THE INVESTIGATION OF THE NORTH AMERICAN LIFE

As Shown Highly Favorable to the Company — A Well Known Citizen Receives Substantial Returns.

1st. The financial standing of the Company is unexcelled, its securities being of the highest character.

2nd. The Company is skillfully and carefully managed with one end in view, viz. to give its policy holders the best possible value for their money.

3rd. The Company does not speculate with its funds. It does not loan a dollar to any of its Officials or Directors, and is not interested in or controlled by any other subsidiary institutions.

4th. There are no over paid officials employed by the Company. No excessive dividends are paid shareholders and the returns to Policy-holders continue highly satisfactory to them.

In proof of this we publish from time to time acknowledgments received right here in Charlottetown of parties whose policies are maturing, as we would be judged by the company's record for the past twenty years.

Charlottetown July 5th 1906
Messrs Ross and Matthews
Representing the North American Life Assurance Co.

GENTLEMAN:—Twenty years ago I was induced by an agent of the Company Mr. Lavers, to take out a 20 Payment Life policy with profits for \$1000.00 in your Company paying a yearly premium of \$20.05.

Having been fortunate enough to live the 20 years, you now offer me several options on my policy, any one of which I consider good value.

If I accept the cash value of \$802.15 it will give me a return of all my premiums paid in and \$111.13 for interest, which is certainly not a bad showing as it must have cost the Company at least ten or twelve dollars a year to keep me insured.

The second option gives me a Paid up Policy for \$130.00 that is \$130.00 in addition to the face of my policy which was guaranteed.

The third option allows me to draw the cash profits of \$28.00 and carry the \$1000.00 free on my life.

I may add, I only regret I did not take out a much larger policy at the time I insured, as the results of this one have proved so satisfactory.

Wishing the company success,

Yours truly,
(SGD) BERNARD TRAINOR.

DISFIGURED WITH ECZEMA

Brushed Scales from Face Like Powder—Under Physicians Six Months But Grew Worse—Some Said Face Would Be Marked for Life—Now Without a Blemish.

CUTICURA REMEDIES WORK WONDERS

"As I was a sufferer with eczema I write to tell you what a great friend I found in Cuticura Remedies. In six months I had tried three doctors, but did not get any better. It was on my body and on my feet so thick that I could hardly put a pin on me without touching eczema. My face was covered, my eyebrows came out, and then it got in my eye. I then went to another doctor. He asked me what I was taking for it, and I told him Cuticura. He said that was a very good thing, but that he thought that my face would be marked for life. But Cuticura did its work and my face is now just as clear as it ever was.

"My brother-in-law told me about the wonderful Cuticura remedies. I took his advice and got the Ointment, Soap, and Resolvent. I washed with the Cuticura Soap and then applied the Ointment, and took Cuticura Resolvent as directed. In a short time my face began to get better, and when I had taken one bottle of Resolvent I could brush the scales off my face like a powder. When I had taken four bottles my face was as clear as ever.

"I told all my friends about my remarkable cure. I feel so thankful I want everybody far and wide to know what Cuticura can do. It is a sure cure for eczema. (signed) Mrs. Emma White, 641 Cherrier Place, Camden, N. J., April 25, 1905."

Complete External and Internal treatment for every Humour, from Pimples to Scrofula, from Itchiness to Aps, consisting of Cuticura Soap, Ointment, and Resolvent, (also in form of Chocolate Coated Pills in vial of 60), may be had of all druggists. WIRE WOUNDS.

My mare, a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the wounds would not heal, although I tried many different medicines. Dr. Bell advised me to use **MINARD'S LINIMENT**, diluted at first, then stronger as the sores began to look better, until after three weeks, the sores have healed and best of all the hair is growing well, and is NOT WHITE as is most always the case in horse wounds.
