 9.—Mike McTigue, the perennial pugilist meets Pat McCarthy, of Boston another battling Irishman, in a fight tomorrow which he firmly believes will carry him to within striking distance of Jack Delaney's light heavyweight title.
"I'll knock him out," promised Mike as he wound up training today.
"If I ever wanted to win a fight, it is this one," confided Pat. "I'll

earn the Jack Delaney shot myself."
Mike Favorite
Although McTigue at 39 is ten years older than his rugged opponent, the odds were 7 to 5 on the champion as the hour of the fight drew near. Both men were pronounced in good physical shape.
It will be McTigue's first bout since he lost on a technical knock-out to Jack Sharkey, heavyweight contender, after outpointing the Hub battler.
